ST. CATHERINE'S INSTITUTE

The St. Catherine's Women's Institute met at the home of Mrs. James Lamont on Sept. 14th with the president in the chair. Meeting opened by singing "It is a goodly thing to meet, in friendship circle bright," followed by repeating creed in unison. There were 13 members present and 2 visitors. Roll call was answered by each one asking a question. Minutes of last meeting were read and adopted.

All the committees sent in their reports for the month. The buying committee reported having bought an oil stove. A bill was presented

by the president and on motion it was paid.

The secretary reported no correspondence of any kind during the month.

A nice program was carried out by the members discussing the various questions that were asked.

Mrs. Will Morrow invited the members for their October meeting. Roll call to be answered by a riddle. A dainty lunch was served by the hostess assisted by Miss Gracie Lamont and Olga McNevin. Meeting then adjourned on motion.

The City of Santiago, Chile, has definitely fixed prices for many essential articles.

QUEEN'S COUNTY COURT.—The docket of the Queen's County Court was completed with the rendering of judgment by His Honour Judge Duffy on the case of J. Hector Stewart vs. Wm. A. MacQueen. This case involved an action for \$57.72 made up of \$17.72 for a store bill and \$40 for potato bags which the plaintiff claimed the defendant had returned to him in a damaged condition. The defendant admitted the first item but refused payment on the second. The case occupied part of two days. Judgment was given for the plaintiff for the amount claimed. K. M. Martin for the plaintiff and Malcolm MacKinnon for the defendant. The October session of the County Court will open shortly.

Painful Piles

Go Quick—No Cutting—No Salves

Thousands who have itching, bleeding or protruding piles have not yet learned that quick and lasting relief can only be accomplished with an internal medicine. Neither salves nor suppositories remove the cause.

Bad circulation of blood in the lower bowel causes piles. The hemorrhoidal veins are flabby, the bowel walls weak—the parts almost dead. To get rid of Piles an internal medicine must be used to stimulate the circulation, drive out the thick impure blood, heal and restore the affected parts.

Dr. J. S. Leonhardt, after years of study, found a real internal Pile remedy. He called his discovery HEM-ROID, and prescribed it for 1000 patients with success in over 900 cases, and then decided every Pile sufferer, no matter how stubborn their case, might try his prescription with a money back guarantee.

So why waste time on external remedies, or worry about an operation when Hughes Drug Co., Ltd., and all good druggists invite you to try HEM-ROID tablets with guarantee of money refunded if they do not end your Pile misery.

PERSONALS

Mr. and Mrs. Chester Buntain and children Miss Doris and Master Donald Buntain of New London, and Mrs. A. R. Buntain, of Kensington, were motor visitors to the city yesterday.

Mr. Ralph Crockett of York is leaving this morning on a visit to Boston and not to accept a position as reported.

The many friends of Sadie Gillis, Upper Montague, will be pleased to know that she is much improved in health since entering the Prince Edward Island Hospital.

Goodyear Earns Dividends Again

C. H. Carlisle Reviews Current Conditions in Tire Industry

In a letter sent out to Shareholders of Goodyear Tire & Rubber Co., of Canada, Limited, the President, Mr. C. H. Carlisle, points out that dividends on both the preferred and common stocks of the Company have been earned up to the end of the third quarter of the Company's fiscal year, after providing the usual reserves for depreciation, obsolescence and accrued income taxes.

Mr. Carlisle states that the rubber industry as compared with the same period a year ago shows a decrease in unit sales of about 30 per cent, and the Company does not foresee any material improvement in the industry during the fourth quarter of the year. Mr. Carlisle's letter continues: "The profits for the year's business will be affected by the price of crude materials as at December 31st. As in the past, inventories will be taken at market or cost, whichever is the lower, and we do not anticipate a material shrinkage, if any, in the inventories.

A normal advance in cotton and rubber markets would put your Company in a strong competitive position and would likely show you a material increase in earning power, as your Company has made heavy purchases in both these commodities at the low level of the market.

Canada in 1933 should show an improved business condition as compared with 1932. We are completing the harvesting of a very excellent crop, both as to volume and quality. Our gold production has materially increased. We anticipate increased business activity as a result of the recent Empire Conference. One of our greatest problems has been and is, the operating and financing of our Railroads. Our Government has already taken steps whereby this problem will be solved, resulting in a great saving to the country.

General conditions throughout the world show some improvement. It will require considerable time to bring about stability of governments, stabilization of exchange and more equitable regulations governing trade. Export business very largely depends upon these conditions.

On the revival of general business, the Tire Industries should show a marked improvement, as many people are taking the last mile out of their tires, reducing the number of spare tires carried, and they are purchasing low priced tires, which necessarily give low mileage.

Your Company is economizing wherever possible, and is maintaining its full share of available trade."

BRITISH CATTLE AND HORSES

During the first eight months of 1932 Great Britain sold 89 head of cattle to the Argentina for breeding purposes and 77 to Canada. In August the Irish Free State was the largest buyer of English horses with 35. In eight months Holland bought 773, Irish Free State 719, Belgium 537, France 58 etc. The total value of living animals sold for breeding purposes in eight months was over \$2,200,000.

Cornwall

Miss Katherine McKenzie is spending a week with her sister, Mrs. W. R. Shaw, Cornwall.

Mr. Waldo Bain, Mr. and Mrs. Gifford Bain and Miss Thankful Bain left on Thursday of this week for a motor trip through the Maritime Provinces, going as far as Sydney, C.B. Their friends wish them a pleasant holiday.

The Cornwall Women's Missionary Society presented their pageant "The Unshadowed Cross," in North Wiltshire United Church on Sunday afternoon to an appreciative audience. The programme was as previously given, with the addition of a solo by Mrs. A. C. McEachern.

The Young Peoples' Society have started their singing lessons with Professor Kendall on every Tuesday evening at eight fifteen. All are delighted to have this opportunity of musical study and education and a large number of members were present at the opening lesson, after which the regular meeting took place with the President, George MacMillan, in the chair. Games and contests were enjoyed at the close of the meeting.

Friends are sorry to know that Gordon Boyle, Meadowbank, is laid up with lumbago and hope for his speedy recovery.

Mrs. Patrick McKenna has returned from a long visit to her daughters in Boston and has been visiting relatives in Cornwall.

Mr. Frank Abbott, of New Jersey is visiting relatives and friends on the Island, after an absence of twenty years. He was accompanied home by his two nieces from Maine. In Cornwall, he was the guest of his brother, Samuel Abbott and Mrs. Abbott.

Mr. and Mrs. Hughes, nee (Miss Mary McCallum), Brackley Beach, were visitors to Cornwall and Clyde River this week. Mary has many relatives and friends who wish them both every happiness in their new life together.—C.

C. N. R. Taxation Plan Extended For Five Years

TORONTO, Oct. 6.—The agreement between Ontario, the Maritime Provinces and the Canadian National Railways whereby Ontario reduces its taxes against the railway by approximately \$60,000 annually, has been extended for five years, it was announced today by Premier George S. Henry.

The agreement originally came into being as a result of the inter-provincial conference at Ottawa in 1925. At that time it was agreed that the Canadian National Railways should pay the Maritime Provinces \$250,000 yearly in taxes although no taxes could actually be levied against the Intercolonial Railway as it was entirely owned by the Dominion Government. The reduction of Ontario's tax levy against the railway was made a condition of the agreement.

Recently an extension of the arrangement between the C. N. R. and the Maritimes for five years was agreed on and the concurrence by order-in-council of the Ontario Government followed on request.

MOUNT TRYON SCHOOL

Report of Mount Tryon School for the months of August and September:
