PROFITABLE FIELD DAY—The Tryon Holstein Calf Club held a very successful field day, Saturday, Sept. 16th at the creamery. Good weather and a record attendance was a source of encouragement to the twenty-two club members, who were present with their calves and year old heifers. Great interest was manifested in the judging of the different classes and the placing of awards. Mr. Cecil Stewart of Hampshire very capably acted as judge to the satisfaction of all present. Mr. W. R. Shaw, Provincial Live Stock Representative, discussed the reasons for placing the calves. At the conclusion of the judging, Mr. George Calbeck, president of the Tryon Dairying Co. in a short address welcomed the visitors and introduced the speakers of the day which included Hon. Thomas MacNutt, Commissioner of Agriculture, Hon. W. M. Lea, ex-premier, Mr. W. A. Brenton, Provincial Dairy Superintendent, Mr. J. A. MacManus, Federal Produce Grader, located at Saskatoon, Sask., who is at present touring the Island. Ice-cream and lunches were sold at the creamery and were well patronized, the proceeds being devoted to the Calf Club Prize list. Among those noted present were, Mr. J. W. Boulter, Deputy Minister of Agriculture; Mr. Charles Cook and Stewart Wright, Dairy Recorders; Mr. R. A. Proffitt, Holstein Field Man; Mr. L. W. Roper, Dominion Live Stock Representative; Mr. W. J. Reid of the Borden Line Shipping Club and many others. Much credit is due Mr. C. E. Gamble, Manager of the Tryon Dairying Co., for his untiring efforts in behalf of the Holstein Club. A full list of prizes awarded will be published later.

Mr. Justin McCarthy and bride arrived home last night from their honeymoon to Portland, Maine. Previous to leaving the bride couple and their guests had breakfast at the home of Mr. and Mrs. Joseph Francis, 76 Upper Queen Street, Mrs. Francis being a sister of the bride.

The Weakening Agony of Piles (Haemorrhoids) Ended
Thousands Bless This Famous Herbal Ointment
Piles or hemorrhoids cause excruciating pain and often serious loss of blood. The famous Zam-Buk ointment is wonderfully soothing to the swollen veins and itching parts. Zam-Buk derives its healing and mildly astringent influence from herbal extracts of special value in this weakening and agonizing complaint. Zam-Buk has a wonderful record of success.
THE BEST OF PROOF
Mrs. R. L. Garber of 2545 Ohio Avenue, Southgate, California, a nurse, writes as follows:—"My husband suffered from Piles for years, but a year ago they reached an acute stage and he could neither sleep nor attend his work. He had medical advice, tried all sorts of baths, hot and cold, enemata and ointments which cost him hundreds of dollars without obtaining any relief. Finally a friend gave him a box of Zam-Buk; after application for one day he obtained a good night's rest. He continued the treatment and by the time he had finished a second box he was completely relieved of this agonizing ailment and able to resume his work."
Mrs. E. Barrett, Pioneer, Alberta, writes:—"We have used Zam-Buk ever since I was a young girl and I have never known it fail. My husband, who has been troubled with itching piles for years, says the soothing relief Zam-Buk brought was wonderful."
The unparalleled success of Zam-Buk lies in its original and valuable formula. Zam-Buk is compounded from certain herbal extracts of an extraordinarily healing, soothing and antiseptic nature. Zam-Buk soon stops all pain and itching. It gets at the root of such troubles as eczema, salt rheum, bad legs, ulcers, scalp disease, poisoned sores, etc. and is also a fine ever-ready first-aid for injuries. Zam-Buk Ointment, 50c. box, Zam-Buk Medicinal Soap, 25c. cake.
