JAP MINISTER CAUSES A FUROR AT MEXICO CITY

MEXICO CITY, July 23.—The Japanese Minister to Mexico on his arrival here yesterday was met by a crowd of 5,000 cheering Mexicans and the extraordinary cordiality of his reception brought out a speech which has aroused excited comment everywhere in the capital and which made Mr. O'Shaughnessy, Charge d'Affaires of the United States legation, promptly take steps to have transmitted to Washington with his own deduction as to its purpose.

The Japanese Minister, who was greeted with a chorus of "banai," made an address in Japanese, translated into Spanish by one of his attaches, and thus spoke to the crowd. It is intimated that he announced the existence of a strong bond of sympathy between Mexico and Japan on the score, it is declared he said, of both countries being in the midst of difficulties with the United States, that Japan would be heart and soul with Mexico if there should come a clash between that nation and the United States.
