### Men in Training

Fighting isn't the only duty of a soldier, and exposure to bullets is not as serious as exposure to all kinds of weather—and dampness. Rheumatic aches, sore and stiff muscles, strains and sprains, chilblains and neuralgia, all are enemies of the soldier, and the relief for all these pains and aches is Sloan's Lintment. Clean and convenient to carry or use; does not stain, and penetrates without rubbing. Generous sized bottles, at all drug stores. 25c., 50c., \$1.00.

SCHOOL CONCERT AND PLEASANT SOCIAL.—On Friday the 23rd, the pupils of North Pinette school presented a grand entertainment in Rosebery Hall, to a large and delighted audience and although mostly all appeared on the stage for the first time, they, without exception, acquitted themselves very creditably and merited the generous applause accorded them. The program was as follows: Opening chorus by the school, "Well Nover—Let the Old Flag Fall;" recitation, "The Old Flag Fall;" dialogue, "Dollie's Fortune," by Mary McLennan; "Florence Melrose," by Euphemia Pantan; recitation, "A Good Boy," by Willie McDonald; solo "You Mother Still Prays for You, Jack," by Florence McLennan; dialogue, "Susie's Lesson," by Euphemia Pantan and Willie McDonald; recitation, "Our Flag," by six pupils; solo, "Blue Bells of Scotland," by Caroline Buchanan and Eva Ross; dialogue, "How We Teased Fred," by Russell Pantan and Johnnie McEachern; recitation, "Anathema's Torment," by Euphemia Pantan; solo, "Sleep Battery," by Jack McDonald; dialogue, "Taking the Census," by Herman McDonald and Augusta Buchanan; recitation, "St. Santa Claus," by Johnnie McKenzie; solo "Just Before the Battle, Mother," by Carloline Buchanan; dialogue, "Patience Peggy and Bushful Jack," by Eva Ross and Jack McDonald; recitation, "A Crippled Dolly," by Florence McLennan; solo, "Silver Threads Among the Gold," by Eva Ross; dialogue, "Joan of Ark," by six pupils; dialogue, "The Patent Washing Machine," by five pupils; Negro motion song, by six pupils; "Keep the Home Fires Burning," by Mary McLennan and Carloline Buchanan; Good Night Drill by six pupils; closing chorus, "Do Your Bit" by the school. Much credit is due the teacher, Miss Stella Walsh, for her careful training of the scholars. Miss Olive Buchanan was organist, the baskets were auctioned by Mr. T. W. Morrison, and a snug sum was realized, which goes for school repairs. After tendering a vote of thanks to the teacher and scholars, and the singing of the National Anthem, all dispersed to their homes well satisfied with the evening's entertainment.

SCHOOL CLOSING.—The semi-annual public examination of York School was held in the schoolhouse on Friday, December 21st in the presence of a large number of rate payers and visitors. The school room was artistically decorated for the occasion. A pleasing feature of the event was a large Xmas Tree laden with gifts for the children. The pupils were examined by their teacher Miss Lucile MacMillan, ably assisted by Mr. Willie Godfrey and the trustees and acquitted themselves very creditably. The following program was presented: Mr. Heath Vessey, acting chairman, Opening Address by Leigh Brown, Chorus "The Christmas Well Come," Recitation by Ruth Brown, Motion Song by six girls, Recitation by Edith Hardy, Recitation by Doris Brown, Physical Drill by 12 boys, Recitation by Arthur Vessey, Chorus "O Canada," Recitation by Harold Vessey, Dialogue, "The Spelling Class," Recitation by Reginald Vessey, Christmas Drill by 9 pupils, Chorus, Merry Christmas, Arrival of Santa Claus and distribution of gifts and candy. Short addresses were given by Messrs. Vessey, Hardy, Brown and Godfrey, commending teacher and pupils on their excellent examination and program. They all joined in singing "God Save our King" and the school closed for the Xmas holidays.

RECALLING OLD TIMES.—The first real snow storm of the season set in last year, 1917, December 17th, the day after the awful disaster in Halifax. Twenty-one years ago, the day of the awful disaster in the capital city of this province a terrific snow storm swept over the maritime provinces, and the C.P.R. express was wrecked at Belmont, eight miles from Truro, and seven passengers were killed, viz: Engineer Sam Feder, of the wrecked train, Mr. MacLean, of P.E.I., Miss Craner, of Halifax and four others, whose names we cannot recall.—Turo Headlight.

EVERYBODY NEEDS PURE, RICH BLOOD  
Pure blood enables the stomach, liver and other digestive organs to do their work properly. Without it they are sluggish, there is loss of appetite, sometimes faintness, a deranged state of the bowels, and, in general, all the symptoms of dyspepsia.  
Pure blood is required by every organ of the body for the proper performance of its functions.  
Food's Sarsaparilla makes pure blood, and this is why it is so successful in the treatment of so many diseases and ailments. Its acts directly on the blood, ridding it of scrofulous and other humors. It is a peculiar combination of blood-purifying, nerve-toning, strength-giving substances. Get it today.

Thursday is the last day for receiving discounts on electric light bills for December lighting. Pay to-day and save money. 2047-1-8M31.

# 5 REASONS Why

you should use Zam-Buk instead of ordinary ointment.  
1st. Because Zam-Buk has superior soothing and healing power. This is due to its unique composition. Zam-Buk is composed exclusively of herbal extracts and vegetable oils and is 100% medicine.  
2nd. Because Zam-Buk cures are permanent. This is owing to the fact that the oils and extracts of which Zam-Buk is composed are so blended and refined that its power of penetration is extraordinary. While ordinary ointment remains on the surface skin, Zam-Buk literally soaks through to the underlying tissues, and destroys skin diseases at their very roots. In this way, only, can a permanent cure be effected.  
3rd. Because Zam-Buk is antiseptic. In other words germs cannot live where Zam-Buk is applied. This prevents any danger from festering or blood-poisoning.  
4th. Because Zam-Buk is pure. Its purity is due to its herbal composition, and this particularly commends Zam-Buk to mothers.  
5th. Because Zam-Buk is economical. Owing to its freedom from animal fat Zam-Buk cannot become rancid. It is, therefore, just as good to the last application.  
The reliability of this herbal remedy has established it as the household balm wherever it has been used. If you have not already tried it see our free trial offer below.  
Zam-Buk has been proved unequalled for eczema, ringworm, abscesses, ulcers, running sores, bad legs, blood-poisoning, piles, boils, pimples, burns, scalds and cuts. All dealers or Zam-Buk Co., Toronto. 50c. a box, 3 for \$1.25.

AUCTION SALE.—On Dec. 30th the forty-five visitors assembled in Brackley school were delighted with the entertainment provided by the children. They were also well satisfied with the pupils' ready answers to the questions asked by Miss McGuigan of East Royalty, by Miss Boates, of Central Royalty, and by Miss Vessey, of their former teachers. A number of the pupils were invited to do the bidding, which was very capable, and contributions were received from many who at the close of the sale had none of the fancy work. A handsome sum was realized, which will be used to establish a school library. After a treat of candy and nuts provided by the ladies and the teacher, Miss Cullen, the singing of the National Anthem brought the successful sale to a close.

FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR  
Save your hair! Make it thick wavy and beautiful—try this!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp of dandruff—that awful scrub. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—and any time—will surely save your hair.  
Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
