She is manned by an efficient and capable staff of offi- cers whose one idea is to cater to the comfort of passengers. YOU'LL GET RID OF BLACKHEADS SURE

There is one simple, safe, and sure way that never fails to get rid of black- heads, that is to dissolve them. To do this get two ounces of peroxide powder from any drug store—sprinkle a little on a hot wet cloth—rub over the black- heads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear. Black- heads are a mixture of dust and dirt and secretions that form in the pores of the skin. The peroxide powder and the water dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condi- tion.

Opening of City

League Friday 27th

The City League Baseball Sched- ule will get away to a start on Fri- day evening, May 27th.

All three teams are getting into fine shape, and judging from the last few practices they will be right in the pink for the start.

The fans are also becoming anx- ious and will no doubt give base- ball a good send-off, and this means a big attendance every ball game.

The Anchors this season have a strong line-up, and are out to an- nex the pennant for 1927.

The Stars also have a strong team, and are pretty well equip- ped all round to again keep the silver- ware in the Eastern section.

The Rovers have been getting some nice work also, and have a dangerous aggregation of ball play- ers that are never beaten until the last "out" is called.

Looking over the material of the three City League teams, it would be hard to say or pick a winner for this season, but one thing is sure, they all have players that will dish out a high brand of ball when this schedule gets under way.

Anchors' Concert

On Thursday evening, in the League of the Cross Hall the An- chors will stage a benefit concert, to help defray expenses in connec- tion with their ball team this sea- son.

As this concert is right on the eve of the opening of the City League Schedule there will no doubt be a large turn-out of Anchor supporters.

The boys are leaving nothing un- done to give the audience a good evening's enjoyment. This is your opportunity, Anchor supporters, to get behind the boys from the start.

City League Meeting.

The City League executive met last evening and completed final arrangements for the opening of the City Baseball League schedule on Friday evening, when it is ex- pected everything will start with a bang.

Mr. Charles Stewart was unanim- ously appointed official scorer which is sufficient to warrant an up-to-date job of this important duty.

Arrangements for adequate po- lice protection will be made for each game, so that this year the young element who make a nuis- ance of themselves at ball games will be kept strictly in their prop- er place.

The game will start promptly at 8 o'clock and managers of the three teams are respectfully re- quested to have their players on at least substitutes in uniform ready to take the place of the tardy ones.

Only players in uniform will be allowed in front of the stands, and this is going to be strictly enforced open- er.

STOCK NOTE.—Mr. David Reid, Montague, sold his valuable Perch- eron Stallion—Marshall Foch No. 10661 to Mr. Emmet McKenna, Mt. Stewart.

MAIL FOR OVERSEAS.—A full mail for Great Britain and coun- tries via Great Britain will be for- warded by the S. S. Melita sailing from Montreal on Thursday, the 26th. Another full mail for Great Britain will go forward by the S. S. Montrose also sailing from Mon- treal on Friday the 27th. A full mail for Great Britain will also be sent by the Steamer Doric from Mon- treal on Saturday, the 28th. This steamer will carry direct mail for Ireland and the Steamer Montroyal will sail from Montreal on Wed- nesday, the 1st. of June carrying a full mail for Great Britain and the Continent.

"Hits And Runs"

By "TEC."

A cold northwest wind fanning the diamond and bleachers made the afternoon anything but com- fortable for the small attendance of customers.

It surely was a cold reception for the inaugural tilt.

Timely hitting at crucial mo- ments played a prominent part in Westville's 13 to 7 win over the Abegweits.

"Shufflin' Bill" Ryan was a little off in Tuesday's game. However, his hitting and base-running was well into mid-summer form.

Francis showed class with the stick, batting for .500 over the route.

A little luscious talk on what to do at the right time would help the locals a whole lot.

Manager Dougan has Maritime championship material on hand this year.

Ernie Williams, the Abegweit rem- isis of 1926, again turned the imposters back. Williams hurled great ball with excellent support behind him.

McQuaid, Howatt and Hobbs slabbled for the Abbies.

The visitors, on a whole, out-hit the locals nearly two to one. They are strong at the bat, and only crafty defensive tactics can beat them.

Jim Saunders' smiling counten- ance is again conspicuous on the managerial end of the Westville bench. Saunders has a host of friends in Charlottetown who are always glad to welcome him to the capital city.

Welcome back, "Mac." A ball game does not seem complete without the presence of Jack Mc- Aleer behind the plate. Westville players think he is one of the cleav- est arbiters in the Maritime base- ball world.

"Whackey" McEachern's fighting and scintillating, offensive and snappy base-running was conspicu- ous by its absence. His position at short-stop will be a hard place to fill this season. His presence alone in a ball game is enough to ensure an exciting if not a happy ending. He is showing his wares in Uncle Sam's domain this summer.

Lieut.-Governor Hertz and May- or Miller were enthusiastic specta- tors at Tuesday's game.

Oliver, McAsaac and other stars of Westville's 1926 Maritime Cham- pions, did not appear on Tuesday's score sheet. These boys are great- ly missed by the Nova Scotia ball- tossers.
