THE GUARDIAN'S BICYCLE ROAD RACE

The date of The Guardian's bicycle road race has been definitely fixed for Monday August twenty-four. If this date should prove unfavorable the race will take place on the following evening.

Entries are to be confined to Prince Edward Island riders alone.

The race is for The Guardian's three-year trophy, but in addition there will be a number of other prizes which will be announced in a few days.

The course begins at The Guardian office in Charlottetown and follows Grafton Street to Great George Street, thence continuing on to the Upper Malpeque Road which it follows to this side of the road to the left, which runs alongside Moore's Mill steam and on to Warren's Corner, North River. From this corner the course will be across the North River Bridge to the Royal Arms, thence by Lower Malpeque Road to Brighton Road following Brighton Road out to the shore, then taking the Park Roadway, following the same round the Park and so to starting place—16 miles.

H. H. Brown is certainly the only date Clothier.

CROW'S NEST COY TO REBUILD

TORONTO, Aug. 10.—The first important step toward repairing the damage done by the awful fire at Fernie was taken yesterday when the directors of the Crow's Nest Pass Coal Company met and gave Mr. Lindsey, the president of the company, who is at present in Fernie, authority to go ahead with the rebuilding of the parts of the plant that were destroyed by the fire.

Although no fixed appropriation was made, it is estimated that the cost to the company for the rebuilding and refitting will be in the neighborhood of fifty thousand dollars and did considerable damage to the coke oven plant and other equipment, the total loss being placed at about two hundred thousand dollars. There was about one hundred and fifty thousand dollars insurance held on the plant. The work of rebuilding will be started immediately.

PLEASANT ENTERTAINMENT.

The guests at Pleasant View Hotel, Hampton Beach, which has filled to its utmost capacity all season, have been enjoying a continued round of entertainments and outings,—in addition to the daily fishing trips, drives, sea-bathing and berrying. Last Saturday a Croquet Tournament, in which all the guests participated, was won by Mrs. J. B. Macaine of Salt Lake City, Utah; and on Wednesday evening a Fancy Dress Ball was given, with remarkable success, considering that no one had come prepared with costumes, which had to be manufactured at short notice, and great ingenuity was displayed in arranging and dressing the various characters. Especially worthy of mention were:—Uncle Sam and Martha Washington, George E. and Mrs. Wales of Boston, Mass.; a "Lady of Ye O'den Time," Mrs. E. M. Carey, wife of Archdeacon Carey of Kingston, Ont.; The Heavenly Twins, Mrs. Edward L. Britton of Ottawa, Ont.; and Mrs. George Bracken of Toronto, Ont.; Marie Antoinette, Mrs. Arthur McMaster of Toronto; Lady Gainsborough, Miss F. Lang of Toronto; Josiah Allen's wife, George Bridgen; Buster Brown, E. L. Boston; Heien of Troy, Miss K. L. Stanley of Charlottetown; The Nurse Maid, Mrs. John Cotton of Ottawa; The Nun, Miss Chambers of Ottawa; The Peasant Girl, Miss Heien Smith of Hampton, P. E. I.; Japanese Ladies, Miss Grace K. Bourne and Miss Masters of Ottawa, Ont.; Miss Katie Steele of Toronto, Miss M. Stevenson of Newton, Mass., Miss Helen V. Norton of Charlottetown; The Somnambulist, Harold Stanley, and The Indian, Webb Stanley of Charlottetown; Mary and her Little Lamb, Miss Edna Smith of Hampton; Columbia, Miss Edna S. Danlop of Meriden, Conn.; Jack Tar, Miss Margaret Laidlaw of Toronto; and Little Buttercup and Dick Deadeye of "Pinafore" fame, Charles A. and Mrs. Glyn of New York. The "bits" of the evening were Dick Deadeye and Mary's Little Lamb, which was a real pet lamb, borrowed for the occasion. Mr. Glyn acted to perfection the part of a British Sailor, making much fun for all, and capping the climax, persisting in escorting the nun home. A "Mock Trial by Jury" took place on Thursday evening. The judge was impersonated by Mr. Glyn, who never for one moment relaxed the severity of his countenance, or the dignity of his bearing, even when the whole courtroom was in an uproar of laughter. Some of his rulings were very humorous. The prisoner, Webb Stanley, was accused of sheep stealing. The attorneys for the Crown were W. Masters of Ottawa; Archdeacon Carey of Kingston, Ont.; and Hon. Matthew Smith of Hampton; for the defence, John B. Rackliffe of Salt Lake City, Utah, Mrs. McMasters, and Mrs. E. E. Stiles of Smith's Falls, Ont. George E. Wales was Sheriff. The entire trial was conducted with great solemnity, and in accordance with the regular court procedure. After the prisoner had been pronounced "not guilty" by the jury, he was sentenced to imprisonment for life by the judge. A picnic has been arranged for Friday, but was postponed on account of heavy rain.

ONE FATALLY HURT IN AUTO ACIDENT

WELCOME TO THE U. S. WARSHIPS

AUCKLAND, Aug. 10.—The Dock which was printed by the government for presentation to the officers of the American battleship fleet as a souvenir of their visit here, contains the following greeting, written by the prime minister, Sir Joseph G. Ward:

"No visit of foreign warships was ever so welcome as is yours today. In receiving the fleet a sense of kinship stirs the hearts, for we feel that the greatest nation of the west has come to visit us, being the visible embodiment of its might, majesty and dominion. "President Roosevelt, in act and word of his life work, reflects and voices our national ethics and aspirations. The name Roosevelt in New Zealand stands for national righteousness and is cherished, honored and revered; the fleet stands for peace, justice and freedom. These are the thoughts and feelings that are stirring our hearts today."

Ruberoid Roofing

Trade Mark Registered Made in Canada

16 Years on the Roofs

After all, the real test of a roofing is the wear. Of what use is a guarantee that "it will last a lifetime" when the roofing itself has been made only a few years—and even the makers cannot say, from actual experience, just how long it will last?

RUBEROID has been used on roofs for 16 years. It has proved its wearing qualities in the Arctic and the Tropics. It is the original smooth surfaced roofing and is today the standard the world over. Write for samples and prices.
