The funeral took place March 17th to St. Stephen's Church, Irishtown, of which he was a member, the services were ably conducted by his pastor the Rev. A. W. Watson, taking for his text, Psalm 16:15. The brittleness of the thread that binds the mortal to immortality was truly exemplified in the untimely death of John G. Harker of Summerside at the early age of 22. The deceased had not been in quite his usual health for a few weeks, but his friends considered his condition greatly improved, till on March 4th alarming symptoms developed and in about 12 hours he passed away. He was the son of the late George Harker of Cavendish, P. E. I. His father and mother both died when he was only 4 years of age, but by industry, sobriety and integrity he won for himself the merited respect of all with whom he came in contact. At the age of 15 he entered the employ of M. F. Schurman Co., and trusted by all was a general favorite, much loved and now mourned by the entire staff. He was a consistent member of the Christian Church, having united with that body about four years ago. He was also a member

"Doctor Advised Operation As Only Cure For Piles"

WIFE OBJECTED TO USE OF KNIFE AND CURE WAS EFFECTED BY USE OF DR. CHASE'S OINTMENT.

Here is the affidavit of a well-known fruit grower, who was cured of bleeding piles some years ago by using Dr. Chase's Ointment. His doctor could do nothing for him and recommended a surgical operation as the only means of cure. Luckily his wife had heard about Dr. Chase's Ointment and complete cure resulted from this treatment. It is by the cure of extreme cases like this that Dr. Chase's Ointment has won the reputation of being about the only actual cure for piles—itching, bleeding and protruding piles. Mr. Samuel Parker, fruit grower, Grimsby, Ont., has made the following declaration before Mr. W. W. Kidd, Notary Public, of the same place: "I do solemnly declare that I was troubled with bleeding Piles and was advised to go to the hospital to have an operation performed. My wife said 'No, get a box of Dr. Chase's Ointment.' I did so and have used it according to directions while living in Manitoba, and obtained a complete cure, for I have never been troubled with Piles since. I am now 70 years of age and want to recommend Dr. Chase's Ointment to all sufferers from Piles. My wife has used it for itching skin and obtained complete cure." Mrs. William Schetter, Spy Hill, Sask., writes: "I have used Dr. Chase's Ointment with great success as a treatment for Piles. About 15 years ago I had this ailment very bad and suffered greatly. By using Dr. Chase's Ointment a complete cure was effected and I have never had a return of the old trouble. It is undoubtedly the best Ointment made and no family should be without it." Put Dr. Chase's Ointment to the test and it will not disappoint you. Sixty cents a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

This bereavement was doubly sad as he was an only brother, Emerson, the eldest of the family, having died 2 years ago in Manitoba. The floral offerings, attesting the high esteem in which he was held were very beautiful. The funeral services were conducted at the home assisted by Rev. H. E. Bell. The interment took place in Cavendish Cemetery. The sympathy of the entire community goes out to the sisters mourning for one so loved and deservedly respected by all.
