SUPERINTENDENT Sharp and C. D. Rankin were passengers by the express Wednesday night returning from Boston and New York.

Don't buy your Xmas gifts until you see the grand display at the New Market House on Monday the 12th, inside of the Charlotte Hospital, High tea from 5 to 7 o'clock.

C. N. STEWART of Red Point arrived in the City yesterday on a visit to Michael J. Whelan who is at present in the City Hospital. He finds he is unable to return to his home at present.

Mr. Henry Westhaver, of Maders Cove, N. S. who has been melancholy for the last few weeks, Monday afternoon while alone for a few minutes, set fire to himself. When discovered, medical aid was immediately summoned, but she was beyond all human aid. After three hours of most intense suffering, she passed away. She leaves a husband, who is now in Prince Edward Island and three small children, the youngest being only three months old. The grief stricken husband has been telegraphed for.

ACCORDING to one of our leading bakers, the citizens of Halifax should be very well satisfied with the treatment they are receiving at the hands of the Halifax bakers. Flour has been steadily advancing being \$1.50 dearer now than at this time last year, and nearly \$2.50 higher than it was when the five cent price was established. Since then the price has been raised to six cents, a much smaller advance in bread than flour. At the same time, the quality has been improved, so that it costs the baker fully fifty cents more per barrel for additional yeast, sugar, milk, etc., than formerly. The result of this is that the bakers are making little or no profit in return for their labor and investment. He says the raise in flour looks as if it had come to stay. There are no snaps on the market. Most of the flour used by the bakers in Halifax is of the highest quality; worth \$3.30 per barrel by the car. —Halifax Chronicle.

THE MONTREAL LIQUOR SELLING

MONTREAL, December 6.—The Herald publishes this afternoon an exposure of the laxity in the observance in the laws regarding the selling of liquor on Sundays in Montreal. It obtained conclusive evidence Sunday night that at least twelve well-known hotels sold liquor between 8 and 12 o'clock and tells how its informants obtained access to the hotels and how the drinks were dispensed. In the vicinity of several of the hotels visited, policemen were seen. One of the Herald reporters asked a policeman on the street near the Bonaventure station, where he might obtain a drink, and the minion of the law directed him to two hotels where he said drinks were sold on Sunday.

SYDNEY STEEL ROD MILL A SUCCESS

Already the company are receiving enquiries from different railways.

Medicines Loaded With Alcohol

Think of it! The Danger You Run--Drink Habit is Easily Acquired, but Hard to Cure.

Careful analysis shows that many so-called tonics contain little else but whiskey—the rankest, poorest kind of whiskey. You may unconsciously be using an alcoholic liquid remedy. Some member of your family may be doing so. Your duty is plain; stop it at once. The test of a tonic is the permanency of its cure. To become strong, you must build up the blood alcohol weakens it. You must increase your nerve force—alcohol steadily depletes it. Give up the liquid tonic before you become its slave. The true medicine for the run-down, depressed and nervous is Ferrozone. It but concentrated cure in tablet form. It stimulates the appetite, aids digestion, fills the blood with iron, builds up in nature's way. Never known to fail. Whether weak from worry, overwork, thin blood or disordered nerves, Ferrozone will quickly make you well. It is safe and harmless, undoubtedly the best tonic and rebuilding medicine made. We recommend you to use Ferrozone if in poor health. Ferrozone, known as the great food-tonic, costs 50 cents per box or \$3 for \$2.50, at all dealers, or by mail from N.C. Polson & Co., Kingston, Ont., and Hartford Conn., U. S. A.
