Hangman's House Scores Big Hit With Star Cast

DONN BYRNE'S NOVEL
SCREEN TRIUMPH NOW
PLAYING AT THE PRINCE
EDWARD.

Based on Donn Byrne's best-seller, "Hangman's House" is typically Irish and, in common with virtually all pictures directed by John Ford, is packed with human interest and bristles with action.

Briefly, the story is that of an adamant old Irish Chief Justice who, as "Jimmy the Hangman" insists that his one daughter shall wed a man she dislikes rather than the man of her choice, in the person of Larry Kent, who is cast as Dermott McDermott.

Unique Use For Second-Hand Car

(Special to the Guardian)
ST. THOMAS, Ont., Aug. 6.—The department of agriculture representatives in this city reported Saturday that they have discovered a very ingenious farmer in East Elgin. He has installed the front part of a second-hand automobile in his barn, connected the carburetor with a natural gas line and operates his milking machines, an eight inch grinder and other farm machinery with the power thus generated.

The engine runs glibly on natural gas, after being started with gasoline. The outfit is controlled by the switchboard and gear shifts that were on the automobile. The farmer's entire investment was less than \$50.

Don't fail to study yourself, if you would know others.

GOLF

The first round of the W. K. Rogers trophy match which was postponed on Saturday because of rain will be played during this week and players please note that these matches must be played off before Saturday.

The following draw was made:
C. C. Archibald vs. Dr. C. H. Beer
C. Cameron vs. J. O. Campbell
Ben Conrad vs. E. G. Gonsaulus
J. P. Hillion vs. G. Hughes
A. W. Hyndman vs. C. L. Jenkins
Rev. Scott Fulton vs. M. MacKinnon
M. B. MacKinnon vs. H. P. MacLeod
K. W. Martin vs. L. D. Murray
E. D. Nicholson vs. A. V. Saunders
W. F. Taylor vs. W. K. Rogers
H. W. Weeks vs. C. C. Toombs
L. E. Wellner vs. E. Wellner

Yesterday a match that aroused much interest was played by Charlie MacKinnon and E. Gonsaulus in an endeavour to decide who was to be the possessor of the President's prize for 1928. The match went through four stages and a large number of golfers competed each and every stage. When the smoke of the battle and the dust of divots was finally cleared away Charlie and the genial American Consul had both amassed eleven points, each out of a possible of twenty. Then the two lusty club wielders went out to decide the issue and after eighteen holes medal score found themselves still tied, which reflects credit on the handicap committee, one which was a very difficult and thankless task to perform. However yesterday Charlie valiantly upheld the honor of Canada and justly won Mr. Gonsaulus by two strokes, the scores being:

	Gross	Net
MacKinnon	85	81
Gonsaulus	89	83

Notes
Vic. Saunders has been busy practicing for the Amateur Championships at Summerside. Vic will make a fourth on a Maritime team which will compete in the interprovincial foursomes. Nearly every province has entered a team and he meets seems to be assured of success. Other members of the Maritime team are—Tom McAvity, (1927 Maritime Golf Champion) E. J. Thompson, the Johnny Farrell of the Maritimes and Don. McNaughton the sorrel topped youth who started the fans at Brightwood by overdriving a three hundred yard hole.

ISLAND LEAGUE ART DUFFEY THIS EVENING ONCE GREAT SPRINT STAR

Abegweits And Summerside Open A Six Game Series For Provincial Title At Abegweit Grounds.

Summerside and Abegweits according to the schedule, open the 1928 Prince Edward Island baseball league at the Abegweit Grounds this evening. A series of six games will be played, home and home, for the baseball championship of the province and the right to play the Nova Scotia-New Brunswick winners for the Maritime title.

The western team are a fast and snappy aggregation of ball tossers and are confident that they can make the local nine step all the way for the honors.

The Abegweits of this season have perhaps the peppiest bunch of ball players in years, as has been clearly demonstrated in their recent double header with the fast travelling Amherst ball team.

Interest has been lacking more or less in baseball hereabouts, especially during the latter games played in the City League, therefore it is hoped that a revival of enthusiasm by the fans will be greatly manifested throughout the above mentioned series.

The game tonight is deserving of a large crowd.

With a few days to accustom themselves over the Summerside Links the writer believes that these four representatives will all give good account of themselves. If McNaughton who is only 19 can throw off that nervous tendency which seems to come over him at crucial stages the writer predicts that he will make the best showing of the four. An exceptionally long driver, combining a like skill with his iron, there is no reason why this Moncton lad should not make them pay strict attention to him.

