No cod-fish yet.—But little cropping done east yet at a time it used to be completed.—Lobsters are scarce on south side of East Point plenty on north shore, but bait scarce.

...*GOOD CONCERT.— A most successful concert, given by the pupils of Souris High School, was held in St. Patrick's Hall, Souris, on Tuesday evening the 12 inst. A large and highly appreciative audience filled the hall to its utmost capacity. The program was as follows:—Opening Chorus, "Flag of Freedom" by School. "An Incident of the War"— fourteen boys'. Solo—"Sing a Song of Sixpence, Charles Styles Orchestra— Dialogue—"A Backwoods School." Song— Evening Bells, Frank Paquet and Ivan Cheverie. Highland Fling and Dancing in costume, Nellie Garrett and Kimbell McEwen. Dialogue— "Three Mothers." Edith Coffin, Eunice Garrett and Nellie Garrett. Intermission— Sale of Candy. Part II.— Chorus by School, Sailing. Music by Orchestra. A Character sketch— Ike and Becky by Bessie Garrett and Casimir Marcou, Cadet Drill Recitation— When Teacher gets Cross, Reginald White. Music— Orchestra. Drama— Gumtown Woman's Association. Every feature of the program was so well received that it is difficult to distinguish any particular one for merit. However, the Drill of the young cadets of the school deserves special mention. The cadets were supposedly in two divisions— Canadians and Americans. Each division came on the stage at different times and went through various drills in unison with appropriate songs. The camp scene of the Canadian boys was particularly effective. The last piece on the program was a drama in one act portraying Women's Suffrage of forty years ago. It was put on by eight young people of Souris and the quaint costumes worn by the different characters elicited much applause. Souris Orchestra, one of the best on Prince Edward Island deserves thanks for their kindness in assisting to make the concert such a success.

—*ONE CENT per word each insertion for advertising in this column. Cash must accompany order. Minimum charge twenty-five cents.

A DEAD FLY

May Be As Dangerous As A Live One

It is certainly more repulsive, and, if left, will breed far more diseases than ever it did when alive.

It is not sufficient to kill the fly. You must destroy the germs as well. These, if allowed to multiply, will spread disease and death. Give up using the fly swatter and the unsanitary sticky flypaper.

Buy WILSON'S FLY PADS— the only really effective method of exterminating the death-dealing housefly. They kill all the flies in the house in a few hours. No deadflies left lying about.

Be careful to follow directions found in each packet.
