MISSING.

"He was last seen going over the parapet into the German trenches."
What did you find after war's fierce alarms,
When the kind earth gave you a resting place,
And comforting nights gathered you in her arms,
With light dew falling on your upturned face?
Did your heart beat, remembering what had been?
Did you still hear around you, as you lay,
The wings or airmen sweeping by unseen
The thunder of the guns at close of day?
All nature stoops to guard your lonely bed;
Sunshine and rain fall with their calming breath;
You need no pall, so young and newly dead,
Where the Lost Legion triumphs over death.
When with the morrow's dawn the bugle blew,
For the first time it summoned you in vain;
The Last Post does not sound for such as you:
But God's Reveille wakens your again.

WHAT RECENT STRIKES COST.
The reopening of the twenty Lynn shoe factories, at which a lockout was declared on April 18, following the demand of employees for increased wages, makes pertinent an inventory of results. The five months of enforced idleness, it appears, have cost the companies \$3,000,000 in decreased business, while the 12,000 employees have lost \$1,500,000 in wages.
Do strikes pay As a further case in point the report of the New York City Railways Company for 1916, now published and covering the period of the carmen's strike, shows a deficit of \$148,053, as compared with a net income for the previous year of \$1,439,707. The road's loss of passenger fares can never be regained, and for both the strikers and the company the loss is total.
It is a commonplace that the cost of a strike must be borne by one of the parties to it, whether won or lost. At least, it is an improvement to divide the cost of minimize the loss through arbitration. Yet in 1915 of 733 strikes fully reported to the Bureau of Labor Statistics, while 164 were won, 128 lost and 273 compromised, in only twenty-eight cases did employees return to work pending arbitration.

PINCHIN had just purchased a fine old vase, and was endeavoring to impress his visitors with its antiquity. "Oh, it's a beauty," he exclaimed with enthusiasm. "A rare gem. It belonged to General—er—General—er—what's his name?" "Oh yes," said a sarcastic friend, coming to his aid. "General Dealer, wasn't it?"

LAURIERITES REFUSED TO HEAR HON. A. SEVIGNY

Nationalists Openly Pledge Support to "My Dear Lucien" Cannon in Dorchester, Que.

RIOTIOUS MOB THREATEN MINISTER OUTSIDE HOTEL.

First Fights and Mixups and the House Where Hon. A. Sevigny Was Staying Attacked.

QUEBEC, Nov. 11.—Hon. Albert Sevigny, member for Dorchester County was given no chance to address the electors in St. Anselme this afternoon, the crowd absolutely refusing to hear the Minister's speech. About four thousand people, including some five hundred from Quebec were present at the meeting, both Lucien Cannon, the defeated candidate and Hon. Mr. Sevigny being on the same platform. While it was evident that an organized move had been planned to prevent the Minister from speaking yet most of the crowd though willing to hear him speak, passively approved of the continuous "booming," and even when Mr. Cannon and his followers moved away to another section to hold a meeting of their own, the majority remained where Sevigny was and refused to allow him to get any further than open his remarks.
For three quarters of an hour the Minister remained on the platform, laughingly bantering with those of the crowd who were nearest him and as a last resort he shouted: "Vive La France," but even his cry failed to arouse any enthusiasm in his favor and he reminded them that only a few months previous they had

shouted "Vive La France," with great vim. Cigarette boxes and apples were hurled at the speaker from sections of the crowd during this time, but the Minister remained until satisfied that there was no opportunity for him to speak.
Armand Lavergne's appearance on the platform before the attempt at a meeting, was the signal for a great outburst of applause. He probably hurt Sevigny's cause most of all by telling the people that he had presented a written agreement to both candidates for signature promising that should they be returned they would work for the repeal of the conscription law, and that Hon. Mr. Sevigny had refused, but Mr. Cannon had signed. He openly stated that the Nationalists would support Mr. Cannon's candidature.
First fights and mixups occurred frequently during the afternoon but no one was seriously hurt, though several men were beaten up. A man named Colin was badly cut about the face and head, while others who happened to be on the wrong side of the argument were injured.
After the meeting, a gang of men remained around the hotel and smashed all the windows in the building while calling for Sevigny to come out. Revolver shots were also fired into the air and for a time things looked decidedly riotous. As dark came on, however, most of the watchers departed and the Minister was able to leave the house and return to Quebec via automobile.

KING CO. DOMINION ELECTION

Ladies and Gentlemen, Electors of King's County.

Greeting:
Two years ago I was unanimously chosen by a large and representative convention of King's County electors, as a candidate for that County for the House of Commons, to support the Government led by Sir Robert Borden.

