

Wellington

THE UNIVERSAL PIPE

You'll get real friendly with a Wellington Pipe. You can't help it. The well catches all moisture and stray tobacco, and the top-opening bit sends the smoke up away from your tongue. Result is you have a cool, dry, smoke *always*. The Wellington is easy to break in because it is honest French briar, expertly seasoned, guaranteed against cracking or burning through. Pick a Wellington today at any good dealers, all shapes and sizes \$1.00 and up.

TUESDAY

WEDDING BELLS.—The marriage of Mr. Taylor B. Warren and Miss Gladys Bristow, of Pleasantville, Iowa, took place at high noon, on June 19th, at the home of the bride's parents Mr. and Mrs. Leard Bristow. The bride is a graduate of the Liberal Arts College, while Mr. Warren is a graduate of Drake University. They are visiting New York, Boston, and Ottawa, on their way to Mr. Warren's old home on P. E. I. where they will spend their honeymoon. They will be at home after Aug. 1st at Pleasantville, Iowa. Mr. Warren was a former principal of Montague High School and his many friends here will be delighted to hear of his success in the educational world, as well as having won so talented a bride.

HEROES REMEMBERED.—Quite a number of the people of North Bedouque and adjoining districts gathered at the home of Clement Carruthers on Wednesday evening, June eleventh to do honor to his brother Captain Sam Carruthers, who had returned some time before from overseas. He enlisted as medical officer in a battalion recruited in British Columbia. After some time had been spent in every making Professor Theodore Ross addressed the returned hero, and Miss Jessie McCaull presented him with a signet ring. He then made a fitting reply. The National Service Committee also presented Capt. Carruthers and Sergeant Robert Laird, (who has also nobly acquitted himself with an artillery unit through many hard battles;) with suitably inscribed Bibles. Speeches were made by Rev. W. A. MacQuarrie, Thomas Humphrey and D. B. MacDonald. Capt. Carruthers gave a very good account of the work done in France by the C. A. M. C. and Y. M. C. A. Refreshments were served, and the National Anthem brought to a close a very enjoyable evening.

WEDDING BELLS.—A very pretty wedding was solemnized at the home of Mrs. M. MacKeown, Georgetown, on Monday evening, June 9th when her daughter Margaret was united in marriage to Mr. Elmer Jenkins, of Georgetown, in the presence of a number of invited guests. The bride who was attractively and becomingly attired in a travelling suit of blue, with hat to match, and who wore a beautiful shower bouquet, was unattended. The ceremony was performed by Rev. Mr. Thorpe, acting pastor of St. David's Church. After her had been served up by Mrs. MacKeown, the happy young couple left immediately to spend their honeymoon in Western Canada, carrying with them the heartiest and sincerest good wishes of their many friends for a long and happy wedded life. They were also the recipients of many useful and practical gifts including many valuable articles of silverware and cut glass. We would extend to Mr. and Mrs. Jenkins our sincerest and best wishes for a peaceful and happy voyage through their wedded life and are pleased to learn that they intend to reside for the future in their home town.—G.

WELCOMED HOME.—A very pleasant evening was spent at the home of Mrs. Jas. Carruthers on Wednesday evening June 11th when the people of North Bedouque assembled to do honor to her son Capt. R. S. P. Carruthers who had lately returned from overseas. After a half hour social chat, the meeting was called to order by Professor Theo. Ross, who on behalf of the North Bedouque Red Cross in fitting words extended a hearty welcome to Capt. Carruthers while the President, Mrs. Robert Baker presented him with a valuable signet ring. Capt. Carruthers replied in grateful terms and in a neat speech told of the work he had been permitted to have a part in for his country and humanity. He also eulogized the work of the Y. M. C. A. as he saw it at the front. Rev. Mr. MacQuarrie then spoke on behalf of the Bedouque Presbyterian church and Miss Jessie McCaull, Secretary of the National service committee of that church presented Capt. Carruthers and Sergt. Robert Laird (also lately returned from overseas) with a valuable Bible each. Sergt. Laird for himself and Capt. Carruthers thanked the people for the kindly interest that was taken in them. Mr. D. B. MacDonald and Mr. T. J. Humphrey also made short speeches suitable to the occasion after which the ladies served ice cream and cake which was heartily enjoyed by all.

FLOOD-CARRAGHER.—A very happy event took place at Green Bay, Lot 30 on the morning of June 18th when Mary Estella, daughter of Mr. and Mrs. Patrick Flood, was united in the holy bonds of matrimony to Mr. Thomas Carragher of the same place. The groom who is one of our brave Island boys spent three years in France fighting for his King and Country. The groomsmen, Mr. Peter McCloskey is another of our returned heroes and the bridesmaid was Miss Mabel Connick of Charlottetown, cousin of the bride. The ceremony was performed by Rev. Dr. Curran and the nuptial Mass was sung by Frank J. Flood, uncle of the bride, with her aunt Mrs. Dan Malone presiding at the organ. The bride looked charming in a dress of royal blue satin, with gold bead trimmings and a white picture hat. She carried an ivory prayer book a gift of the bridesmaid, who wore blue silk with hat to match. After the wedding breakfast the bridal party went for an auto drive stopping for dinner at the Beaton hotel, Bonshaw. In the evening about 80 invited guests arrived to offer their good wishes and partake of the abundance of good cheer, served by Mrs. Flood. A large dancing booth was erected on the lawn, prettily decorated with spruce and maple leaves, flags and bunting and lit by Chinese lanterns. The presents were numerous and useful and the number of cheques and envelopes containing bank notes testified in a very substantial manner to the popularity of the young couple. The night was spent in dancing with vocal and instrumental music. The guests departing in the bright hours of the morning with many hearty good wishes for long life and prosperity to Mr. and Mrs. Carragher.

