NEW WONDERLAND

Day of the Dog and Our Ice Supply.

Tonight New Wonderland's new reel contains two first class pictures. The Day of the Dog is a picture of heart interest. The title would seem to indicate comedy, but there is not the slightest touch of comedy in it. See the run of the fire engines, the daring rescue and the happy ending. "Our Ice Supply" is instructive and interesting showing how the ice that is used these hot days is obtained. The ice farmers will be seen marking out the squares, sawing the blocks, running them up to sleds by the endless carriers and finally the delivering of the frozen goods. The new song "Its the pretty things you say" by Mrs. Tufts concludes another of New Wonderland's first class entertainments.

REV. W. PENNA'S FAREWELL.

A very large congregation was present in the Shediac Methodist church on Sunday evening last to hear with deep regret the farewell sermon of Rev. W. Penna, pastor of the church during the past four years. As a mark of esteem for the reverend gentleman the Presbyterian church was not opened that evening, the members of the congregation being present in the Methodist church, which was prettily dressed for the occasion with vases of choice cut flowers. Rev. Mr. Penna, who in all church circles was extremely popular, delivered a most fitting address and concluding with remarks of high appreciation for kindness shown him by the members of the community during his term of service in Shediac. In social circles both Mr. and Mrs. Penna had a large circle of friends, by whom they will be greatly missed. Some months ago an invitation was extended Rev. Mr. Penna to go to Milltown to assume the pastoral duties of the Methodist church of that town and it is now going. Rev. Gilbert Earle, of the West Indies, is to arrive in Shediac in the near future to take up the work of the Methodist church. Mr. Penna intends leaving this week for Milltown, where he will be joined in a few days time by Mrs. Penna and son, Arthur Penna. On Wednesday afternoon the ladies of the mission-ary society, as a token of their regard and kindly feeling, presented Mrs. Penna with a handsome piece of handpainted china and neat address. St. John Telegraph. Mr. Penna and family have resided in this Province.

THE CHRISTIAN CHURCHES.

The annual Convention of the Christain Churches of this province is being held in New Glasgow. The convention opened Saturday evening at 7.30 with a short devotional service led by Rev. H. T. Morrison, Kingsboro. Rev. H. R. Bell, New Glasgow followed with an address of welcome which was responded to by Rev. A. B. Wade, Montague. Rev. E. E. Dandson, Summerside, preached a forceful and eloquent sermon. On Sunday morning Rev. H. R. Bell led the devotional service and Rev. A. B. Wade, Montague delivered the communion sermon. The devotional service at 3 p. m. was led by Rev. J. F. Floyd Charlottetown and an able sermon delivered by Rev. A. B. Wade, Montague. During the evening devotional service was led by Rev. A. B. Wade, followed by a sermon by Rev. J. F. Floyd. An overflow service was held in the Presbyterian Church, when Rev. E. E. Dandson delivered an adress. So far the attendance has been large the Church being crowded at every service.

HE VISITED SKYE.

The Guardian had a pleasant visit yesterday from E. J. Campbell, Heatherdale, who returned on Saturday evening from a two months visit to the Old Country. Mr. Campbell enjoyed his visit very much and although it is many years since he visited his old home, renewed many acquaintances among relatives and friends at Kilmuluhe, Isle of Skye. Mr. Campbell says that the Isle of Skye has been taken from the landlords and is being resettled by crofters who are looking forward to prosperous years. Among the old homesteads which he was personally acquainted with, was that of Mr. Montgomery, father of late Superintendent of Education of this Province. The ruins of the old homestead still remained until torn down this season to make way for a more modern house.

YOU CAN CURE CATARRH.

J. H. Taylor, 54 Bond St., Toronto, Breathed Hyomei and Cured a Long-Standing Case of Chronic Catarrh That Defied All Other Remedies, Also Toronto and New York Specialists.

Without taking a drop of medicine into the stomach, J. H. Taylor, 54 Bond Street, Toronto, tells how the distressing troubles of Catarrh were overcome by simply inhaling Hyomei air. It's the history of tens of thousands similar cases on record, proving that Hyomei can be depended upon to cure Catarrh, Bronchitis, Coughs, Colds and Croup. It has no equal for any distress of the breathing organs.

Mr. Taylor says: "Some years ago while on a hunting trip in Northern Canada, I contracted a severe cold that settled in my head and finally affected my throat. It rapidly developed into catarrh and caused a miserable throat weakness. My head would become clogged during the night and there was a catarrhal dropping from the nose into the throat. Many days I had been unable to breathe other than through my mouth, and the constant hawking and spitting was almost unbearable. I had been treated by the best throat specialists here and in New York, but nothing benefitted my condition. I obtained Hyomei at Geo. E. Hughes and soon found relief, the throat dropping ceased and my head began to clear. I continued with Hyomei for six weeks and after that time I was well in every detail. There has been no return of the trouble since, and I feel grateful in speaking well of Hyomei, as it cured me when all else failed." A complete Hyomei outfit costs $1.00 and Geo. E. Hughes' will refund your money if it fails to cure.

This Man Dropped Suddenly Dead From Heart Trouble.

Everything Depends Upon Your Heart.

If you wish to live long, if you wish to avoid sudden death—you must attend to your heart. You must see that it beats properly.

If your heart flutters or palpitates or skips beats—you are in danger of sudden death. If you suffer from shortness of breath or tenderness or pain in the left side—it is your heart that is going back on you.

If you ever feel dizzy or faint or have spots before your eyes, if you sleep poorly, if you have dreams at night, if you find it painful to sleep on the left side, if your feet and ankles are swollen it means that your heart is bad and needs immediate attention. Remember, IMMEDIATE attention. Delay is dangerous.

However, if you suffer from heart trouble it need not frighten you for we have the cure, not only the relief but CURE, it is

Grossman's Heart Tablets

These tablets are the result of years of research and experimenting and we can assure you that we have truly discovered the cure. Thousands of people saved from sudden death is the proof.

Thousands of people die suddenly from heart failure because either they have not heard about our Heart Tablets or because they are too stingy to spend the small sum of $1.00 which is the cost of these "life savers."

Now, it is up to you if you are suffering. Relief and cure is yours if you will only send for a bottle of GROSSMAN'S HEART TABLETS now, at once. ONE DOLLAR WILL DO THE WORK. Address your orders to
