Most any kind of boys clothing looks well until its put to the test. After that you know whether it's a "Progress" Brand or only an imitation. It's foolish to take chances—because it costs money.

The last Inter-Collegiate Football match this season, for the King Richardson Football Trophy, was played on the Mt. Allison Campus, Saturday Nov. 9th. The final result of the season is that the Trophy has not been won, but is merely held by the college last winning it. It still stands in the Mt. Allison Trophy Room. The three matches this season however are as follows:—University New Brunswick 3, Mt. Allison 0, Oct. 31, Univ. Acadia 0, Mt. Allison 8, Nov. 9th. For five years the cup has been up for competition. Once it was won by U. N. B. Twice it has been won by Mt. Allison, and twice merely held by Mt. Allison. The last match was one of the most exciting witnessed for years. The Mt. Allison team by superior strength and skill defeated the Acadia team in a hard fought battle, coming off the campus amid 600 cheers with the score 8 to 0.

At a Meeting of the Official Board of the First Methodist Church at Charlottetown held on Wednesday evening, October 30th, 1907, the President of the Conference in the Chair, it was unanimously voted that the following Minute be inserted in the records:—Whereas it has pleased Almighty God to remove by death the Reverend William Dobson, D. D. Superintendent of this circuit; The Board desires to express its profound sense of the great loss sustained by the church, the community and the country at large in the death of one so talented, useful and beloved as a clergyman, teacher, guide and friend. Of commanding and acknowledged ability as an orator, scholar and philosopher, the deceased held a foremost place among the great preachers and thinkers of our time and country. After seven and thirty years of unostentatious but heroic and successful service, as a faithful minister of the Word of Life, with honor and glory he has ceased from his labors. His ministry here will long be memorable in the history of this Church, and of this Island for the great impulse given by him to the study of the higher problems of thought, especially as related to Christ's teaching and man's happiness, duty and destiny.

The Board on behalf of all the members of the congregation would respectfully assure Mrs. Dobson of their sincerest sympathy with herself and her family in their great sorrow and bereavement, commending them to God and to the rich reward of His grace. John T. Mellish, (Sgd) Frederick S. Moore, Silas F. Hodgson, Committee.
