

YOU NEEDN'T DESPAIR

Here's an Offer that Should Interest Sufferers of Skin Irritation.

First of all we want to explain that the remedy we are about to tell you of carries our promise of money back for the mere asking to anyone not thoroughly pleased with its use.

Parasites or germs cause eczema, and eczema is probably the most prevalent cause of all skin ailments.

To overcome them, the remedy must of necessity destroy or remove the parasite or germ before relief can be obtained.

Possessing remarkable antiseptic, germicidal, cleansing, soothing and healing power, the curative value of Rexall Eczema Ointment is very pronounced in the treatment of eczema and allied skin disease, whether of the dry scaly sort, the weeping type, where there is a flow of ill-smelling excretion, or the intermediary kind, such as pimples, blotches, discolorations, ringworm or acne.

It is very useful for treating hives, nettle rash, insect bites and wounds. It is ideal for the skin ailments peculiar to children.

Rexall Eczema Ointment is grayish-white in color, has a pleasant odor, and is very cleanly for use. If you are a sufferer of skin irritations or eruptions in any form whatever, we urge you to try a box at our risk.

At the mere hint of dissatisfaction you may have your money back. Two sizes, 50c and \$1.00. Remember, it is only sold at our store—The Rexall Store, MacKinnon Drug Co.

Is that lonely Grave Marked?

There's no reason why that grave shouldn't be suitably marked—by a self-esteem and respect for the departed's memory, if nothing else should prompt you to do what is right.

And there's no reason why the memorial stone should not be handsome and well made for our prices and terms could not be more reasonable in headstones, monuments and grave covers we are sure we have the most beautiful and finely finished ever shown here. Call or write for designs and prices.

In the July number of the Methodist Quarterly Review (American) the first contribution of the twelve articles which make up this issue is from the pen of Rev. W. Harrison of Grace Church on "The Prince of Modern Preachers." It is a sketch and estimate of the late Rev. Dr. Alexander MacLaren of Manchester, England, the man who by the preachers themselves, is considered the greatest Preacher of the Generation. The article fills twelve pages of the Review and sets out the various qualities which distinguished the man and the preacher who won such admiration in his chosen sphere. Dr. MacLaren belongs to the Baptist Church but in a very real and true sense he was claimed by all the Christian churches as the prince of expositors and as a preacher whose life's work was the inspiration and edification of all.