The Borden Government as then constituted has had my unwavering and hearty approval. I consider the attitude of that Government towards our Province deserving of the warmest support of all reasonable and patriotic citizens. The increase in our annual subsidy; the financial assistance granted our Agricultural Department; the great improvements in the winter navigation of the straits and in our connection with the mainland, all secured through the Borden Government, merit our hearty and grateful approbation.

The Military Service Act, and all other measures enacted by the Borden Government for the relief or for the improvement, in any way, of the condition of our soldiers at the front have my unqualified endorsement.

To carry to a successful issue Canada's part in the war as provided for in the enactments of the late Parliament, a Union Government has been formed. To this Union Government I pledge my unqualified support, and appeal to you as a Win the War Union Government candidate.

On the foregoing declaration of principle I most respectfully solicit, Ladies and Gentlemen of King's County, your support at the forth-coming Dominion election, and I beg to assure you that if you do me the honor of electing me to the Federal Parliament, I shall exert all my energies and devote my humble abilities to the advancement of your best interests.

As the time between now and polling day is not very long, and as weather conditions may not be the most favorable I may not be able to see all the electors, however much I may wish. I therefore ask you to be so kind as to take the wish for the deed, and to kindly remember me when you go to mark your ballots. With best wishes and kindest regards, I beg to subscribe myself,
Yours faithfully,

JAMES McISAAC.

Queen's County Dominion Election

To the Electors of Queens' County, Ladies and Gentlemen:

Six years ago Mr. A. A. McLean and myself were elected to represent you in the House of Commons. As the result of the election then held the Liberal-Conservative party came into power. During the years that have passed since then I have endeavored to the best of my ability to procure as large a portion as possible of governmental advantages for my native Province. The Government of the party I was elected to support, has done much for the betterment of our trade and commerce and our agricultural interests. It gave us the Car Ferry, increased grants to agriculture, the addition of \$100,000 annually to our provincial subsidy, secured for our Province four members for all time to come, built a number of wharves for the convenience of our farmers and shippers, also dredged the docks at Charlottetown and elsewhere.

When it is considered that for over three years of this period, the Dominion revenues have been urgently required for war purposes, I feel assured that our efforts are not unappreciated by the people of the Province, irrespective of party. I am convinced that what has been done will prove a lasting benefit to the Province and will afford a great impetus to our future prosperity.

During the last session of Parliament I was pleased to support Sir Robert Borden in his endeavors to unite the two great political parties which divide Canada in one Government. Such a consummation would insure a more vigorous prosecution of the war, and would be the means of raising with the least possible friction the necessary recruits to go to the assistance of our hard pressed brave boys at the front.

I am highly gratified that a Union Government has now been formed. It is composed of the strongest men of both parties and shall have my full support.

At the last session of Parliament an Act was passed establishing machinery for the holding of a Dominion election. It provided for the appointment of enumerators to make up lists of voters for all the polls. These will shortly be appointed. May I be permitted to request that every possible assistance be given the enumerators in the preparation of these lists, so that everyone in the County, entitled to a vote, shall have his or her name on the lists before polling day.

In thus giving an account of my Stewardship, permit me to state I shall be candidate for this County at the coming election.

The crisis which involves our Country is the most important in its history. It devolves upon everyone to consider well the issue raised: are the people of Canada to leave unsupported our brave boys at the Front, who have so long and so well fought for the preservation of our rights and liberties, and whose splendid deeds of heroism have covered Canada with glory and renown? It is impossible.

I respectfully ask for the votes of all true and loyal men and women of this large and intelligent County of Queens', assuring them that the best interests of our province and especially our soldiers shall have at all times my sincere support.

D. NICHOLSON.

Queen's County Dominion Election

Ladies and Gentlemen.

Electors of Queen's County.

At a large and representative Convention held a few weeks ago I was unanimously nominated to contest this County in favor of the Government and the active prosecution of the war.

The platform since enunciated by Sir Robert Borden is broad, comprehensive and statesmanlike, and should receive the unqualified support of all patriotic electors.

My influence will be exerted towards the prompt forwarding of recruits to relieve our gallant but wearied soldiers at the front.

I shall vigorously urge all needful improvements in all our transportation facilities. It is well known that congestion of freight, spring and fall, not only retards our prosecution of the war but paralyzes our trade, causes heavy losses to our farmers, merchants and shippers, and urgently calls for improvement.

For nine years I had the honor of being a representative from this Province in the Dominion House of Commons, during which period I tried to do my duty faithfully, and I trust not without results.

I now respectfully solicit your support for Mr. D. Nicholson and myself.

The season of the year in which this election campaign is being held makes it difficult for me to visit each of you personally, much as I would like to do so, but I shall use every effort to see as many of you as I can.

Yours faithfully,
ALEXANDER MARTIN.
