

### Scalp Disease Cured by Zam-Buk

Mrs. Albert Goodale of 485 Amherst St., Montreal, says: "My three-year-old girl Anna suffered intensely since birth from scalp disease, and we could not get rid of this irritating disease. On March 10th, 1908, someone recommended my husband (who is elevator man at the Entail Co.) to try Zam-Buk Balm and Zam-Buk Medicinal Soap. From commencing to use these remedies we saw an improvement and after nine days treatment, the child was cured completely."

No home should be without Zam-Buk. It is Nature's skin remedy and without equal as a healing balm. All druggists and stores. 50 cents a box.

### To be Honest with your Family you Should Insure Your Life.

As long as a man is uninsured, he is an isolated, helpless, precarious creature. When he is insured he becomes a link in the chain that is moored to the pillar of fate.

Great West Life rates are the lowest, and Dividends to policy-holders highest.

## July 1st REINVESTMENTS

Investors having Bonds maturing or interest and dividends payments available for reinvestment, should have regard to the following:

**SAFETY** is the first and principal requirement.

**YIELD** is a very important consideration.

A much better yield than Bank interest can be had with absolute safety of principal.

**DESIRABILITY** Interest paid the exact day it matures upon presentation of coupons at our office, and a ready market at any time the principal is required make this form of investment much more desirable than mortgages.

A complete selection of high grade securities to meet different requirements and the aid of well informed investment brokers are essential.

A complete printed list of investments fulfilling the above requirements, can be had with full information from

### INDIGESTION IS THE END OF HEALTH.

Health ends when indigestion begins, because nutrition fails. Thus you are starved. Then the impurities which arise from undigested food get into your system. Thus you are poisoned. Mother Seigel's Syrup makes an end of indigestion by strengthening the digestive organs.