Maritime golf enthusiasts wish the team the best of luck and the Guardian is sure they will make a very creditable showing.

If the wild waves really say anything, they probably tell fish stories. There is no earthly love so true and inexpensive as a mother's love. Some men never have any respect for gray hairs until they acquire some of their own. If a man would get along smoothly he must do his level best.

TO WHOM IT MAY CONCERN:
This is to certify that I, Margaret McInnis, wife of Patrick McInnis, Elliotville, P. E. I. did start a false report about John Lafferty and I do hereby apologize for same, in regard to scandal and impure actions with a certain party. I did it with the intention of blackening his good name and to ruin the good reputation and character of the said John Lafferty, his father and other members of his family for which I had no reason to do, and I deeply apologize for doing such a low, mean and contemptible action and I earnestly trust and pray that the same will have no lasting reflection on the good name of John Lafferty, his father or any other member of said family and I agree to pay the cost of this advertisement and the trouble I have caused the said family.

The Montreal Standard says: Arthur Duffey will be the Honorary Referee of Canada's Grand Olympic Carnival at Pictou, N. S., August 29th, and at Halifax, Sept. 1st. He has the unique honor of being the first human being to run 100 yards in 9-3-5 seconds. Duffey made this memorable feat in the E. C. A. A. A. Championship at the Berkeley Oval, New York City, on May 30, 1902. At that time he was a student at Georgetown University, and not only defeated the greatest amateur runners of the day at that time, but four watches were on him, and three registered 9-3-5 seconds, and one 9-2-5 seconds.

It is the consensus of opinion that had Duffey been timed with a 1-10 second watch, such as is in vogue today, his time would have been 9-2-5 seconds, or at least 9-5-10 seconds for the route. The starters in that race were Schick of Harvard, Moulton of Yale, Westney of Pennsylvania, and Cadogan of California, and Duffey himself. A funny thing about the race was that when all the runners came up for the final, they began to congratulate Duffey on going to break the record before the gun was fired. In talking of the race afterwards, the then "Fastest Human" said that he did not receive his accustomed good start. The loose ground gave way when he made his first lunge, and he was third at the half mark. In a way his being behind urged him on longer, and this accounts for his feat.

Many Other Records
This remarkable runner also held all the records from 50 yards to 120 yards. He was timed in five seconds flat for 50 yards; 60 yards in 6-1-5 seconds; 75 yards in 7-2-5 seconds; and 100 yards in 9-2-5 seconds, and was holder of the 120 yard mark for a while at 11-2-5 seconds. He also has run 100 metres on grass in 10-3-5 seconds, and 10-4-5 seconds respectively. He was a member of the American Olympic team in Paris in 1900.

Duffey was four times British champion, and the only runner to win the British Championships for four years in succession. He was three times Intercollegiate Champion, and was a recognized World Champion from 1901 to 1905.

After winning all the athletic honors in this country and abroad, he was invited, along with Alfred Shrubbs, the British long distance champion, to tour Australia and New Zealand. These two champions went to the Antipodes, and swept everything before them in the sprints and long distance events.

Against Frank Stephens
When Duffey was a starter in the American A. A. A. U. Championships in 1899 at Riverside, Boston, he competed against Frank Stephens, of Halifax, N. S., who was then the recognized Maple Leaf title-holder. Duffey successfully defeated Stephens, though the Nova Scotian gave him a hard run.

In running togs, Duffey weighed 140 pounds. He stood 5 feet 7 in., and took one of the longest strides. His feat was startling, though he was known as a terrific finisher when he was behind.

Much discussion has arisen as to whether America's "Fastest Human" of 35 years ago was as fast as either Charlie Paddock or Frank Whycoff of California. There is no real way of telling, but old-timers agree that Duffey was without an equal in his best days as a sprinter. He was the most consistent winner of them all.

Duffey is now married, and the father of five children. He is one of the sporting editors of the Boston Post. He will leave Boston around August 26 for Pictou, N. S., where he will meet the Canadian officials of the coming games, and a business of telling, but old-timers agree that Duffey was without an equal in his best days as a sprinter. He was the most consistent winner of them all.

Canadians Do Well

AMSTERDAM, Aug. 6.—Canadian athletes won 4 out of about 18 events that they competed in, during the track and field program of the ninth Olympiad.

