Ottawa Senators In Convincing 8-2 Victory Over Toronto Marlboros

By Mel Sufrin (CP) —
 Breaking out in a wild scoring spree during the second and third periods, Ottawa's sharpshooting Senators scored a convincing 8-2 victory over Toronto Marlboros here tonight to take a two-to-one lead in the best-of-seven series for the Eastern Canada senior hockey title.

The turning point came just after the second period got under way when the Senators turned on the steam to chalk up four goals within two minutes and 35 seconds. The crowd of 7,889 went wild as defenceman Jack Irvine scored a pair of goals, the first and third of the rapid-scoring spree which also saw Buddy Hellyer and Stu Smith beat Howie Harvey in the Toronto nets.

Smith and Hellyer added goals for Ottawa in the third period while Lude Check and Bill Robinson completed the scoring.

Johnny McLellan and Ray Hannigan were the Marlboro scorers, McLellan driving the puck past Legs Fraser for the only first period goal, and Hannigan getting his in the final frame.

The teams now head back to Toronto for the fourth game of the series Thursday night. The fifth game will be in Toronto Saturday.

Local Victoria Club Considers Baseball Plans

The Charlottetown Victoria Club made its first step towards becoming an active backer in local sport since its re-organization meeting last week by holding an open baseball meeting last night at the City Hall, which was largely attended by ball players from intermediate right down to midget ranks.

The meeting, which was presided over by the president, Mr. Byron Brown, was called for the purpose of finding out how many of the local players were interested in turning out with the club teams in the various age groups which they will sponsor in local competition this year, and got away to an encouraging start when some 30 youngsters made temporary registry with the club.

In the opening half of the meeting, which was of a business nature, secretary-treasurer Ray Stult ure, minutes of the re-organization meeting, after which Mr. P. A. Murnaghan, chairman of the constitution and by-laws committee, tabled a proposed constitution drawn up by the committee for the approval of the executive.

The club proposed to sponsor teams in junior, juvenile, midget, bantam city baseball leagues this summer, and already plans are being drafted to hold a series of instructional classes for players in all groups until such time as the weather will permit the youngsters to take to the playing fields for regular practice.

Fred Whelan and Harry McInnis, both members of the baseball committee, the former the chairman, also gave brief reports on their progress so far and Mr. McInnis also gave the boys a few helpful hints on pre-season training.

Vince "Lefty" McQuaid was also added to the already existing baseball committee and towards the latter part of the evening gave the boys a brief talk on the fundamentals of playing baseball and put on display for their benefit, a series of pictorial instructions which he had drawn up.

Following the registration period, the meeting was adjourned.

Swedish Runner Wins Easy Victory In Boston Marathon; Cote Sixth

BOSTON, April 19 (CP) — Karl Gosta Learnderssen, long and smooth-striding Swedish champion, ran a front race for the last 15 miles today to win the Boston A. A.'s 53rd Hopkinton-Boston marathon in two hours, 31 minutes, 50.8 seconds.

He finished about a half mile ahead of the closest of his 141 rivals, Vic Dyrgall, a New York accountant making his first start over the 26 miles, 385 yards grind, Gerard Cote of St. Hyacinthe, Que., last year's winner, finished sixth in 2:42:55 to lead the big Canadian contingent.

Learnderssen and Dyrgall were the only serious contenders from start to finish, Lou White, the Boston A. A. Negro star, placed third in 2:36:48.

Two-time victor Johnny Kelley of Boston, was fourth in 2:38:07 and Joe Smith of Medford, who won in 1942, was fifth in 2:38:30.

The cigar-smoking Cote, who said he neglected to train on hills this year, was striving for his fifth triumph since 1940.

George Norman of Toronto, a member of the Gladstone Athletic Club, was the second Canadian to finish the grind. He was 12th in 2:47:33.

The veteran Ab Morton of Galt, Ont., ran 15th in 2:51:21.

Lloyd Evans of Quebec City was not among the first 63 finishers. He and Cote were both members of the Canadian Olympic team last year.

The non-English-speaking Learnderssen, 31-year-old resort caretaker in his native land, won a marathon in Czechoslovakia last October. A foot injury prevented him from competing for Sweden in last summer's Olympics.

John Laflay of the United States naval air service, stationed in Newfoundland, was 26th in 3:01:45.

Other Canadians in the first 63 were John F. Alexander of Montreal, 42nd in 3:22; Lucien Jolin of Montreal, 43rd in 3:22:07; Wilmer Sheridan of Hamilton, Ont., 48th in 3:24:22 and Harold G. Carter of Gladstone A.C. Toronto, 53rd. His time was not available.

Big Rainbow Trout Arouses Much Interest

The 8-pound, 2-ounce rainbow trout caught on Saturday morning by Sgt. Heath, R.C.M.P. of Summerside at Scales Pond has aroused considerable interest on the subject of rainbow trout. It was explained yesterday by a fish and game authority in Summerside that about five years ago some rainbow trout were released in this pond on the upper Dunk River and have thrived wonderfully. At the same time and during subsequent years speckled trout have also been released.

Fishermen during the last few seasons have been catching numbers of rainbow trout along with the speckled variety and fish of from three to five pounds have not been unusual. Each year they seem to be getting larger. They have been caught from April 16th onward and no question has been raised about the legality of retaining them. This authority stated that there are certain protected areas where rainbow trout have been released that the season does not open till July 1st, but this has never been considered by fishermen to apply to Scales Pond.—S.

George Ross To Defend Title

HALIFAX, April 19 (CP) — George Ross, Canadian middle-weight champion, will defend his title against Pete Zaduk of Guelph, Ont., here April 30.

In their last bout, the West Bay Road, N.S., titleholder fought Zaduk to a draw at Glace Bay. The match will be a 12-round affair.

quarters that there is a possibility of this League dropping out of the picture this year due to the lack of sufficient older players to maintain equal teams, now that it is fairly certain that Charlottetown will be entering a senior team in a Central Section Baseball League with mainland teams, which will be sponsored by the Charlottetown Abegweit Club.

Although this is merely rumor at the moment, it is thought not the intention of this column to go into the situation at any length in all fairness to the League itself, who will be dealing with these matters themselves when they are brought up before the meeting. However, it might be well to mention here, that in the event that the League should drop out of operation this year, the general impression that this column has gathered as the result of previous ball meetings so far this season, is that those senior players who will not be connected with the Senior B group, and have been active in City League ranks, will be formed into an intermediate group which will participate in an Island Intermediate Baseball League which will probably come under the supervision of the Department of Physical Fitness.

It is to be remembered, however, that this is only the general picture of the baseball trend here at the moment, and is in no way substantiated fact, and will all have to be worked out by the players and officials themselves in the various baseball meetings, etc., which will be held in the near future.

Officials of the Garrison Officers Badminton Club announced yesterday, that due to the fact that the Charlottetown Armouries has been closed during the past week and that club has been not getting in their regular playing sessions during that time, they have found it necessary to postpone their annual club tournament to a date to be announced later. The tourney was originally scheduled to get underway this Wednesday and Saturday.

Two Kensington business men — George Brookings and Reg Holman — have offered to pay the salary for one year of a full time recreational director for Kensington and district. It was announced last night at a banquet in honor of the Kensington Legion hockey team, winners of the North Shore Hockey League during the past winter. The banquet was sponsored by the Kensington Junior Chamber of Commerce, and the announcement was made by the president, T. J. Ling, who presided.
