

CANADA TO HAVE A U. S. MINISTER

GREAT FORWARD STEPS

OTTAWA, May 30 (Special).—Canada is about to take another step forward in the extension of the usefulness of the Department of External Affairs and the development of direct relations with foreign countries.

It is understood that as a result of the visit to Ottawa of Sir Cecil Spring-Rice, the new British Ambassador at Washington, the Dominion will in the future have an official attached to the British Embassy at the United States capital, in the capacity of an adviser to the British Ambassador in all matters pertaining to Canada.

Women Sing the Praises of Dodd's Kidney Pills.

CAESARVILLE, Sask. May 30 (Special).—The scarcity of female help in a new country subjects the women of the prairies to unusual strain, and careful observation has established the fact that this strain first makes itself felt in the kidneys.

Everywhere you will find women singing the praises of the great Canadian kidney remedy that has banished their pains and weariness, and brought them back to health.

"I have found Dodd's Kidney Pills very beneficial," Mrs. Cowen states. "If anything I can say will help any sufferer I am glad to add my testimonial to what has already been said."

The kidneys strain all the refuse material out of the blood. If they are out of order this refuse remains in the blood, and becomes poison. That's why sound kidneys mean pure blood and good health.

Summer Hair Tonic. Parisian Sage, the Hair Renewer is now sold all over Canada.

Since its introduction into Canada, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name.

Remember that baldness is caused by dandruff germs, these little hard-working persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daintily perfumed hair dressing, not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks or money back; it stops falling hair and itching scalp and prevents baldness.

GREEKS AND SERVS ROUSE THE POWERS

WRANGLING MUST END

LONDON, May 30 (Special).—The growing displeasure in diplomatic circles of the great Powers at the attitude of Greece and Servia, has found expression in what practically amounts to an ultimatum, which Sir Edward Grey, the British Secretary for Foreign Affairs, delivered to the delegates of the belligerents.

Despite assertions of the contrary the ambassadors were from the first averse to any modification of the draft, not because of the character of the proposed changes so much as because of the day which would attend fresh discussions.

It also was intimated that those States which were prepared to sign should do so and that it would serve no purpose for those not prepared to sign to remain longer, thereby intimating that the recalcitrants may continue the war.

The Servians and Greeks have notified their governments of this decision and are now awaiting instructions. The Turks and Bulgars are ready to sign, and it is not expected that the Montenegrins will raise any objection.

Some of the Balkan delegates expressed the opinion that the communication of the Powers savors more of intervention than of mediation. But the real reason behind the ultimatum lies in the determination of diplomats to get the draft signed, so as to be in a position to take up the big questions remaining for settlement after the preliminaries of peace are adopted.

A Constantinople despatch says the council of Ministers have decided to reject all modifications of the peace draft suggested by the allies.

PROSPECTUS OF PROPOSED Weeks Silver Black Fox Company Ltd.

Capital Stock The Foxes

The Company will be Capitalized at \$100,000.00 divided into 1000 shares of \$100.00 each. There has been secured five pairs of 1913 pups guaranteed choicest selection of the Dalton-Tuplin Strain. This stock needs no further comment as they are the world's best.

Terms of the Company

The promoters of the Weeks Silver Black Fox Company have so much faith in the future of the Fox industry and in the stock they have purchased, that they guarantee ten pups from the five pair during the breeding season of 1914 and for every pup short of this number, they will forfeit \$5,000.00. This practically means a guarantee of upwards of 50 (fifty) per cent for the first year. Taking into consideration the present price of 1913 pups and the fact that the five pair are placed on the market at but \$20,000.00 a pair, it will readily be seen that this company offers the most lucrative investment made this year in the fox industry.

An-up-to-date Ranch

Mr. Hedley B. Weeks has purchased the beautiful farm property of Mr. George H. Callbeck, North Tryon, where the most improved ranch will be erected which is now under construction. This property is favored with the handsomest hardwood grove in Prince County and is most suitably adapted for a Fox farm. All modern burglarly proof alarms will be installed and a day and night watchman with the protection of tested man trailing blood hounds will always guard the ranch.

Estimated Financial Returns

From the five pairs there should be fifteen pups. At present prices this would mean a net profit of about \$80,000.00 to the investors after deducting all ranching expenses.

No Organization Expenses

All the expenses incurred in the formation of this company viz—the organization including, building of ranch, advertising printing and all other incidentals will be paid by the promoters.

Application for Stock

Applications for stock can be made to Hedley B. Weeks, Fredericton, P. E. I. or to The Canada Fox Exchange and Investment Company Ltd. Charlottetown. Applications must be accompanied by the sum of \$10.00 per share of the subscribed amount must accompany application.
