Why It Will Pay You To Buy Invictus Shoes

You'll know the difference between good and bad leather only after you've worn it.

It's then that the inferior leather shows its defects, both in looks and wearing qualities.

When you buy a pair of shoes you are at the mercy of the maker.

If he puts inferior leather into them he's going to lose your future trade.

But, if he uses good, high grade, selected leather it means that your purchases won't stop with the one pair—you'll become a permanent buyer.

Men who buy one pair of INVICTUS Shoes keep on using them from year to year.

Because INVICTUS Shoes are made of the best selected leathers, by skilled workmen, on modern machinery, over stylish up-to-date lasts.

They're made with the object of giving the maximum of wear, style and comfort that any shoes can give.

Sometime ago the Charlottetown Board of Trade forwarded to the Minister of Marine and Fisheries and Messrs Warburton and Prowse, Ottawa, the survey made of the ice conditions by Captains Gillis and Myers.

In St. Peter's Cathedral the fourth sermon of the Lenten series was preached by Canon Simpson in his able manner and listened to with great interest by those present. The concluding sermons are entitled "This Prayers, and This Patience."

Do not send communications to individual members of staff. Everything should be addressed "The Charlottetown Guardian, Charlottetown, P. E. I.," and on the left hand corner at the bottom of the envelope should be "Advertising," "Subscription," "News," "Editorial," or "Tour Editor," according to the contents.

The sermon preached on Sunday evening last by the Rev. S. T. Woodroff from the text "Inasmuch as ye have done it unto the least of these my brethren ye have done it unto me," was one that made his listeners feel the better for having heard it. A beautiful feature of the musical service was the singing of "The Story of the Cross" the solo being taken in an able manner by Miss Earl.

At the Y. M. C. A. the boys morning meeting was one of the best of this year, and the attendance over fifty. Harold Jenkins gave the boys a most interesting and instructive talk on Palestine. So vivid were the descriptions and so impressive the lessons brought out, that one could scarcely believe that Mr. Jenkins had lately visited this most interesting of all lands. He certainly has made a careful study of "The Land of the Book." The Y. M. C. A. boys' orchestra rendered excellent music. The orchestra is growing and will be larger next Sunday.

The Hockey Team, composed of the stars of the Guardian and Examiner, hereby accept the challenge of the Barbours for a friendly game of hockey and will play any night during the present week providing notice is given in ample time to the secretary. A. P. Starr, Guardian office, The Line Point, A. P. Starr, Cover Point, F. Newsom, and Forwards consisting of P. Duffy, J. Duffy, E. Young, and R. McDonald. The team in case of defeat will gladly provide a supper, and will in either case look forward with pleasure to the satisfying of the inner man.

A Chicago court has adjudged insane Rev. F. E. J. Lloyd, D. D. a deposed priest of the Episcopal Church, who was formerly stationed at Charlottetown, Quebec, and other Canadian points. Dr. Lloyd was committed to the care of relatives. Dr. Lloyd is a native of England and a graduate of Rochester College, Oxford. While rector of an Episcopal Church near Pittsburgh, Pa., he founded the "Society of Mission Priests of St. Philip." Three years ago he was elected Bishop of Oregon, but as some of the clergy in Portland objected to his advanced churchmanship he declined to accept election and Rev. Dr. Scadding, a former Toronto man, was chosen in his place. The ill-feeling engendered apparently nettled Dr. Lloyd, for he abandoned the Episcopal Church and went to that of Rome. Brooding over his troubles and parting with former associates undermined his health.

Notwithstanding the unfavorable weather a fair audience gathered in the Baptist Schoolroom last evening to hear the address given by V. Creed on the progress of Temperance. His presentation of this great question showed careful study and research as many important and interesting facts were given. At the conclusion of the address a vote of thanks was moved by Rev. G. R. White and seconded by R. H. Jenkins and supported by J. P. Gordon and others. Recitations given by Miss Stewart and M. R. Bethune added much to the evening's enjoyment.

Last night New Wonderland showed to good houses all evening. The country store was an innovation that sent away twenty five happy people. Al Allen impersonated the country store-keeper in capital style and had a pleasant word to give with every present. In his musical act he proved beyond a doubt that he is perfect master of musical instruments. His triple tonguing on the cornet, beration solo, jigs on the cello—the hardest of string instruments—and his slide trombone solos took the house by storm. His solo on the trombone played with his foot and the imitation of the saw mill were features of his entertainment. His quick make up in the presence of the audience created much amusement. The picture program was not neglected and Fred Dillon sang the popular song "Rainbow" with elegant, colored slides, as only Fred Dillon can sing.
