Annoying Dandruff

Will make Canada a Bald-headed Nation if not Checked.

M. Pasteur the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

It will stop itching scalp, falling hair, and make the hair grow thick and abundant.

It puts life and lustre into the hair and prevents it from turning grey.

It is the hair dressing par excellence, daintily perfumed, and free from grease and stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair.

Comes in large 50-cent bottle at Geo. E. Hughes and leading druggists and toilet goods counters everywhere.

"The Girl with the Auburn Hair" is on every package.

CENTRAL GUARDIAN

SCHOOLS REOPEN—The Charlottetown Public Schools reopen tomorrow, Sept. 2nd, after the summer holidays.

Mr. R. Finol, of St. Dunstan's College, is booked to sing at a concert to be held at Miscouche tomorrow night. He leaves Charlottetown for Miscouche this morning and will remain there for the rest of the week.

FOR VERNON RIVER—Rev. Father Duffy, recently ordained to the Holy Priesthood, and who was to be attached to the teaching staff of St. Dunstan's College, has been appointed assistant to Mgr. Phelan at Vernon River, replacing Father Croken, now of Georgetown.

ISLAND PRIESTS WEST—Rev. A. B. McDonald, formerly of St. Dunstan's College staff, City, who left here some time ago for Winnipeg has left Winnipeg for Calgary to labor for the ministry of the Catholic Church at that place. Rev. Father J. J. Johnston, formerly of Charlottetown is now assisting Rev. Father Gillis at Holy Rosary Parish, Regina.

BASEBALL OFF—The baseball game advertised to be played at the A.A.A.A. Grounds this morning will not take place, the Summerside team declining to come to Charlottetown. This is very regrettable as the proposed game was anxiously looked forward to by the baseball fans. It is through no fault of the Abegweit A.A.A., however, as the first they knew of it being off was a letter from Summerside at the last moment, stating that they were not coming.

POPULAR BANK OFFICIAL—Mr. Fairweather, who has been accountant of the Bank of Nova Scotia, Charlottetown, for about two and a half years has been transferred to St. John and leaves for that place on Wednesday next. Mr. Fairweather has been a capable and obliging official and excellent citizen, and has many friends in Charlottetown, who, while wishing him well in the new sphere of labor will deeply regret his departure. He will be succeeded here by Mr. W. E. Sinclair, late accountant at Chicago, Ill.

DECORATION DAY—The Odd Fellows of Charlottetown yesterday observed the annual decoration day of the Order. In the afternoon the Charlottetown Lodges, Wilsey and St. Lawrence, headed by the Charlottetown Brass Band, and marshalled by Major Weeks, marched to the People's cemetery where the graves of the deceased brethren were decorated. F. G. M. J. F. Whear, acted as Noble Grand, P. G. Mr. John McLaughlin as Secretary and Mr. G. W. McLeod as Chaplain. The graves in the Old English Cemetery, Sherwood and St. Peter's cemeteries were decorated in the morning by a committee.

IN MEMORIAM

(From Saturday's Evening Guardian) MR. JOHN MCKINNON.

It is with sincere regret that The Guardian chronicles the death of Mr. John McKinnon, which sad event took place at his home at Naufrage, Monticello, on Wednesday, 20th inst.

The deceased, who was a man of splendid physique, was in his usual vigorous health up to within a few days of his death, when he was stricken with the illness which, despite the best efforts of medical skill and the untiring ministrations of a loving family, in the end proved fatal.

He was born at Naufrage seventy-three years ago, and there spent practically the whole of his life, on the old homestead farm. He was a man of sterling character, a hard-working, practical farmer, who by dint of honest industry built up a magnificent property, and at his comfortable home the weary wayfarer was always sure of a kind and hospitable welcome.

Honest in his dealings, faithful to his friends, and ever ready to assist any undertaking for the common good, the deceased enjoyed the unqualified respect and esteem of the community in which he lived, and his name will ever be associated with all that is noble, good and true.

His illness bore with Christian fortitude and that calmness and serenity which marked the whole course of his long and useful life were with him to the end. He was attended by his beloved Pastor, Rev. K. C. McPherson, and died fortified by the last rites of the Holy Church, of which he was a devout member.

The funeral which took place on Friday was one of the largest ever seen at St. Margaret's Church, the large number who came to pay their last tribute of respect bore eloquent testimony to the general esteem in which the deceased was held. The funeral service was conducted by the Pastor, after which the remains were borne to the cemetery and all that was mortal of a good and kindly man was consigned to its last resting place. The funeral arrangements were under the direction of Undertaker, W. L. Dingwell of Souris and were admirably conducted. The pall bearers were: Joseph McEachern, Daniel McDonald, John O'Henry, John Bryan, Angus J. McDonald, and Joseph Hamilton.

