Presentation To Railway Section Man

On the evening of April 7th three hundred snowshovelers of the Midgell and Marie R. R. Section met at the home of Mr. Victor K. Sanderson. Mr. Gordon Hooper was appointed chairman and with a few well worded remarks made known the reason of their presence. He then called Mr. Daniel MacFayden who read an appropriate address while Mr. Peter Whalen presented Mr. Sanderson with a valuable sum of money. The recipient taken much by surprise expressed his gratitude for their kindness and generosity. The remainder of the evening was pleasantly spent in speeches, jokes, luncheon and radio programmes and at a late hour all departed to their homes taking with them the well wishes of their friends and every one of us here to soon forget the snow shovelling and shovellers of the winter 1926. The address is as follows:— Mr. Victor Sanderson Dear Friends: My friends and neighbors are assembled here tonight for the purpose of showing the esteem in which you are held by the snowshovelers of this section. It has been said that in order to know a man's true worth, you must summer with him and winter with him. With you Dear Friend we have spent summers and winters and every one of us here tonight can testify to your noble qualities as a boss. We can never repay you for your kindness and good will shown to us during the snow fight of this past winter but we ask you to accept this small gift not for its intrinsic value but as a slight token of our respect and esteem. Hoping to spend many more winters with you in Betty's cutting we wish you, Mrs. Sanderson and family many years of health, happiness and prosperity and a full reward in the life beyond. Signed on behalf of The snowshovelers of Midgell Section.

FAREWELL ADDRESS AND PRESENTATION Many pleasant gatherings of the friends of Mr. and Mrs. John H. After the serving of lunch by the ladies, the friends were called together and a few remarks having been made by Mr. Frank Lund. The following address was read by Mr. Percy Mutch, and the presentation of a beautiful arm-chair by Mr. Ernest Mutch, in behalf of their friends. Mr. and Mrs. Dawson Dear Friends: It is seldom that a community is called upon to say "Farewell" as often as Mr. Herbert has been in the past year and tonight we have met again on another of those occasions to con-

vey to our sincere regrets at your departure from our midst and to express in a tangible manner the esteem in which you are held by all in the community. As total strangers, you came amongst us about a year ago, to take up the management of the Orphanage Farm and in that capacity you have distinguished yourself in the conscientious discharge of your duties. Although you have been with us but a short while you have made many friends and we can assure you that you will be greatly missed in the religious and social activities of the district. We are glad that our relations have been of the most happy and cordial nature, and as you go from us, we trust pleasant memories will be mutual. In conclusion we ask you to accept this gift not for its value but as a token of our love and esteem should circumstances in the future permit you to visit Mt. Herbert. we can assure a hearty welcome. Suitable replies were made by Mr. and Mrs. Dawson in appreciation of the kindness and thoughtfulness of the many friends made during their short stay in Mt. Herbert, and thanking them for their gift. After singing "For they are Jolly Good Fellows" and "Auld Lang Syne" the people dispersed to their homes. Mr. Dawson, like his predecessor, per-
