

**NO SUBSTITUTE**  
has yet been found for cod liver oil. There are so-called extracts, wines and cordials of cod liver oil that are said to contain the active principles but not the oil itself. This is absurd on its face. You might as well extract the active principles of wheat and make bread with them. The best form of cod liver oil, that can be digested and assimilated most easily, is Scott's Emulsion.

Daily when the wind is from the north and that is very often during the present winter, a large strip of open water is seen in the straits of Summerside harbor. Yesterday particularly the opening appeared quite close and extended far in the distance. Those who look upon the conditions here cannot help but regret that a winter steamer is not plying between this port and Tormentine where there seems little doubt but that crossings could be made daily.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Vapo-Cresolene tablets, ten cents per box. All druggists.

**WHY BRAIN WORKERS BREAK DOWN.**

Man is not a machine that keeps going as long as the steam is applied. He is a creature of blood, nerves, and delicately balanced organs. Many don't realize this, but overwork their brains and break down. Brain workers need a strong, bracing tonic like Ferronone to fortify their nerves and keep the blood pure and rich. Take Ferronone and you'll do more work. You will have the strength, the ambition and the desire for work because your system will be in first-class order. For your health and strength take Ferronone regularly. Price 50c. at druggists.

Sterling kindly consented to take his place and spoke earnestly and forcibly on this all important question. Chorus, "Temperance Bees" by the Y's. Miss Annie Stewart recited "The lips that touch liquor shall never touch mine" in an effective manner. While the collection was being taken the Y's sang "a better day is coming." Rev. H. S. Young then being called on spoke strongly and to the point on our responsibility in this matter. Meeting closed by singing National Anthem. Miss Mattie Caldwell presided at the organ in a very graceful manner. In all the meeting was most successful and we trust will be productive of great good.—Com.
