MOTHER! IF CHILD'S TONGUE IS COATED

IF CROSS, FEVERISH, CONSTIPATED, GIVE "CALIFORNIA SYRUP OF FIGS."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour. Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the California Fig Syrup Company. Don't be fooled!

Auction Sale of Farm, Crop, Stock, Implements, Furniture, Etc.

The undersigned will sell by public auction on Tuesday the 28th April 1914, commencing at noon, his farm on Baldwin's Road, Lot 51, consisting of 80 acres, 60 acres cleared and in a high state of cultivation, balance under hardwood. This farm is in a very desirable location, being one mile from "Perth" Station, and one and a quarter miles from New Perth.

On the premises are first class buildings—Dwelling house, Barn and Stables, Implement house, Piggery, Hennerly, Woodshed, and other useful buildings.

EDUCATED CLASS DECREASES

Feminist Movement Menaces Its Supremacy

Edwin Brant Conklin, head of the department of biology in Princeton University, in a lecture, declared that the time has come when society must take account of the immense importance of heredity in the development of an. "Hitherto all the attention of society has been fixed on education and environment," he said. "Hereafter, more attention must be given to improvements of heredity or eugenics." At the present rate of reproduction, Prof. Conklin said, the more highly educated classes would be unknown within a period of fifty years. Eugenics is right, he continued, in insisting that the higher classes pay more attention to reproduction. The lower classes are increasing in number and the outcome of it will be that the higher classes will be swallowed up by the lower, he said. Prof. Conklin decried the feminist movement of to-day, because it shows unmistakable signs of women escaping the duty of motherhood, a sign which means degeneration of the race in time, he said.

Largest Hats in the World

What would you think of a hat that was so large it would safely shelter your father, mother, sisters and yourself under it should a sudden rain-storm come up? The men of Korea like these enormous hats and would not feel properly dressed without them. These hats look like great flower-pots set on a round table six feet across. The crowns are nine feet in height, and three inches wide, much like a chimney on a one-story house. How do you suppose these large, round head coverings are kept on? Under the brim is a small, close-fitting cap, held on by a padded string which ties under the ears. The material of these hats is bamboo, so finely split that it is like thread; and, lastly, they are varnished to keep out the sun, and rain, and the wind.

Why We Guarantee This Stomach Remedy

If there are one hundred people in this town who suffer from indigestion, dyspepsia, or any other form of stomach complaint, we believe we can suggest a remedy that will relieve at least ninety-eight of them, and perhaps every one of the hundred. We'll do more than suggest the remedy—we'll promise to give back the money to each and every one of the hundred that are not relieved. That's how much faith we have in Rexall Dyspepsia Tablets. Containing Pepsin and Bismuth, two of the greatest digestive aids known to medical science, as well as other necessary ingredients, Rexall Dyspepsia Tablets soothe the inflamed stomach lining, aid the secretion of gastric juice, check distress and heartburn, promote regular bowel action and make it possible for you to eat what you like and as much as you like without fear of consequences. Don't suffer any longer from dyspepsia or indigestion. Use Rexall Dyspepsia Tablets, and you will be just as enthusiastic about them as we are, and just as ready to urge them on your friends. Sold only at the Rexall Stores, and in this town only by us. Three sizes, 25c., 50c. and \$1.00. McKinnon Drug Co.
