CELERY, CELERY, CELERY, CELERY.

One of our specialties--In spite of the exceptionally dry hot summer we have the finest crop for years, of the choicest of this kind of vegetables.

Our method of growing Celery gives it a flavor not found anywhere else. Everybody should eat celery, the medicine properties contained in this plant is recognised by the medical faculty and is constantly prescribed by them.

If you are sick eat celery and get well, and if you are well, keep so by using it, "prevention is better than cure" It will cure rheumatism. We know it by experience.

The low price we are offering our celery for leaves no excuse for the average family to be without it. Just think of it 1 barrel of celery \$2.00 or 5 barrels for \$9.00 Positive-ly no reduction on this price. When it is stored for winter it will advance in price.
