Raw, Flaming Eczema, Sale Rheum and Scald Head

The Dreadful Itching and Burning Promptly Relieved and the Disease Thoroughly Cured by Dr. Chase's Ointment.

Mrs. A. McKnight, Kirkwall, Wellington County, Ont., writes:—"I feel it my duty to let you know what Dr. Chase's Ointment has done in a very bad case of eczema on our baby. We had tried any number of cures without any permanent relief, but from the hour we commenced using Dr. Chase's Ointment there was great relief, and the improvement continued, until there was complete cure. We think it the greatest of family ointments."

Mrs. R. Stoddard, Delhi, Ont., writes:—"I was troubled with psoriasis or chronic eczema for twelve years, used many remedies during that time, but got no relief. Doctored with four or five doctors, but found no cure. I decided to try a box of Dr. Chase's Ointment, and before using half of the box found great relief. I have used about three boxes, and am now completely cured, and have recommended it to many others. It is the best I have ever used, and it is worth its weight in gold."

There is nothing to be compared with Dr. Chase's Ointment as a cure for the most obstinate and torturing skin disease. Its cures are often truly marvellous. 60c a box, at all dealers, or Edmondson, Bates & Co., Toronto.

At a meeting of the Executive committee of the Prince Edward Island Sabbath School Association held in the Y. M. C. A. Parlor last night it was unanimously decided to accept the invitation of the Sabbath workers of Summerside to hold the annual convention in that town this year. The date fixed for the meeting was Tuesday, and Wednesday Oct. 15 and 16th. The International Secretary, Mr. Marion Lawrence, successor to Mr. Hamill, will be present.

At 4 o'clock yesterday afternoon a serious accident occurred in front of the Railway station. Seated in a carriage just in front of Mrs. Reddin's house were Mrs. John McGowan, Miss Elsie McGowan and Master Keith McGowan. The Davies Hotel team which was tied and standing at the baggage room door broke loose and ran toward the hotel, colliding with Mrs. McGowan's carriage, hurling the occupants to the street. Mrs. McGowan was rendered unconscious and was immediately placed in a carriage and conveyed to the hospital. The Davies team continued on in its mad pace and ran direct to the stable without breaking the harness or wagon. Mrs. McGowan's team also ran and before a capture was made very little of the carriage was left together. At a late hour last night Mrs. McGowan's condition was reported quite favorable. The injured lady's left side however is quite severely bruised and she suffers with a painful cut on the nose. The escape of the other occupants of the carriage was a miracle.

Quite an interesting Epworth League meeting was held last night in Grace Church. Mr. E. C. The purpose is to pray, study and give for the support of some particular person in the work; to give at least two cents a week. The meeting passed a resolution to join the other Leagues in the work and about eighteen dollars was pledged.

Rev. Clarence E. Eberman, the Christian Endeavor's new Field Secretary and Mrs. Eberman will arrive in Charlottetown on Thursday the 29th inst and will conduct a grand C. E. Rally in Zion Church on the 30th. Mrs. Eberman will hold a Conference with the Junior Workers from 3 to 4 o'clock Friday afternoon. There will also be a conference for all Endeavorers from 7 to 8 p.m. and a Grand Mass Meeting from 8 to 9.30 p. m.

Mr. Eberman's geniality and affability win for him friends wherever he goes, and make him admirably suited for the work to which he has now been called. His genial humor in personal intercourse makes association with him a pleasure, and among his college classmates he is known as the one who always has a new story every time they meet. Amidst all the earnestness of spiritual work, when the hour for relaxation is at hand, he still preserves all the buoyancy of his rollicking boyhood; so that those who know him best cannot help thinking and speaking of him as "a jolly good fellow." Such is the new Field Secretary.

PROGRESS OF Y.M.C.A.

Visiting Gentleman Will Take Part in the Gymnastic Exhibition.

Mr. W. T. Robb arrived in the city by the mail express last evening. He has been spending his vacation at his home in St. John, and comes here to assist the Y. M. C. A. with their gymnastic exhibition on Monday night.

Mr. Robb is Physical Director of the Y. M. C. A. at Lexington, Kentucky, and since he has been there has become very popular, and has built up a splendid work in physical culture in that Association. Beginning first as General Secretary of the St. Stephen, N. B. Association, he afterwards spent some time with the Association at Newport, R. I. but finding his gymnastic experience fitted him peculiarly for that department he decided to make that his life work. As a gymnastic Mr. Robb has been very successful and his advanced work has been highly spoken of. He is a thorough believer in the Young Men's Christian Association and feels that it has a place that no other agency can fill in helping young men. Associations all over the country are making rapid progress and are deservedly popular with the young men.

Our local Association is fortunate in securing Mr. Robb's services for their entertainment and his presence will add much to the success of the Exhibition. He will do several very difficult feats during the evening.
