## THRILLING CLIMAX TO N.S. SHOOT

### Grand Aggregate Won By Lt. H. W. Parker, Yarmouth, in Shoot-off.

(C. P. By Guardian's Special Wire) BEDFORD, N. S., Aug. 1.—Six different shoot-offs for ties in the Grand Aggregate brought the greatest meet of the Nova Scotia Rifle Association's 67 years to a thrilling climax at its close today.

Three days' shooting produced the largest list of near-perfect scores ever recorded in the annual provincial meet, and even the oldest veterans could find few gloried memories of matches as eventful as today's.

Lieutenant H. W. Parker of Yarmouth and Captain F. M. Smith capped off major honors in the Grand Aggregate, but their stand-out performance through the three days could not overshadow the work of at least 20 other high-scorers.

Throughout the meet Parker and Smith fought for Grand Aggregate leadership as it compiled through various matches. At the end of the Merchant's Cup today, last event of the meet, they were even with 345 points each. They fought it out on a shoot-off at 600 yards, with Parker getting two bulls-eyes and an inner for 14 against Smith's 13.

The Stanfield Cup shoot this morning saw another fight between the two leaders and H. H. Morse of Annapolis who were all tied with .98. Morse won in the shoot-off with a perfect 15, while Smith took 14 and Parker 13.

Parker had his revenge later in the Merchant's Cup final when he won it with a record score of 123 for the two days it took to be run off to make the shoot-off with Smith necessary in the Grand Aggregate.

Prizes were presented at the end of the meet by Brigadier General H. F. H. Hertzberg, officer commanding military district No. 6, assisted by their donors.

## BRILLIANT TENNIS AT N.B. TOURNEY

### Rain Causes Temporary Setback In Play — Finals Scheduled For Saturday.

(C. P. By Guardian's Special Wire) FREDERICTON, N. B., Aug. 1.—The first rain here in several weeks interrupted running off of matches in the New Brunswick Tennis Tournament today. Despite this setback, however, the semi-finals of the men's, women's and junior singles and doubles were expected to be completed by tomorrow evening, with finals of all events scheduled for Saturday.

Thunder showers halted play this afternoon at the start of third sets in the quarter-finals of the best two men's singles seen since the tournament opened Monday. The other two quarter finals were completed before the down-pour. Sydney Bartlett, hard-hitting young Fredericton star, caught the fancy of the gallery by his brilliant playing against Garnet Raper, smooth stroking Montrealer at present playing from the Grand Bay Club in New Brunswick.

Raper sailed through the first set with comparative ease by making his low flat drives fairly skim out of Bartlett's reach, and took the set at 6-1. The Fredericton player, instead of resorting to a defensive hit harder than ever as the second set opened and it was a ding-dong struggle with by far the prettiest rallies of the week's play until Bartlett copped the set at 8-6. Raper was leading 2-1 when play was called.

After falling in the first set at 5-2 in favor of his opponent, George Johnston, New Brunswick's no. 1 player in 1934, resorted to a soft game against Lloyd Keating, Moncton, and the latter, who had been belting the cover off the ball for spectacular placements, changed to the soft style. Johnston ran the set at 6-5 by taking four straight games but Keating then worked hard and carefully and took the set 8-6. The second set was won by Johnston at 7-5 after a long drawn exchange of carefully played shots on the part of both opponents. The Fredericton star was leading 1-0 when play was called.

Ross Wilson, of Toronto, had control and speed to burn in his match against Alan Eaton, of the same place and 1934 New Brunswick junior champion. Wilson fairly swept young Eaton off the court with whistling speed, his shots nipping the tapes with uncanny precision. Local enthusiasts observed that Eaton's game had improved this year, his stellar exhibition against a more experienced opponent gaining him rounds of applause.

The popular J. W. O'Hara, Ottawa city and district champion, had a hard time in his set against equally popular Hubert Hauck, ranking junior from Oran, Me., but won it 6-4 and ran out the second set at love. It was termed a splendid display of tennis and spectators had a treat in watching the clever placements of O'Hara and the tireless playing of young Hauck.

Plenty of thrills were seen in a men's doubles match when Jack Freeze and Rev. Wayne Robinson, veteran Bangor pair, eliminated Jack Babbitt of Fredericton and J. H. Drummie, of Rothesay in a two hour struggle which went three sets. The Bangor team uncorkeed a perfect lobbing game.

## Falcons Take Close Game From Grocers 10 To 7

### Holy Name Club Falcons took a big step in the direction of a play-off berth last evening when they won a closely contested game from Burhoe's Grocers 10 to 7 in a City Baseball League encounter.

