THE CAPITAL OF THE WEST

Miss Florrie Trowdale of Rose Valley, is visiting James and Mrs. Wilson of this town.

A special meeting of Mount Lebanon Lodge A. F. and A. M. will be held this evening.

Mrs. Wadman, widow of the late Artemas Wadman of Crapaud is here on a visit to her son, A. H. Wadman. She intends returning home the last of this week.

The last regular meeting of the present Summerside town council will be held on Monday evening next. The civic election takes place Feb. 23rd. Nomination one week earlier.

Do not forget that there is a Mothers' Meeting in Willard Hall Thursday evening. The hour is 7.30 so that none may be late for the carnival at the rink. It is well worth while to go to the Mothers' Meeting as the talks are always to the point and helpful.

Rev. E. P. Calder left yesterday morning via Georgetown for the Canadian West. Mrs. Calder and family will remain in Summerside until spring. The people of Summerside and Bedeque very much regret the departure of Mr. Calder whose sermons were always of an educative and interesting character and whose personality was such that in social circles he made many friends.

MISS JONES' VOICE GREATLY IMPROVED.

A startling improvement is noticeable in Miss Jones' singing. Her voice is stronger, and sounds clearer and sweeter than before using Catarrhoxone, which is a wonderful aid to singers, speakers and ministers. CATARRHOZONE INHALER insures absolute freedom from Colds, Coughs and Catarrh, clears the nose and throat, and prevents hoarseness and huskiness. Catarrhoxone makes the voice brilliant and enduring, and is uncommonly well recommended by Prima Donnas, members of Parliament, Lawyers, Doctors and thousands that use it daily. Better try Catarrhoxone. Price \$1.00, trial size 25c. Druggists, or N. C. Polson & Co., Kingston, Ont.

THE THIBET EXPEDITION.

CUMBER, British India, Jan. 22.—Colonel Younghusband, commanding the British expedition to Thibet, has received a personal visit from Depa-Llama, one of the five great lamas of Thibet who delivered an ultimatum warning him to return to Gnatog, and threatening there will be serious trouble if he did not do so.

THE STORY OF MORNING TIREDNESS

Is told by impure blood, poor digestion, sluggish liver and tired nerves. It is a warning of very serious trouble ahead, and should prompt sensible people to take a bracing tonic like Ferrozone, an energetic invigorant and restorer. Ferrozone will give you a sharp appetite, promote good digestion and sound sleep; it will feed and energize the enfeebled organs, strengthen the nerve and vital force and regulate the heart. Ferrozone changes that tired feeling into vigor, strength and ambition, and does it quickly. Remember the name and insist on having only FERROZONE; it's the best tonic made. Price 50c. per box, or 6 boxes for \$2.50, at druggists, or N. C. Polson & Co., Kingston, Ont.

HAMILTON'S PILLS CURE CONSTIPATION.

Reserve Thursday night for the grand dress carnival in Crystal Rink, Summerside. Good music, good ice and brilliant costumes. Doors open at 7.30. Performance to commence at eight p. m.

Special meetings began in the Central Street Christian Church last Sunday evening and will continue through the week. These meetings will be conducted by the pastor Rev. A. N. Simpson. The meetings begin at 7.30 p. m. Everybody welcome. Subject to-night, "The Kingdom of Heaven."

James Cushing, Captain of the Senior team of the Crystal-Pioneer Hockey Club and one of the club's leading forward players has retired from the game on account of an injury received while playing in the contest between his team and the Victorias in Charlottetown on Jan. 22nd. He was struck with the puck just below the heart and though, after a rest, he finished the game and subsequently played against the Abegweits in Summerside, the effects of the accident while not serious have given his physician cause to advise him not to play any more lest a similar blow might prove fatal. The vacancy of the team will likely be filled by Arthur Holland of the Intermediates.

