IN MEMORIAM

In loving memory of Mrs. Morson Sherren, who passed away, April 27, 1942.
Time speeds on, two years have passed.
Since death its gloom, its shadows cast
Within our home, where all seemed bright
And took from us a shining light
We miss that light and ever will
Her vacant place there's none to fill
Down here we mourn, but not in vain
For up in Heaven we will meet again.

IN MEMORIAM

AUSTIN O. MURPHY

Following a short illness death came calmly and peacefully to Austin O. Murphy on Saturday, February 26th, at the age of thirty-six years.

Two weeks previous to his death Austin had undergone a successful operation and was apparently improving satisfactorily when complications set in and within a few days he succumbed. Although death came unexpectedly it did not find him unprepared for animated with a living faith his whole life was a preparation for eternity. His pastor Rev. W. V. McDonald administered the Last Sacraments of the Catholic Church a short time previous to his death.

He was the son of the late Mr. and Mrs. Peter Murphy. Born at Chelton, he received his early education at the local school and later entered St. Dunstan's University where he obtained his Bachelor of Arts Degree in 1930.

The pursuit of further studies was interrupted by the sudden death of his only brother, Fred, as he felt it his duty to take his brother's place in caring for his aged mother.

In 1940 he married Doris McKenna of Fernwood and with their little daughter Catharine, they had a very happy home. He combined his rich wealth of learning with industry and ability in scientific farming and built up one of the finest homes in the vicinity

Naturally of a quiet disposition passing acquaintances were often unaware of his sterling qualities but those who associated with him frequently, soon learned that he possessed a personality with all the qualities that make a true friend and an upright citizen.

Truly it may be said of Austin Murphy that although he has departed, nevertheless his example of fidelity to duty so unerringly displayed during life will remain an inspiration cherished by those with whom he associated.

Besides his sorrowing wife he leaves to mourn an only daughter Catherine Estelle, one year old; three sisters Mrs. John W. Holmes, Woodridge, Man.; Mrs. Jack Ryan, Hudson Bay Junction, Saskatchewan, and Mrs. Aidan Mulligan, Newton, P. E. Island.

The funeral which was largely attended was held from his late residence to Seven Mile Bay Church where Requiem High Mass was sung by Rev. W. V. McDonald who also conducted the service at the grave.

The pallbearers were: Messrs. Aidan Mulligan, Swithin McKenna, Eugene Smith, Albert McCardle, Louis Pearson and Cedric McKenna.

The large number of Mass Cards and Messages of Sympathy bore tangible witness to the general opinion

"We have lost a valuable citizen and a true friend."

May he rest in peace.

OPPOSES SUGGESTED

(Continued from page 1.)

hardly at all on the well to do. They would be particularly burdensome for those in the low income groups who have large families, precisely those to whom the Government, by its projected family allowance legislation, is proposing to make special grants, presumably because of special need."

The brief was distributed after J. W. Fulton, of the Christian Science Committee on Publications, Toronto, appeared before the Committee to support a suggestion that the Draft Bill include a provision to protect Christian Scientists against compulsory acceptance of medical or surgical ministrations of treatment. He also urged that treatment by Christian Science healers, after a medical diagnosis, be recognized for payment to healers under the provisions of the Bill.

Hon. Dr. H. A. Bruce (PC—Toronto Parkdale) said a medical man who turned over to a healer a patient whom he believed would respond to standard medical treatment should be held guilty of criminal negligence.

Dr. J. J. Heagerty, Director of Federal Public Health Services, said some who "pretended" to treat disease had, through ignorance, caused death, "committed murder."

Hon. Cyrus MacMillan (L — Queens), chairman, held the Committee should not discuss methods of medical treatment in open session.

Arthur Slaght (L—Parry Sound) said the right should be left to the provinces to decide whether Christian Science Healers might receive benefits under the Health Insurance Act. Such decision should be in the hands of provincial cabinets, not provincial health commissions.

More Naval Work For Bruce Stewart & Co.

More naval work will be done at the plant of Bruce Stewart and Company here, it was stated by Hon. Dr. Cyrus Macmillan, federal member for Queen's in a telegram received by Hon. T. W. L. Prowse.

The telegram was read to employees of the plant by Col. C. C. Thompson during an address he made to them in support of the Sixth Victory Loan. Practically the entire personnel of the plant attended the meeting yesterday and Col. Thompson's news was wildly applauded.

The successful Victory Loan meeting also witnessed a motion picture showing the building of bombers and emphasizing the use to which the money paid for bonds is being put. The movie was shown by B Graham Rogers, assisted by Capt. McLean of Beach Grove Training Centre.

Large Attendance At Breadalbane War Loan Meeting

Breadalbane Hall was filled last night for the Victory Loan meeting. The chairman, Mr. J E Haslam, gave a fine opening address and introduced the guest speaker Col C C Thompson, veteran of two wars, who delighted the audience with his sincere words on behalf of the Sixth Victory Loan. He spoke feelingly of the native sons of Breadalbane, Allistair Martin and Allison McLeod who had made the supreme sacrifice. Col. Thompson was heartily applauded.

The skirl of the bagpipes was heard and the audience had the pleasure of hearing the fine old music played by youthful and skilful Ben Matheson of Springfield. He played for two encores

Major Robert Howard of Breadalbane, veteran of two wars, and comrade in both with Col. C. C. Thompson, also gave a brief but fine address, urging the people to go all out in order to put over the Sixth Victory Loan.

Others speakers were Mr C McKenzie, Allison Mayne, and Mr. Alan McDonald. A hearty vote of thanks was tendered the speakers and Miss Hilda Gillis, who showed the National Film Board Victory Loan films

The National Anthem brought a highly successful meeting to a close

SPAGHETTI STEALS STEEL'S JOB IN RADIO

"What'll they think up next? Canadians might well ask this when learning that spaghetti is taking the place of steel. Despite skepticism, it's the truth. A radio builder reported not so long ago that uncooked spaghetti is replacing steel as a temporary support for tiny electronic-tube coils during welding, reducing assembly time for certain tube filaments 75 per cent.

Steel is difficult to remove, whereas the spaghetti can be burned out in a flash.

THREE POWER CONFERENCE
on the Home Front

"We'll all Put Victory First!"

THIS FAMILY is "going into a huddle" to plan ways of buying *extra* Victory Bonds. Budgets have been checked and re-checked. It's clear that luxuries will have to "go overboard", pleasures must be curtailed and new purchases be postponed. Even some "necessities" must take second place when they Put Victory First.

For we at home must match the spirit of unselfishness shown by our fighting forces! And remember—the little hardships we're caused by buying extra Victory Bonds are *only temporary*. Our money is returned *with interest!*