Jumping into the lead in the last half of the first inning with a three run assault, the winners were never headed thereafter. The Grocers threatened in every frame but just couldn't catch up with their opponents, who added a brace of runs in the second and after being blanked in the third and fourth, counted five times in the fifth, their last turn at bat.

The losers chalked up two runs in the second, one in the third and four in the sixth, double plays in the third and fifth by the Falcons quickening threatening rallies.

Ernie Robin, on the mound for the Falcons, was nicked for seven hits while striking out a like number, while Archie McFarlane, serving them up for the Grocers, was forced to accept his first defeat of the season, Falcons batters hitting safely ten times. McFarlane had four strikeout victims to his credit.

Roy Maxwell, pitching for Westville, played a neat game from the box and was accorded fine support from the infield, but the homeites did not take advantage of the batting breaks. Only 12 Kiwanis faced Maxwell in the last four innings of the game.

The Maritime champions used three pitchers, Boles who allowed three hits and the run, Brownell who gave but two hits and Kallenburg, who left the other three on base. Each hurler was used three innings.

## STARS MEET HOLY REDEEMER TEAM TONIGHT

The scene of City Baseball League warfare shifts to the Holy Redeemer diamond tonight when "Shonnas" Francis sends his charges against the league leading Stars in a great endeavor to break the "jinx" which seems to be following the Holy Redeemer team.

Although their list of victories so far this season is not impressive, any means the Holy Redeemer team, when going right has given every team in the league the stiffest kind of a battle and tonight with either "Lefty" McQuaid or "Puddy" Connors shouldering the pitching burden the Stars can and do expect a mighty hand struggle.

Game starts at 6.15.

## IN PRAISE OF NORTHAM

Sir—The lovers of harness racing were thrilled beyond expression by Wednesday's exhibition at Northam. Even the most fastidious spectator would find naught to criticize in the manner in which the program was carried out. The classes were called promptly; there was comparatively little scoring; and all the finishes were exciting.

By far the most interesting number on the program was the 212 trot. The chief merit of that class was that of affording Heathcote a long-looked-for opportunity of demonstrating that he is what scores of his admirers think he is—the greatest trotter in the Maritimes. Piloted by the veteran reinsman, Mr. Cameron, at no time during the race was Heathcote's supremacy seriously threatened. The colorfulness Mr. McInnis' gelding showed at Northam, his first race, is symbolic of what we may expect from him at future meets this summer. Put Heathcote in a congenial class with Mr. Cameron up, and he will prove himself the nonpareil Maritime trotter.

I am, Sir, etc., FAIR PLAY.

## Pirates Halt Pennant Rush Of Chicago Cubs; Bengals Increase Lead

NEW YORK, Aug. 1.—Pittsburgh Pirates again came to the aid of the faltering New York Giants today when they turned back the challenging Chicago Cubs 6-5 in the final game of their long home stand. The defeat dropped the Cubs a full game back of the Giants, who were not scheduled to play.

Striking early and hard, the Pirates scored all of their runs in the second inning. Arky Vaughan clung to the five-hit attack off Lon Warneke by hitting his 16th home run of the season with the bases loaded. The Cubs came back and had the tying run on first when White Hoyt went to the rescue of Bill Swift in the ninth and quelled the rally.

Tom Zachary was more effective in the pinches than Ben Cantwell and Brooklyn Dodgers took the final game of the series with the Braves at Boston 4-2.

Each team made 11 hits but Zachary kept the Braves blows well spaced except in the third and sixth when they bunched three in each inning to score their runs. The Dodgers put over two runs in the fourth and then came from behind to tally the deciding counter in the eighth when Sam Leslie singled for his third hit to score Frenchy Bordagary.

Cincinnati's Reds slipped back six place after a day in fifth position as St. Louis Cardinals beat them 7-5 at Cincinnati while Brooklyn Dodgers were disposing of Boston Braves.

A four-run drive off young Emmett Nelson in the first inning, aided by successive triples by Medwick and Collins and Gelbert's double gave the Cards victory. Double

## 1500 MILES WITHOUT ADDING OIL? YOUR CAR'S A CAMEL!

"NO—I JUST USE QUAKER STATE!"

"People just can't believe me when I tell them that in ten years of motoring, with Quaker State, I've never had to add oil between regular refills. Even though I only drain and refill every 1500 to 2000 miles, my car always gets safe lubrication. I know, because I've owned a number of cars in these ten years and never had a serious repair job yet."
