NORTH SYDNEY ON AMATEURS

The North Sydney Herald reports a recent game as follows: The appended comment will be interesting.

Last night's game between the Victorias and Grace Bayers at Strathcona rink proved a cinch for the homers, thus giving the maroon and gold septette five straight wins to their credit.

Table with 3 columns: Team, Lost, Won. Rows: Victorias, S.H.C., St. Joseph's, Grace Bay.

According to the Post it would appear President Curry (Sydney) of the C.B.A.A. and hockey association is in receipt of a letter from the president of the M.P.A.A.A. asking the former's opinion regarding what action should be taken with the alleged violators of the "amateur" rules a year ago.

THE MORNING PAPER.

Some Reasons Why it Makes The Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, forces her to read it.

The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and improving the appearance of her home.

In a majority of homes the newspaper is practically the bulk of the reading matter, and the long, all-day life from 5 a. m. to 10 p. m. of the Morning Paper gives not only the housewife but every member of the family an opportunity to read it.

The Morning paper is read at the breakfast table, again at home at noon, on the trains, in the restaurants, in doctor's offices, professional offices, hotels, cafes, barber shops.

It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are Morning Papers.

To Be DYSPEPTIC Is To Be MISERABLE.

Dyspepsia is the prevailing malady of civilized life. It is largely due to gross errors in diet, over-eating, too free indulgence in stimulants and over-taxing the stomach with indigestible food.

Burdock Blood Bitters has an established reputation, extending over thirty-four years as a positive cure for dyspepsia in all its forms.

Mrs. Herman Dickenson, Benton, N.B., writes: "I have used Burdock Blood Bitters and find that few medicines can give such relief in dyspepsia and stomach troubles."

Do You Realize What an Important Work the Kidneys Do?

Do you know that every drop of your blood goes to the kidneys hundreds of times every day? Do you know why?

To be filtered and purified from its impurities. That is the great work the kidneys have to do.

Do you think it possible for you to be well, unless the kidneys do this work thoroughly?

It is these impurities—this unfiltered blood—that causes backaches, headaches, rheumatism, diabetes, Bright's disease, etc.

If you have any kidney trouble let Doan's Kidney Pills do for you what they have done for thousands of others.

DEATH ENDS A LONG TRANCE

PITTSBURG, Jan., 20—From a trance in which she had lain for three months and a half, Mrs. Kate Mendelsohn died at a hospital here recently.

On the night of Sept. 30, her husband awoke to find her in a comatose state. Their baby lay on the floor uninjured, apparently having fallen out of bed. Mr. Mendelsohn thinks that his wife must have been shocked into unconsciousness when the baby tumbled out of bed, believing that the child was killed.
