A VERY pretty wedding took place at the residence of Mr. and Mrs. John Harding, Graham's Road on Wednesday the 4th of September when their daughter Mary was joined in the holy bonds of matrimony to Mr. J. Gordon McKay of Bradalbane in the presence of the immediate friends and relatives of the contracting parties. The Rev. A. Stirling performed the ceremony that made two hearts beat as one. The wedding march was played by Miss Jeanette McLeod. The bride was becomingly attired in white silk and carried a beautiful bouquet she was attended by her sister Miss Rebecca Harding while the groom was supported by Mr. Jno. E. Sinclair. After the ceremony the company repaired to the dining room and partook of a sumptuous repast. Justice being done to the inner man the company then whirled away the evening in mirth and song. Mr. and Mrs. McKay then drove to their future home in Bradalbane amid the best wishes of their many friends. The presents received by the bride were numerous, handsome and costly and testifies to the high esteem in which she was held. Heartly congratulations.

A Run Down System OF PERSONAL INTEREST

Shows That the Blood and Nerves Need Tonicing Up.

This Condition Causes More Genuine Suffering Than One Can Imagine —How a Well-Known Exeter Lady Obtained a Cure After She Had Begun to Regard Her Condition as Hopeless.

From the Advocate, Exeter, Ont. "A run down system! What a world of misery those few words imply, and yet there are thousands throughout this country who are suffering from this condition. Their blood is poor and watery; they suffer almost continuously from head aches; are unable to obtain restful sleep and the least exertion greatly fatigues them. What is needed to put the system right is a tonic, and experience has proved Dr. Williams' Pink Pills to be the only never failing tonic and health restorer.

Mrs. Henry Parsons, a respected resident of Exeter, Ont., is one of the many who have tested and proved the value of Dr. Williams' Pink Pills. For many months she was a great sufferer from what is commonly termed "a run down system." To a reporter of the Advocate she gave the following story in the hope that other sufferers might benefit from her experience:—"For many months my health was in a bad state, my constitution being greatly run down. I was troubled with continual headaches, my appetite was poor and the least exertion greatly fatigued me. I consulted a physician but his treatment did not appear to benefit me and I gradually became worse, so that I could not easily attend to my household duties. I then tried several advertised remedies but without result, and I began to regard my condition as hopeless. A neighbor called to see me one day and urged me to try Dr. Williams' Pink Pills. Having tried so many medicines without receiving benefit, I was not easily persuaded, but finally I consented to give the pills a trial. To my surprise and great joy I noticed an improvement in my condition before I had finished the first box and by the time I had taken four boxes of the pills I was fully restored to health. I no longer suffer from those severe headaches, my appetite is good, I can go about my household duties without the least trouble; in fact I feel like a new woman. All this I owe to that best of all medicines Dr. Williams' Pink Pills and I would strongly urge other sufferers to give them a trial.

Dr. Williams' Pink Pills are recognized the world over as the best blood and nerve tonic, and it is the power of acting directly on the blood and nerves which enable these pills to cure such diseases as locomotor ataxia, paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of influenza, palpitation of the heart, that tired feeling resulting from nervous prostration; all diseases resulting from vitiated humors in the blood, such as scrofula, chronic erysipelas, etc., Dr. Williams' Pink Pills are sold by all dealers in medicine or can be had by mail, post paid, at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams Medicine Co., Brockville, Ont.

SOMETHING ABOUT FAITH CURES

What a great variety of faith cures there must be some have faith in so-called divine healers others in the medicines they use. Every person who has tested Dr. Chase's Kidney Liver Pills has faith in them, but faith or no faith they cure just the same, for they act directly and specifically on the kidneys, liver and bowels and make these organs healthy, active and vigorous. Judging from the enormous demand for these Pills there must be hosts of people that have faith in them.