The pie social held in Clinton Hall on Tuesday evening, 26th, was a great success. The weather and roads were all that could be desired, so that a large crowd gathered and packed the hall to its utmost. The order was also of the best, every one being apparently in the best of humor. Jas. Pickering ably filled the chair while the following program was rendered:

Instrumental Music—Geo. Sheen, Jas. and Garnet Profit and Miss Profit.
Solo—Mrs. Wm. Woodside.
Recitation—Miss Hannan McLeod.
Solo—Miss Jean Howatt.
Dialogue—E. Pickering, G. Riley, H. S. McLeod and M. Whitehead.
Recitation—Miss Florrie Durant.
Instrumental—Messrs. Profit and Sheen.
Recitation—Miss Maud Fyfe.
Solo—Jas. Profit.
Instrumental—Messrs. Profit and Sheen.
Solo—J. W. Sutherland.
The program was finished by singing the National Anthem. It is impossible to specialize on the merits of the different numbers as each and all were equally well rendered. In the dialogue the acting of H. S. McLeod as Pat Muloney, brought down the house. The instrumental music consisted of two violins and banjo with organ accompaniment. Gavin Harding then auctioned off some 40 pies, and judging by the prices paid the innocent looking pie must hide beneath its flakey crust an influence unfathomable to those not under its hypnotic spell. Over 60 dollars was realized in all. A hearty vote of thanks was tendered to all those who contributed towards making the social such a success.

GEORGETOWN AND VICINITY.

Mrs. Angus Smith, wife of Pilot Smith of the Minto, and Miss Annie McDonald of Pictou, are visiting here the guests of Mrs. C. A. Stewart, Richmond Street.

The Minto arrived at 11.30 yesterday morning with six passengers and 373 packages way freight. She sails this morning with the following local freight: 15 quarters beef, 6 carcasses mutton, 121 dressed hogs, 45 bundles hides, 8 kegs bacon.

What might have proved a serious accident occurred last evening on Brudenell River ice. Wesley Gordon, son of Walter Gordon Esq., was driving down to town. When about half way down the horse kicked him on the eye rendering him unconscious. He quickly recovered however and discovered his horse a few yards ahead standing still. He captured his animal and proceeded to town.

OF PERSONAL INTEREST

A. Winfield Scott, Mgr. of the Humphrey Clothing Store went to Souris yesterday.

Captain Murchison of the schooner James W. was a passenger to Montague yesterday.

Miss May Dawson has returned from New York and Boston and will spend the remainder of the winter with her sister Mrs. Bulman, Upper Prince Street.

WOLF! WOLF! AND THERE'S NO WOLF

People Fooled Once Are Slow to Respond When Real Danger Comes.

We have all read in our school readers the story of the boy tending the sheep who thought to have fun with the servants and cried out wolf! wolf! The servants rushed to his assistance to find that it was a false alarm, and when the wolf really came, they would not respond to the call of the boy and the flock was destroyed.

It is the fashion nowadays among certain proprietors of patent medicine that "will cure every disease on earth" to try to frighten everyone into believing that he is afflicted with some dangerous malady, by reciting thousands of symptoms and indications of disease. People see so much of this that when they really become so afflicted they will pay no attention to remedies of merit that they really stand in great need of.

The proprietors of Stuart's Catarrh Tablets do not claim that their remedy will cure anything but catarrh and they give the American people credit for having sense enough to tell for themselves when they are suffering from that disease. If you have catarrh, you know it and want to be cured and that's all there is to it.

Stuart's Catarrh Tablets are without doubt the most effective cure for catarrh. You may look the country over and you will find no one who will dispute that statement. They have cured so many sufferers of this serious and dangerous disease and have done so much good throughout the land that their name has become a household word. They thoroughly renovate and cleanse the entire system of all catarrhal poisons and impurities and by striking at the root of the disease effect cures that are complete and permanent.

Stuart's Catarrh Tablets are for sale by all druggists at 50c a box. You cannot afford to tamper with this treacherous disease when a sure cure is within such easy reach.
