He leaves to mourn three sons and three daughters; Patrick, living at Keppock, Lot 48; Joseph in Ansons, Mont.; and John in Boston. The daughters are Mrs H. T. Lowe in New York; Mrs J. T. A. MONDAY evening in Wright's Hall, Victoria Division, S.O.T. celebrated their 58th anniversary by a concert and social. In opening the programme W. M. Rowe W.P., referred in fitting terms to the great loss the Order of the Sons of Temperance has sustained through the early demise of the late Hon. George Simpson, John P. Tanton, P. W. G. P. who gave the address of the evening, reviewed the history of Victoria division from its early days down to the present. David Small, G.W.P., on being called on, responded and feebly spoke of the sad death of their highly esteemed and respected brother. After a well rendered programme had been listened to, home made candy and fruit were passed around by the ladies of the division, while a gramophone under the direction of S. Whitlock discoursed popular music. After a pleasant evening had been spent the gathering dispersed feeling that they would look forward with pleasure to another anniversary of old Victoria Division.

There assembled a large audience in the Mark Hall, last night to hear the attractive program arranged for the concert in aid of the sufferers in the Summer-side Fire which recently laid waste a large portion of that town. As befitting a citizen's concert got up as part of Charlottetown's contribution to the Relief Fund the talent which assisted to make the program so successful and enjoyable was almost entirely local. Of the different numbers it is not necessary here to speak in detail. Those who have won favor before many critical audiences and who occupy the leading places in Charlottetown's musical circle, gladly volunteered their services and the concert was thoroughly enjoyed. It could not be otherwise with such names as the Misses Barje, Bremner, Harrison, Howard, Fitzgerald, Rattray, Paton, Furness, and Blanchard; and Messrs Earle, Vinnicombe, P. Bremner, Calder, L. Cook, Austin Trainor, Moore and Fullerton combined to give value to the vocal and instrumental selections placed before their audience. Prof. Watts' orchestra furnished their usual delightful instrumental music, and the necessary touches of originality were supplied by the clever work of J.A.S. Bayer, and the amusing pumpkin solo and chorus.

Good music in the home is invaluable. That Canadians of culture fully realize this is shown by the many homes that contain a HEINTZMAN & CO. PIANO (MADE BY THE OLDE FINE OF HEINTZMAN & CO.) It is a particularly fine instrument to sing, to as well as to perform on. The tone of the Heintzman & Co. Piano is delightful, the elasticity of action marvelous, every note ringing out in clear, pearly and limpid quality. It excels any piano I have ever used. - Atlantic. MILLER BROS., SUNNY-SIDE.

"FADDY" AND FREAKISH WARES.

The E. W. Taylor store is, as befits its age, rather conservative, rather shy of the "faddy," freakish things in jewelry that are in vogue to-day and out of it to-morrow - rather partial to solid, substantial worth as opposed to cheap, delusive glitter. We aim to keep up-to-date; but we never load our cases with what we know to be trashy, simply because it happens to be in fashion. Purchasers can place such faith in whatever this store recommends.
