SERIOUS KITCHEN ACCIDENT

What Zam-Buk Saved A Lady.

Mrs. Fredk. Bryant, of 163 Railway Ave., Stratford, spent dollars trying to get well, but failed until she tried Zam-Buk. It was this way: "I was in my kitchen preparing supper," she says, "when I upset some boiling water. It fell upon my foot, scalding it badly. Next day the skin came off the foot, and it was so painful I could not walk. I treated it, but instead of getting better it got worse, and finally I had to go to my bed. I was laid up for nine weeks, and in that time I tried all manner of so-called remedies. I had embrocations, dozens of salves, I think, and lotions, but the scald developed into a running sore. I was about beaten by it, when a friend advised me to try Zam-Buk, and I did so. A few applications had the effect of soothing the pain and giving me what I had not had for weeks—a little ease. I persevered with Zam-Buk, and day by day the running sore seemed to get less inflamed and less painful, and the Zam-Buk drew away the poison and reduced the inflammation. In a very short time healing commenced, and rapidly continued until the sore was completely healed. I would hardly have believed that any preparation could have done for me what Zam-Buk did, and I shall never be without a supply in the house."

OVER TWO HUNDRED INJURED.

FRANKFORT, Feb. 22—Investigation today develops that there were many more casualties in last night's rioting than at first had been supposed. Many of the wounded avoided the hospitals, receiving treatment from private physicians, in order to escape any possible legal consequences involved.

There was a man here suffering from eczema for the last fourteen years, and I applied the D. D. D. treatment. I also applied it to a man of West Duluth, Minn., who has been suffering with Eczema in his feet, and the second treatment in both cases cleared the skin almost absolutely.

No matter how terribly you suffer from eczema, salt rheum, ringworm, etc., you will feel instantly soothed and the itch allayed at once when a few drops of this compound of oil of wintergreen, thymol, glycerine, etc., is applied. The cures all seem to be permanent.

THE MORNING PAPER. Some Reasons Why it Makes The Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, forces her to read it.

The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and in the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered, for the day or week.

In a majority of homes the newspaper is practically the bulk of the reading matter, and the long, all-day life from 5 a. m. to 10 p. m. of

NEW SPRING COTTONS AND LINENS.

Wise women who, when occasions arise, always seem to be ready for them, are already alive to the fact that Easter comes this year almost three weeks earlier than usual. They have a special interest in these early showings of the new spring cottons and linens, and today from among these new fabrics we have chosen for special word a number that are notably little priced. Paton's.

Thanks

We desire to thank all who contributed toward OUR INCREASED BUSINESS for the past year and trust that with an effort to please and to give the best value for every dollar, we will be favored with your continued patronage.

With best wishes to all for a happy and successful new year. W. N. TANION Jeweler

IN MEMORIAM

The Guardian regrets to chronicle the death of Capt. Neil Campbell, of the late Malcolm Campbell, of Uigg, which occurred recently in Oakland, California. Though absent from his native province since 1883, in which year he sailed from Boston, Mass., as master of the brig "Hector" for Melbourne, Australia, his memory is cherished by many to whom he had endeared himself by his kindness of heart and manliness. He followed the occupation of his choice with much success in Pacific waters, and of late years was master of the ship "James Nesbitt." He was about to pay a visit to the home of his boyhood, and his home-coming was eagerly awaited by his aged mother, sisters and brothers; but God had willed otherwise and called him to the better and eternal home. He was buried in Oakland. His funeral was very largely attended. Eight fellow-captains acted as pall-bearers. He leaves a wife and one daughter who frequently accompanied him on his long voyages.

PHILADELPHIA RIOTS.

PHILADELPHIA, Feb. 23—Three boys were shot, and probably fatally, while several received less severe wounds in the riots which followed the resumption of service by the Transit Company.

The shooting occurred in attacks on the cars. Preparations have been made to call upon the entire force of the State Militia, if the police should still be unable to cope with the situation.

Balsamic Essences

Make Wonderful Cure for Catarrh, Colds, Bronchitis, Throat Weakness.

To cure an ailment in the throat or chest, to rout out Catarrh or Asthma, it is essential that the medicine be conveyed direct to the affected parts. This is why no other remedy has achieved such world-wide success as Catarrhazone, which alone can be breathed in one second to every cell in the breathing organs.

Catarrhazone has entirely displaced the old-fashioned remedies, such as cough syrups, sprays, tablets, and sedative powders. It contains none of the opium, chloral and drowsy narcotics, so commonly found in liquid cough and catarrh remedies.

THE MORNING PAPER gives not only the housewife but every member of the family an opportunity to read it.

The Morning paper is read at the breakfast table, again at home at noon, on the trains, in the restaurants. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employee.

It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are Morning Papers.

With these facts in mind, the business man who is looking after the real money-spenders of the family to interest in his goods will consult his best interests by placing his announcements where the women will read them.

AFFAIRS MORE PROMISING.

LONDON, Feb. 23—Without any actual change in the situation, the outlook is more hopeful for the Government.

Both the Nationalist and Labor parties are aware they have little to gain by throwing out the Government, which would lead to a dissolution and the victory of the Conservatives at the next election.