He is survived by a growing widow and a family of three sons and five daughters. Daniel in California, Angus J. and Pius at home. Mrs. Cremer in Rosedale, Mass., Mrs. Gagnon in Dorchester, Mass., Mary C. in Roxbury, Mass., and Alice and Laura at home, to all of whom is extended deep sympathy in their bereavement. R. I. P.

ing due to heart failure. Mr. Birt was a young man of exemplary habits, honest and upright in all his dealings with others. He will be sorely missed, not only in the home where he was a loving and dutiful son and a kind and affectionate brother, but also by his friends who admired his manly principles and high standard of morality characteristic of one who aimed for the higher things in life. The deceased was born in Pisiquid, thirty-seven years ago, the son of John Birt and Isabel Beer and the eldest of a family of twelve, all of whom survive him. Ira of Bunsbury, Lot 48; Frank, Cyrus and Mrs. George Pigott in Saskatchewan; Mrs. Frank Wormwell and Miss Selina in Boston. Mrs. Robery Docherty and Miss Margaret, teacher, in Cardigan and Welland, Wallace and Miss Alice at home. The esteem in which the deceased was held, was clearly evidenced by the large number who called at the home during the hours of bereavement to offer their sympathy to the grief-stricken parents, brothers and sisters, and also by the large number of those that followed the remains to Mt. Stewart cemetery on Wednesday afternoon, there being about seventy carriages.

RIVERSIDE HOLSTEINS LEA & CLARK'S SUCCESSES

Messrs. Lea and Clark's exhibits of dairy cattle, Holsteins, which carried off the principal prizes at Brandon as reported in The Guardian at the time, continued their success and carried all before them at the subsequent shows at Regina, Saskatoon and Edmonton. At the last named place they carried off the grand champion gold medal in the female class. The firm likewise carried off the championship medal for bull calves, their exhibit in this class being subsequently acquired by the British Columbia Government for \$1,000.

Mr. Lea and Mr. Clark leave for Halifax to-day with another herd of cattle for the exhibition there, and doubtless they will be equally successful.

CLINTON.—The grain crops in this locality are of immense quality and there is every prospect of an abundant harvest. Miss Sadie Woodside and Miss Carrie Easter have taken the responsibilities of school-teaching here. Their friends hope the school will make good progress during the coming year. A. E. Reeves, merchant, has added many modern improvements to his store and is doing a large business. Mr. Leslie Faynter, Burlington, paid a visit to Maple Grove, Clinton, recently. Mr. John Dunning has his commodious new dwelling nearing completion. The contract has been in the hands of Mr. Samuel Dunning, Clinton. The Margate and Clinton Sunday schools held their annual S. S. Picnic on Tuesday, Aug. 26th, in the field adjoining the residence of Mr. M. S. Woodside. The day was an ideal one and everyone seemed to enjoy themselves to the utmost. The tables were loaded with all the good things desirable. The children played all sorts of games, and racing and athletic sports were indulged in. Ice-cream was sold and a neat sum realized. Among those present were Mr. and Mrs. Woods and Mr. Wickert, Old Town, Maine. The joyous crowd left the grounds about seven o'clock and many of the young folk attended the ice cream festival at Clinton the same evening.

The many friends of Mr. John W. Walker, Kelvin, will be sorry to learn that he lies very ill at his home suffering from appendicitis.

The Handle that Holds the Iron
The Iron that Holds the Heat

Throw away the old-fashioned irons with hot handles, or the spring handles that rattle loose and come off.

UNIVERSAL Thermo-cell Sad Irons

are perfect from handle to face. The handle has no spring to become weak and work loose. It is locked by a lever that holds it tight and rigid. To loosen it is impossible except by lifting the lever. The Thermo-cell is an air space around the top and sides of the iron, permitting the heat to radiate only at the ironing surface. This means a cool handle—an iron that heats quickly and holds its heat. Various weights and shapes.

Pedigreed Black Foxes

Here is a black fox proposition free from barren breeding stock, free from "watered" capital stock and with every prospect of giving a splendid return for every cent invested.

Consider These Points

JOHN R. DINNIS, the manager of the ranch, will give the animals owned by the John R. Dennis Pedigreed Foxes, Ltd., personal attention. Mr. Dennis is the most successful large rancher—7 p. c. of all silver and black foxes born in 1913 the world over were produced in his ranch. He has taxes to pay on 48 pups—the largest number in any ranch in the world.

THE FOXES owned by this company are the pick of the 48 black beauties in the Dennis Ranch. Four of them have been secured from the Royalty Black Fox Co., which secured from three young pairs a return of sixteen pups. The others are from litters of 6's, 5's and 4's—the most prolific stock from the most productive strains.

The foxes can be seen in the ranch at any time by arrangement with Mr. Dennis. Results are more secure if you figure on pups already in the ranch than on "options for September delivery."

THE RANCH has the best location of any in the Province, the most up-to-date facilities and equipment. Mr. Dennis, the manager, is assisted by a capable staff of assistants.

Stock Selling Fast

Of the subscribed capital (\$123,000) nearly \$100,000 has already been covered. You had better come in on this quickly. Payments, 10 per cent on application, 40 per cent September 25th, 50 per cent November 15th. Send for prospectus and all information to the Secretary-Treasurer.
