Allen and Mr. and Mrs. Archie Hume.

On Monday evening a lovely shower at the home of Mr. and Mrs. E. W. Beck was tendered to Miss Ruth MacGregor and Mr. Charles Fraser, prior to their marriage on Wednesday. The shower took the form of a treasure hunt with calls being made at the rink and the school where groups met them on their arrival. Many of their old classmates were on hand to welcome them at the school which brought to mind many happy recollections of past school days. The whole party then moved on to the home of Mr. and Mrs. Beck, where the gifts were opened. Mr. Fraser thanked their many friends in a well chosen speech. Following this a social evening was enjoyed with piano selections by Miss Peggy Beck, piano and trumpet selections by Miss Beck and Cliff Lilley. The former classmates under the direction of Ralph Fraser presented a little skit entitled "Twinkle, Twinkle, Little Star" which included many strange characters. The class Valdeictorian was Mr. Glen Reynolds who gave an inspiring message on the above theme. A very delicious lunch was served by the Hostess, Mrs. R. W. Beck with the assistance of a committee of ladies. Following the

lunch Mr. and Mrs. Ralph Beck sang a duet to the enjoyment of the whole party; accompaniment by Miss Peggy Beck. Then all joined hands to sing "Auld Lang Syne" as the long single file slowly moved out, bringing the enjoyable evening to a close. — Lan.

VICTORIA HARBOR HAS MYSTERY SHIP

VICTORIA, B. C., June 22 (CP) — At anchor in the inner harbor here is the fishing vessel Esmeralda, and how it got there and who owns it are mysteries to shipping officials.

Through rain and shine for several seasons the orphan craft

fighting a losing battle with marine growth and her housing rotting with age, has remained at anchor.

Canadian customs officials and the port harbour warden know nothing of the vessel. She is not registered at any port across Canada.

Her name is clearly seen from the dock, but there are no visible identification letters or number combinations.

All that could be learned was that she was first named Esme. The name was changed to Esmeralda about 18 years ago. She was originally owned by Capt. John Robert Vyvyan, engaged in the wool trade between Australia and England for 50 years.

It is believed that Capt. Vyvyan came to Victoria from England, to retire sometime between 1914 and 1918, but no trace of him can be found.

Should the Esmeralda sink or break away, her fate will have to be decided by the Department of Transport officials.