MILITARY MEDAL.—The Guardian was shown yesterday the Military Medal conferred upon Private G. Stewart, only son of Mr. and Mrs. Murdoch Stewart, Brookfield, for conspicuous bravery. Pte. Stewart enlisted with the 205th and was afterwards transferred to the 26th Battalion. He arrived home about a month ago without a scratch and in the best of health. The Guardian heartily congratulates him and his parents in the honour he has won.

RECOGNITION FOR ISLANDER.—Mr. Arthur M. Howe, an old Summerside boy, who now holds the distinguished position of editor of The Rocky Mountain Eagle, one of the leading newspapers of the United States, has been chosen a member of the advisory board of the Columbia School of Journalism, upon the recommendation of the trustees of the university. The appointment is for a term of four years from July 1. It fills a desirable vacancy in the membership of the board.

The news of the sudden death at an early hour yesterday morning of Dr. Joseph Peter McGrath of this city came as a shock to his many friends. Dr. McGrath took ill on Saturday night but was better yesterday and able to attend to business. He took a turn for the worse later in the day and at night his condition assumed a very serious aspect. Four physicians were called in but his case had reached a stage where it was apparently beyond medical skill to save his life. Acute indigestion is given as the cause of death. Dr. McGrath was a native of Norway, Lot 1. He was about 36 years of age, a son of the late Mr. John McGrath of that place. He was educated at the public schools and St. Durstan's College and afterwards continued studies at Laval and McGill University. At St. Laurent he won his B. A. degree and in June, 1908 received the degree of M. D., C. M. He practised for two years at Big Forks, Montana and then came to his native province, settling at O'Leary and then Charlottetown. He is survived by a widow and two young daughters also five sisters and five brothers. The brothers include Captain James McGrath, Tignish, and Dr. Frank McGrath of Newcastle, N. B. There are also two sisters of the congregation of Notre Dame, one at Kingston and the other in Charlottetown. Miss Annie McGrath of the staff of Prince of Wales College is also a sister and there is another Miss Nettie McGrath a registered nurse in Burlington, Vt. A brother the late Rev. Father John P. McGrath was formerly Parish Priest at Miscouche. To the bereaved relatives the sincere sympathy of all will be extended.

The remains were conveyed by yesterday afternoon's train to Tignish. The funeral is expected to take place today.

Good-Looking, Durable Stockings

You can get long-wearing durable stockings for your boy without sacrificing appearance. We knit good looks into Buster Brown Stockings as well as long life. You'll find your boy likes their comfortable feel and neat appearance.

We use extra-long yarn, spun in our own factory. We knit the stockings with a two-ply leg and three-ply heel and toe.

Only employees with long experience knit Buster Brown Stockings. Special training is necessary to knit Buster Brown quality and durability into hosiery.

Buster Brown Stockings are made specially for boys who are extra "hard" on stockings. You'll find they are longer wearing. You'll find they save you a great deal of time formerly spent in mending. You'll find it costs less to clothe your boy.

Sold everywhere. Ask your dealer for Buster Brown durable hosiery.

Buster Brown's Sister's Stocking for the girls is a splendid looking stocking at a moderate price. A two-thread English mercerized line stocking, that is shaped to fit and wears very well indeed.
Colors—Black, Leather Shade, Tan, Pink, Blue and White.

"Save the surface and you save all" — Paint & Varnish

The Grand Trunk Steel Arch Bridge over Niagara Gorge. Over 1,000 feet long. Span of arch 950 feet. Construction started 1896. The bridge has been kept protected since by frequent painting.

What Keeps the Niagara Steel Arch Bridge Safe?

YOU will see painters working on the Grand Trunk Steel Arch Bridge nearly every time you cross it.

Surface protection keeps sound every beam. They cannot rust—they cannot corrode—because the surface cannot be penetrated.

Surface is a danger point for everything, whether the danger is from rust, decay, or wear and tear.

Here is a column for instance, supporting a veranda roof. Water got into it and is ruining it. Properly protected it would have lasted indefinitely. Shingles, siding, corner boards on a house or factory. Door sills. Anything with a surface needs protection. Save the surface and you save all.

Paint and varnish for protection. Anything worth owning is worth saving. Most of us wake up to damage after it is done.

THIS announcement is issued by the Canadian "Save the Surface Campaign" Committee, for the purpose of educating the public in the Preservative and Protective value of Paint, Varnish and Allied Products for the Conservation of Property, and has received the approval of the Canadian Trade Commission in the following words:
"The realization of the above objects will lead to employment during the Reconstruction Period and bears our entire approval."