The Canadian achievements of this portion of the Olympic games, which concluded today were as follows:
Percy Williams, Vancouver, won 100 and 200 metres sprints.
Ethel Catherwood, Toronto, won women's high jump with new world record.

Fanny Rosenfeld, Ethel Smith, Jane Bell and Myrtle Cook, Toronto, won women's 400 metres relay event in world's record time.
James Ball, Winnipeg, was second in the 400 metre race.
Fanny Rosenfeld was second and Ethel Smith third in women's 100 metres.
W. A. Wilson, Montreal, Phil Edwards, Hamilton, S. B. Glover, Edmonton, and James Ball, Winnipeg, were fifth in men's 1600 metres relay event.
Phil Edwards was fourth in 800 metres race.
Victor Pickard, Hamilton was fourth in pole vault.
Jean Thompson, Penetang, was fourth and Fanny Rosenfeld fifth in 800 metres.

John Fitzpatrick, Hamilton, was fifth in 200 metres dash.
Wrestling team was fifth in International standing.
Cliff Brieker, of Galt, was tenth in marathon.

Flash, Leigh Miller, of Halifax, N. S., and Howard McCurdy, of Sydney, who will both make an attempt to break the Maritime record which is ten seconds flat, and which has for the last 25 years been held jointly by the following: Frank Stephens, F. O. Shaeffer, of Halifax Wanderers, and Leigh Miller, ex-Dalhousie star, and James Humphrey, of Moncton, N. B.

Gene Tunney Retires—Who Will Be Next Heavyweight Champion?

The passing of Gene Tunney as heavy-weight champion is a source of genuine regret to all sportsmen and devotees of the boxing game. Making his bow at the time, after a convincing display of his prowess as a fighting champion is but another thing, veiling on the onset of hero-

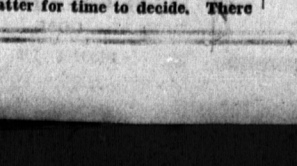

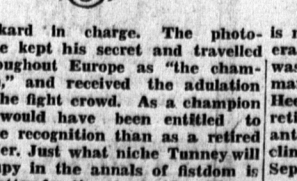

Richard in charge. The photograph has kept his secret and travelled throughout Europe as "the champion," and received the adulation of the fight crowd. As a champion he would have been entitled to more recognition than as a retired leader. Just what niche Tunney will occupy in the annals of fistdom is a matter for time to decide. There

SOME SPEEDY PERFORMERS AT NEW ANNAN

As the time draws near for the starter's bell at New Annan, the excitement increases. Never before has New Annan provided such a galaxy of speed stars as will perform there on Wednesday afternoon.

Just take a brief glance over the performers.
Free-for-all—In this event there will be Tarzan Grattan, 2:02 1-4, sold for \$15,000 two years ago on the eve of the Kalamazoo Derby, the next day going out winning the event for his backers in a sensational race. Last year he stepped the Atlanta, Georgia, track in 2:02 1-4 one of the fastest heats paced in the United States last year.
El Verso, 2:05, over a half mile track is a horse that has beaten some of the very best half milers in the world. On Jan. 15, 1924, he lowered the world's pacing record on ice to 2:10 3-4. Lambert Todd, 2:02 1-4. This horse was a sensation on the Grand Circuit with Tommy Murphy, and up to last year was practically unbeaten over the twice-around. Quinla, 2:04 1-4, raced successfully in 1926, but owing to lameness was not much of a factor in 1927.

In addition to these horses there are others entered in the free-for-all that should make things interesting.
2:29 Trot and Pace—A great fight in this race should be between Capt Mack and Major Aubrey. They seem to stand out in the picture and no doubt will stage a terrific duel. Fred Medium, Princess Aubrey, Marge Fred, Teddy Jackson and others will help along the fray.

CANADIAN SCULLERS ARE STILL IN THE RUNNING

(Canadian Press)
AMSTERDAM, Aug. 6.—By T. H. Hoek and Veiga of Germany to London, C. P. Correspondent.—Both day, but will get another chance in the Canadian doubles team and Joe keep in the running tomorrow. J. Wright, Jr., singles sculler are still Wright today defeated Berasconi in the race for the Olympic scull—Italy and thus kept in the running honors along with the Argonaut after a defeat by Straub of Hungary Club from Toronto. The doubles on Saturday.

