The Guardian has secured a map and plan of Charlottetown prepared by J. P. Nicholson, Esq., City Surveyor, accurate and up-to-date. This has been carefully engraved. It clearly indicates all the streets, wharves, railway tracks, parks and squares and the location of the Colleges, churches, public buildings and offices, leading hotels, places of amusement, and cemeteries, etc. The second one of these maps and to have one mailed to a friend abroad or at home, see the announcement in another column.

The marriage of Miss Cyrene Gaudet, eldest daughter of George Gaudet, of this City, to W. J. Robertson, traveller for S. F. Bowser & Co., Toronto, was solemnized Monday at the Bishop's Palace, Rev. Dr. McLellan officiating. The bride who wore a costume of brown broadcloth with hat to match, was attended by her sister, Miss Emma, who was attired in blue broadcloth. The room was attended by J. J. George L. Prowse of Charlottetown, writes the Sun, St. John, N. B., seeking information of the Dunlop Tire Co's. bicycle road race. Mr. Prowse had heard that the race would take place here Thanksgiving day and is anxious to compete. He also states that if the race should take place Joseph Gaudet, Nelson Winchester, all from V. A. A., will enter. There is also a possibility of the Island sending the first three finishers in the sixteen mile road race at Charlottetown recently. With such a bunch of starters, together with other local and provincial men, a fast race would not doubt result. All that is needed now is to open the entire list and complete arrangements. The trophy is a handsome one and if put on exhibition would easily bring a large field of strangers to St. John.

The adjourned annual business meeting of the Y. M. C. A. met last evening. The principal business transacted was concerning the financial affairs. It was discovered that there had been a slight misunderstanding as to the exact amount necessary to square all bills. As \$135 was still needed each Director assumed a 1,000 amount to be raised before next Tuesday night, and the meeting was adjourned to that date. The Directors are determined to do their best to prevent a deficit being carried over to next year's account and it is hoped that the public will stand behind them. The Directors are all busy business men whose time means money and the more freely this amount is given the easier the work will be made for them. About one half of the amount necessary can be raised from subscriptions already due, the balance will need to be raised from new subscribers—who will help.
