CAPT. The Wenonah which is owned by O'Toole & Sons, Louisburg, has been floated and will be laid up at Sherbrooke for the winter. Capt. He left for his home today.—Sydney Record.

The Islanders' Reunion and Summer Carnival to be held in Summerside from the 11th to 23rd of July next promises to be the grandest affair ever held in this province. Already hundreds of Islanders, and strangers as well, have signified their intention of visiting the Garden of the Gulf at that time. Souvenir postal cards and printed envelopes advertising the event have been issued and are being circulated all over the continent, and every effort of the Improvement and Tourist Association is meeting with encouragement both at home and abroad. During the dates above mentioned it is expected that thousands of Islanders and strangers will visit our province and the Association, alive to the necessity, is making efforts to provide accommodation for the crowds who will visit here next July.

The little one referred to in the following letter died at her home at Cape Wolfe on Nov. 23, 1903, aged nine months.

To the father, mother, brothers and sisters of Marjorie Gladys Costain.—Dear Friends:—We, the members of St. of Hope Division, desire to convey to you an expression of our sympathy because of the event, which has brought sorrow to your hearts. While we reverently acknowledge that He who has taken to himself the soul of the beloved little one, doeth all things well, we know that the living members of the thus broken band weep over the absence beyond recall of her whose sojourn here was so brief. But we trust that beyond the night of this dark cloud you see that death came as the messenger of peace to call her sinless soul to a sinless world; and that the tender bond which no longer draws you to earth has become a mighty chain reaching up to that home whither her pure soul has been waded, there to be happy forever. May He who speaketh once you twice, who saith, "I even I am He that comforteth thee," the Father who giveth ever lasting consolation, support you with this bright hope now and till the great day of meeting. Signed in behalf of Division, Faubie Crossman, James Hoggood, S. McEabern.

### Are You Troubled by Sleeplessness?

Over-wrought Nerves Cause the Trouble—Build up, Fortify the Nervous System with Ferrozone—Then You Will sleep soundly.

There is probably no remedy that soothes the nerves and drives away those long nights of wakefulness like Ferrozone. Everybody whose sleep is restless should take Ferrozone like Mr. J. H. McEaw, who writes from Saskatchewan as follows:

"I was bothered with insomnia last summer to such an extent that my health almost broke down. I was frightfully nervous. It had gone on much longer than I would have been a physical wreck. I read about Ferrozone, and concluded it was the sort of remedy I needed.

It brought six boxes, and took one tablet with every meal. A change was at once noticeable. I no longer laboured under such great mental excitement, and was able to take things more quietly. Ferrozone improved my digestion, I picked up in spirits and strength, and in a comparatively short time sleep came to me like a blanket. I touched the pillow. Ferrozone completely rehabilitated my system, and has made me a different sort of man altogether.

Don't wait until your condition becomes nervous prostration; it's hard to cure. Take Ferrozone regularly and the cause of your sleepless nights will be removed. It always cures insomnia.

Ferrozone is the greatest health-giver, the most valuable tonic, that money can buy. It will bring you lasting strength, vigor and health, at small cost. Only Ferrozone can do this so be sure that no dishonest dealer substitutes something else for it. Just as gold. No other remedy is so good as Ferrozone. Price 50c. per box or six boxes for \$2.50, at all druggists or N. C. Polson & Co. Kingston, Ont.

There is a SOMETHING about VIM TEA that is to be found in no other tea," said a Saint John lady to a grocer the other day. She did not know exactly what or how to describe the difference, only there was a "something" VIM TEA had that other teas lacked. That something was a little more QUALITY.
