A Good House Needs the Best in Plumbing

No matter how much money you spend on that house it is not really up-to-date, it is not as comfortable, convenient and sanitary as it should be until you have equipped it with a first-class plumbing system.

PRINCE EDWARD ISLAND AS A SUMMER RESORT

THE LAND OF PURE DELIGHT FOR TOURISTS AND HEALTH SEEKER

SOME OF P. E. I. ATTRACTIONS

Prince Edward Island is the best spot on earth in which to spend a vacation. It is more, it is the ideal land we've all heard and sung about in the halcyon days of childhood and youth.

A LAND OF BEAUTY

Three hundred and seventy-eight years ago Jacques Cartier wrote: "All this land is low and the most beautiful. This is a land of the best temperature which it is possible to see."

A LAND OF HEALTH

In no country does so large a proportion of the people live to a green old age. Only about one per cent of the population dies each year.

A LAND OF ABUNDANCE

In no other country is there greater abundance of the best food and of clear, sparkling water in town and rural districts alike.

AGREEABLE SOCIAL CONDITIONS

The Island is socially a land of the golden mean. Few are very rich and almost none are poor.

POSTAL AND OTHER FACILITIES

There are 468 post offices—one to every 4 1/2 square miles. Throughout a large part of the Province there is free delivery of the mails daily at the farmers' road gates.

SOME SPECIAL ATTRACTIONS FOR TOURISTS

ON THE NORTH SHORE: The rampart of sand dunes, fifty miles long, thrown up by the waves. The long shallow lagoons inside the dunes, the haunts of fish and waterfowl.

IN GENERAL

Surf bathing and sheltered sea bathing. Shooting wild geese, duck, brant partridge and plover in their season. Fishing brook and sea trout, mackerel and other sea fish.

IN CHARLOTTETOWN

Victoria Park, 60 acres within ten minutes' walk of the Post Office. Beautiful walks and drives, tennis courts, cricket and baseball.

THE FOX RANCHES

Tourist visitors and investors will find great interest in seeing the scores of fox ranches that are thickly dotted over the western and central portions of the Island.

Apply Zam-Buk to all wounds and sores and you will be surprised how quickly it stops the smarting and brings ease. It covers the wound with a layer of protective balm, kills all poison germs already in the wound, and prevents others entering.
