A SAILOR'S TRIBUTE

Mr. Charles Walker, 1st Class Officers' Steward on the M.C.S. "Canada", writing from Halifax, says:

"Anyone who knows the agonies suffered from skin disease will appreciate my gratitude for what Zam-Buk has done for me."

"All last winter my hands were covered with this disease—they were just one mass of cracks, and it was almost impossible for me to continue my duties. I used remedy after remedy, but nothing did me any good. Then Zam-Buk was recommended and I commenced using it. After relief I soon felt was really wonderful, and after a few weeks' treatment my hands were completely cured."

This is but another illustration of the way in which Zam-Buk cures even long standing cases of skin disease which have defied all other treatment. Sufferers never regret buying Zam-Buk and why not try it first? Why experiment with ordinary preparations when this world-renowned preparation may be obtained at no greater cost!

Zam-Buk is just as good for cuts, burns, bruises, blood-poisoning, eczema, children's rashes, etc., and for piles. All dealers, 5c. box.

THE VICTIMS OF LA GRIPE!

Every winter a gripe sweeps over Canada like a scourge, leaving behind hundreds of health-wrecked victims. Ask any of those who have been afflicted by the gripe what the present condition of health is and most of them will answer: "Shriveled and the gripe have never been well. This trouble leaves behind a persistent weakness of the limbs, bad digestion, shortness of breath, and palpitation of the heart, caused by the thin-blooded condition in which almost always leaves its victims after the fever and influenza have subsided. They are at the mercy of lapses and complications, often very serious. This condition will continue until the blood is built up again and for this purpose nothing can equal a fair treatment with Dr. Williams' Pink Pills. From first to last these pills make new, rich red blood which reaches every organ and every nerve in the body. Thus the lingering germs are driven from the body, and the weak, despondent victims of the gripe are transformed into cheerful healthy, happy men and women.

Dr. Williams' Pink Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Welcome Home and Presentation

On Wednesday evening 22nd inst., the people of Harrington, gathered at the home of Mr. Jas. Shaw, to extend a hearty welcome home to Mr. David M. Robinson lately returned with honors from overseas. Rev. Thos. A. Wilson being present was called to reside. The address of welcome below was read by Miss Rebecca Stewart who also presented on behalf of the people an arm-chair rocker as a mark of their regard for Mr. Robinson and memento of the event. With well chosen and earnest words Mr. Robinson thanked his many friends, expressing his pleasure at his kind reception everywhere since his return and his appreciation of the honor shown him by the community. An impromptu programme was entertainingly rendered and appreciatively received, at the close of which refreshments were served, full advantage being taken of the removal of the food controllers restrictions. Then everybody sang the good old songs everybody knows and the new ones familiar since "Tipperary" The very enthusiastic and enjoyable evening closed with God Save the King, preceded by Auld Lang Syne with joined hands all through the house.

Following is the address:—
Dear Friend and Brother—We are come together this evening because we are glad and devoutly thankful to have you returned to us from the Great War, we the people of your own community who know you best are frankly proud of you, and we desire to record our appreciation of your noble self-sacrifice and to express our kindly feelings towards you. We are grateful to all of our brave sons who responded to the call to defend our liberties and the undying principles of our christian faith; we realize our indebtedness to them, every one. But we recall with especial pride that you were the first of our community to offer for service and that you responded to the first call for volunteers. More prayers have followed you to France than perhaps you would imagine, and to God we give the thanks for your safe return. We feel moreover that by reason of your perilous, arduous and su-

When purified blood, rebuilt strength and regulated bowels are essential.

In the after-effects of influenza, the grip and other prostrating diseases, Hood's Sarsaparilla has remarkable health-helping effect.

It expels the poisons that have weakened and depleted the system, causing pallor, anaemia, flabby flesh and lax muscles. It is the standard blood remedy with a successful record of nearly fifty years.

Many people—it is really astonishing how many—need a fine, gentle, easy cathartic in these trying times. We recommend Hood's Pills, used in the best families, and equally effective with delicate women or robust men.