Joseph Schildkraut And Lya De Putti In Stirring Drama
When Joseph Schildkraut starred in "The Highwayman" in New York and on tour, he could not foresee that he was destined to be featured in the same role on the screen. The play which has been screened by Metropolitan under the title of "The Heart Thief," presents Mr. Schildkraut in the featured leading man's role and featured with him are Lya de Putti, the famous Hungarian actress who triumphed in "Variety," and Robert Edeson, one of the most popular figures of the American screen.

The story deals with the love romance of a Hungarian peasant girl, a gambler and a nobleman. There are numerous dramatic and thrilling scenes, and in the course of the action Mr. Schildkraut fights two duels. Miss de Putti is afforded many opportunities for the display of her mimetic talents, which are of a high order. The supporting cast includes Charles Gerrard, Eulalie Jensen, George Rehm, William Bakewell and others.

The story was written by LaJos Biro, a famous Hungarian dramatist and the picture will be shown at the Capitol today and Wednesday.

The "Our Gang" kids live up to their reputation in the hilarious comedy "Telling Whoppers."

McDonald vs. Mitchell August 15th
SYDNEY, Aug. 6.—The ruling of the Halifax Boxing Commission, which prevented promoter O'Neill from staging a return match between Roddie McDonald and Roy Mitchell in Halifax has gotten under the skin of every real boxing fan in Cape Breton, and the fight fans and business men of Glace Bay requested that promoters in the town stage the return match there. Melville McPhee, energetic match-maker for the Police Club of that

but the two first named should supply the fireworks.
2:29 Trot—This will be a nice little fight between a bunch of good trotters. It looks as though Igo from the Reed stable, Maine, should top the summary, but Davenport Prince, Donna Harvester and Mack Todd will chase him lively.

Altogether the program is one that is well balanced and intended to give the maximum of thrills, so on time at New Annan. Don't miss the first heat which will be run off at 2 o'clock sharp.

SPRING VALLEY, N. Y., Aug. 6.—Tom Heene, the solid man from Down Under, will take a bride instead of the heavyweight crown back home to New Zealand.

Heene, who recently was defeated by Gene Tunney, in a match for the heavyweight title, was married Thursday night, to Miss Marion Estelle Dunn, of Spring Valley. Miss Dunn gave her age as twenty-four. Heene and his bride met several months ago while the rugged Anzac was hitting his way through the ranks of the so-called logical contenders in Tex Rickard's elimination tournament, period, for the title. Several times during his training period, for the championship, he visited Miss Dunn here.

is no doubt that Gene did much to erase the general opinion that he ran, light heavyweight champion, in a manner in which he handled Tom Heene, the retiring champion; 4. Sharpening the key, next claimant; 5. Godfrey, old-time heavy-weight champion, who is in Toronto on the 14th; 6. A climatic tournament will start in Palmyra, Canadian aspirant; 7. September in New York with Tex Paolino, the Spanish wood-chopper.

place lost no time in signing Roddie. McPhee journeyed into Sydney to see Mitchell's manager, Frank Burns, after considerable dickering he gave Mitchell the large guarantee that has ever been given a fighter in Cape Breton. The fight is to take place August 15.

Mitchell is also signed up for two fights in Sydney and there will be a great effort to bring Larry Galt to meet him for the heavyweight championship of Canada if he succeeds in defeating McDonald again.

Did You Know That—McGraw says 92 games will be played this year—It took the Pirates 94 last year—And some of the Jim are saying that it would be checked if McGraw hadn't traded Hornby and also kept Grimms and Harper—Tommy Weir and Trevor Wignall are the only Britishers that came over to see the Heene-Heeney thing—And when the good-looking Frenchman fought the Dempy you fell over them every minute—Bill Brennan, an unwin down south is gonna coach a football team this fall—Down in Little Rock—And Wally Roetge with the Cards turns out fast back with teams at Illinois Wesleyan—Joe McCarthy says Billy Terry is one of the best hitters in the League—But he has tough luck because he hits to centre—And there's plenty of room to catch a fly in that pasture. Al Demaree, who used to be a pitcher and now draws pitchers, says he wouldn't think of doing a Jack Quinn—Young Walsh is like his old man—He got rattled against the Yankees—And his old man used to get mad and throw baseballs over the grandstand—And a good joke is to one after 1929—And some guys believe he'd quit and let that salary go!
