POSTPONED.—Owing to the storm the Annual Meeting of the Anti-Tuberculosis Society which was to have been held last evening has been postponed until Monday next.

RECOVERED.—Private Patrick Simont, Bristol, who has been in the Military Hospital, suffering from pneumonia, is recovering. Private Simont has been on Garrison duty in Halifax for the past six months.

REMAIN IN PORT.—Owing to the severity of yesterday's storm the Car Ferry Steamer or the Stanley did not leave their docks, but weather permitting will take up the regular service today.

STILL AT THE FRONT.—With all line in hair goods. Nothing adds more than a well dressed coiffure. Ladies who have not sufficient hair to do justice to their appearance call on Mrs. White, Queen. Phone 327 7914-4f.

RECRUITED AT HALIFAX.—Recruiting in Halifax is not as brisk as the staff in charge would like. Included among those who enlisted on Sunday at the Parade station, says a Halifax exchange, was a French-Canadian, born at Prince Edward Island. His name is Porrier, Asade, and he resides at 150 Upper Water Street. Another P. E. Islander is A. N. McLeod, Port Vernon.

ISLANDER HONORED.—Mr. and Mrs. H.N. Ramsay of Glenaron, formerly of P. E. I., were much surprised on March 10th, when the young people gathered in to bid them farewell, on their departure from that community, to their home in Regina. Mr. and Mrs. Ramsay have made many friends while in Glenaron and will be missed much in their social gatherings. A very appropriate address was read by Mr. N. Hammell and also presented Mr. Ramsay with a mantle clock and Mrs. Ramsay with a beautiful hand bag from the choir of St. Andrews Church of which she was a member. Mr. Ramsay replied very fittingly and thanked the young people very much for their kindness. After a good supper had been served the evening was spent in dancing and music.

SEE THE OFFICERS OF "A" AND "B" COMPANIES in a "Battle Royal" at Arena tonight. M.L.

NO SCHOOL.—At 8.30 yesterday morning the whistles blew long and loud to announce to many anxious parents and children that school was cancelled for the day owing to the storm which was exceedingly heavy around that hour with almost impassible walking.

WEDDING BELLS.—A very pretty wedding was solemnized on Monday, March 6th in St. Ann's Church, Lot 65, when Miss Mary A. Hagan, daughter of Mr. and Mrs. P. D. Hagan of Tryon and Mr. Andrew Egan of Elmwood, were united in the holy bonds of matrimony. The ceremony was performed by Rev. Dr. Curran P. P. The bride was attired in blue Gabardine and wore a black seal plush coat and hat of white satin. She was attended by Miss Sadie Egan and the groom was supported by Mr. James McCaffery. After the ceremony the bridal party went to the home of the bride where a sumptuous breakfast awaited them. The day and evening passed very pleasantly away, after which the guests returned to their homes, after wishing Mr. and Mrs. Egan a long and happy wedded life.

AN EVENING IN MARCH. From the western skyline slanting Sunbeams rays the clouds are parting. As the Angels flags were waving in the unnamed colours bright, Fair, beneath the burning skyland, Shadowed lowland, burnished high-land Of the winter world at even, Lie, all cold, and calm, and white.

O'er the snow-field, as we listen, Through the sparkle and the glister, Through the woods with snow-wreaths heavy, Hear the sleigh-bells ringing, Like a fairy chorus singing, Or some bells of Elfin story Chiming for the Elfin King.

Slow, the western gleam is falling, Slow, the dusk of night prevailing, Robs the diamonds of the Snow-king And absorbs the dying light; Fades the woodland from the vision; Earth is silent in submission; As the star of evening, glowing, Ushers in the conqueror, night.

Popularity of New Dictionary Grows

New Universities Dictionary Presents Subject Instructively.

One of the first things that must be learned by the young man or woman who sets out to become a thoroughly competent stenographer is the proper use of punctuation. Morris W. Croil, Ph.D., of the Department of English, Princeton Universities, has contributed an interesting and highly instructive chapter on this subject in The New Universities Dictionary being offered to the readers of this paper.

Professor Croil explains how the number of punctuation marks in common use has gradually increased with the development of the art of printing. Through the use of these signs the meaning of printed or written discourse is rendered clearer to the eye of the reader. How and when to use each of the twelve marks now employed is fully explained by Professor Croil, and the rules he lays down can be easily learned.

The remarkable success which has attended this dictionary offer shows that the people of this city appreciate the opportunity given them to secure at a nominal cost such a valuable educational work.

WONDERFUL TALE OF AN ACTRESS

Struggled with Sickness and Discouragement; How Relieved.
Dayville, Killingly, Conn.—"I shall be glad to have every woman know what I know now, after using Lydia E. Pinkham's Vegetable Compound. Although I am only 24 years old, I have suffered for the past eight years. I hated the doctors, for a doctor told me to give up the stage where I was playing with my husband. I had bearing down pains, my health failed me, and I could not work on the stage, and wasn't able to tend my baby or even get around myself. I was always downhearted and discontented with the world, and only lived for the sake of my little girl. The doctor said to move to some quiet little town away from the noisy city, and I might be able to live and feel well, so I went to Dayville in November. At that time I was so sick I could not walk around, and my husband kept house and I stayed in bed. One day in January I read your advertisement in a newspaper, and I sent for Lydia E. Pinkham's Vegetable Compound, and started taking it. Within two weeks time I was a different woman, could get around, and felt so good that it was a pleasure to do my household work. I felt contented and happy, and now am the picture of health, and am tempted to return to the stage. We appreciate my health as the most precious thing on earth."—Mrs. H. L. KLENNETT, Box 85, Killingly, Conn.
