March 7th, 1909. Philip and the Ethiopian—Acts viii: 26-40.

Golden Text—Ye search the Scriptures because ye think that in them ye have eternal life, and these are they which bear witness of me.—John v: 39.

Verses 22—When God directs us by circumstances or by a friend, or by an angel, it is just as much from God as though He spoke to us direct.

I do not know whether this angel was a devout man or woman, or a mental picture, or a dream, or a spirit; but he, she or it, convinced Philip, that God wanted him to go south, now how did Philip know that the impression to go south was of God, and how may we know under similar circumstances? (This question must be answered in writing by members of the club.)

May any person who is not playing double with God, safely trust "the inward voice," to direct as to outward circumstances?

Verses 27, 28—Philip found that he had not come on a fool's errand now it is not invariably so, that results of to-morrow, always justify the faith vision of to-day?

Seeing this Ethiopian was a man of exalted position, in a foreign country, what was the significance of Philip being sent to him?

Verses 29—When Philip saw this man's chariot looming up in the distance, perhaps after days or weeks of waiting, with more or less doubt, he got the impression that this was his opportunity; now from whom did he get the impression?

With what sort of voice did the Holy Spirit speak to Philip?

If we should learn that the Holy Spirit used the circumstances, and Philip's reasoning processes, his hope and his fears, as God's voice, would that be really the voice of the Holy Spirit, as if the words were spoken by God out of the clouds.

It is always safe for us to do as the Holy Spirit tells us, as in this case?

Verses 30—Was this Ethiopian a devout man?

If a man devoutly searches the Scriptures, he is sure to find God?

If a man devoutly searches the book of nature, with a desire to obey her laws, he is sure to find God?

Verses 31-34—Where in the Bible is the passage which the Ethiopian was reading?

It is always necessary, that some one should explain the Scriptures to us?

Can we understand the Scriptures or get the full import of any fact, without the aid of Holy Spirit?

Why could not, or why did not, the Holy Spirit explain this Scripture to

THE ETHIOPIAN DIRECT?

As a matter of fact, was not the Holy Spirit, guiding the Ethiopian as much as was Philip?

Was Isaiah conscious when he wrote these words, that they applied to Jesus; or did he think that he was describing some other person or persons than they knew?

Did not the prophets, as other inspired men, often write more wisely than they knew?

Verses 35-38—Did this Ethiopian need "converting," the same as a willful sinner, or did he, as a devout child of God, simply recognize Jesus as the sent of God, and was then baptized in His name?

Verses 39-40—Was Philip, so to speak "spirited" away or did he leave in a natural manner?

Lesson for Sunday, March 14th, 1909—Aeneas and Dorcas Acts ix:31-43.

SAID TO BE A NATIONAL CURSE!

That indigestion is responsible for more sickness than any other disease is certainly true. Some doctors go so far as to say it is a national curse. Repeated attacks inflame the lining of the stomach and cause the secretion of mucus instead of the juices of natural digestion. Consequently the blood is poisoned, nerve force is reduced, the vitality of the entire system is weakened. There is but one national remedy for indigestion and that remedy is Dr. Hamilton's Pills which are used by thousands with marvelous success.
