POLIO KILLS

In 1948, 73 Canadians died from poliomyelitis.

S'side Trade Board Activities

Following are summaries of reports submitted at the Summerside Board of Trade meeting held last evening.

Floor on Potatoes

In the report submitted by T. J. Inman, chairman of the Agricultural Committee, it was stated that the Federal Government had been asked to protect the potato producers with a floor price on potatoes. So far, however, the request has not been granted.

It was also reported that shipping facilities for potatoes from Summerside are inadequate, and that storage space is badly needed.

During the past fall approximately 100,000 live poultry were shipped by truck to Canada and the States, the outcome of the Agricultural Committee's request for the replanking of the lower rail deck of the car ferry.

Correspondence has been entered into with the hope of encouraging some firm to consider the processing of small fruits and vegetables at Summerside.

The report also considered it necessary that Summerside be linked up with the proposed trans-Canada highway, due to the present deplorable condition of the roads and the increased truck traffic.

Air Mail Service

The air mail service is most satisfactory stated Mr. A. M. Mellish, chairman of this committee, and there is little room, if any, for improvement. With three flights a day, incoming and outgoing, the committee has nothing but commendation for the service received.

The postmaster, Mr. W. A. Allen, reports an increase of approximately 20 per cent over the previous year. stated the report of the Mail Service committee under Mr. Donald Baker, chairman.

It was also stated that the new Post Office, after two years' anticipation, is about to become a reality. Work to begin as soon as conditions permit.

Summerside mail service schedule was announced as follows: Three air mails to and from the mainland, three to and from Charlottetown, and one despatch to New Glasgow daily and return by air.

National Affairs

The National Affairs committee, whose chairman is Mr. A. S. Hopkins, reported the receiving of 11 essays on "Canadian Heritage" in response to the contest, and the awarding of five prizes. Appreciation was expressed for the cooperation received from radio station CJRW, the Summerside Journal, The Pioneer, and The Guardian. Reference was also made to the committee's "Get Out and Vote" campaign held prior to the last Federal election.

TIGNISH C. W. L. MEETING

The regular monthly meeting of the Catholic Women's League, Tignish sub-division, was held on Friday evening, January sixth at the home of the president, Mrs. Joseph T. Arsenault.

Meeting was opened with the League prayer. The president then wished the members a Happy New Year, and also thanked them for the wonderful co-operation they gave in all League work and asked that they continue to do as well for the remainder of her term as president of the sub-division in order that all undertakings started within this term may be cleared up at the end of the year.

The recording secretary's report was adopted as read. The report given by the treasurer showed a neat sum of money on hand.

Correspondence read. A thank-you letter from Reverend Sister St. Henry, Superior of St. Vincent's Orphanage, Charlottetown, in appreciation for a box of clothing, candy and toys sent by the Tignish sub-division at Christmas time. Another thank you note from the pupils of the Dalton School for their Christmas treat, and several notes from members who were remembered during times when illness or death visited their homes.

The regular weekly cleaning of the sanctuary was reported done and small repairs made to vestments. Material for Albs is to be purchased and will be made up by the church convener and her committee. It was also reported that the Reverend Pastor had ordered the acolyte candlesticks which will be paid for by the sub-division.

Several sick members and aged persons were visited and given gifts to cheer their lonely hours. A successful bingo party was held in the Legion Home and several card parties were held in the homes of members. The Girl Guides were entertained at the home of a member during the Christmas time.

Meeting closed with prayer.

"SEALED VERDICT" AT CAPITOL, SUMMERSIDE

—The challenging problem of lonely American boys in the Army of Occupation in far-away lands, and the women with whom they become involved, is dramatically presented in Paramount's new suspense thriller, "Sealed Verdict," which comes today to the Capitol Theatre.

The film, based on the sensational best-seller by Canadian newspaperman Lionel Shapiro, is the first to come out of the much-publicized war crimes trials in Germany. It stars Ray Milland with Florence Marly, beautiful Continental newcomer to the American screen. The two are supported by Broderick Crawford, John Hoyt, John Ridgely and Ludwig Donath, the latter remembered for his wonderful portrayal of Jolson's father in "The Jolson Story."

The story is set in a small German city where several Nazis are being tried for their crimes, chief among them General Steigmann played by John Hoyt. Prosecuting the arrogant and unrepentant general is Ray Milland as Major Robert Lawson, an able American lawyer who succeeds in winning a conviction, which carries with it the sentence of death.

Far from feeling elated at the outcome of the trial, however, Lawson is beset by doubt as to the accuracy of the testimony of Steigmann's enemies. The doubt is born after a visit from the beautiful French model (Miss Marly), the only one to testify in the General's favor. In spite of himself Lawson's interest in the lovely woman becomes more and more personal.

TO THE ELECTORS OF THE TOWN OF SUMMERSIDE

Having served the Town of Summerside for twelve continuous years in the position of Councillor I have decided to offer myself as a candidate for Mayor. During those twelve years I have been a member of all committees and have been chairman of two of them. For a period of three months during the illness of Mayor Arnett and for various shorter periods I have been entrusted with the duties of Acting Mayor. I believe that this extensive experience in the affairs of the town entitles me to feel qualified to carry out the duties of Mayor if the citizens should decide to place their confidence in me.

I am deeply interested in Summerside and its welfare. I was born here and received most of my education here. My professional and business life has all been spent here. I have a deep interest in the welfare of this pleasant and prosperous community and would like to continue to serve it and its people.

Summerside is growing and expanding and has prospects of a prosperous future. In the years that lie ahead many improvements will have to be made and new facilities added for the benefit of the people. However, it will be necessary at all times, to keep in mind our ability to pay for these things and not overstep our financial bounds. We should have vision with caution.

In my years as Councillor I have endeavored to be conscientious in my attendance at council and committee meetings and in the performance of all my civic duties. If elected by you to the honored office of Mayor this will continue to be my motive and I shall consider it my duty to serve the people as a whole and not any particular group. I shall endeavor to increase, if possible, the spirit of co-operation and of good will that now exists among our citizens.

HENRY WEDGE.
