**Tourist Trade In West Indies**

MONTREAL, Aug. 4 — (C.P.) — Tourist trade in Nassau and other parts of the West Indies has been good this year except for a lull caused by the bank holiday in the United States according to Miss Mary Moseley, editor and publisher of the Nassau Guardian, who sailed from this port for England where she spends most of her summers. The Nassau Guardian has remained in her family ever since it was launched by her grandfather nearly 90 years ago.

Referring to trade conditions in the West Indies, Miss Moseley said there were signs of improvement especially with Canada which was very gratifying to those who had worked towards this end. Nassau has done well with her export of tomatoes this year, she stated, and is now working the development of the citrus fruit trade.

New Brunswick Tennis Championships Finished On Saturday—Halifax Players Win Titles.

MONCTON, N. B., Aug. 6.—Halifax players walked away with every championship in the 1933 New Brunswick open tennis tournament which was concluded here yesterday. Bevil Piers, of the South End Club, Halifax, took the premier honors in the men's singles when he defeated the Moncton star, Lloyd Keating, in a grueling five set match which took over two and a half hours to play. Piers won by scores of 3-6, 6-1, 7-5, 7-9, 7-5. Mrs. Harold Jones, Halifax, captured the women's singles crown by beating her partner, Mrs. F. V. Woodbury, also of Halifax, 3-6, 6-2, in the finals while she and Mrs. Woodbury, teamed up together to take the women's doubles title by beating another Halifax team of Mrs. Donald Hogan and Miss K. Doyle. Mrs. Hogan and Miss Doyle eliminated the last New Brunswick team of Miss L. Manny and Miss J. Eardine, Newcastle in the semi-final round by scores of 6-4, 1-6, 6-4.

The men's doubles championship was taken by the Piers brothers, John of Moncton and Bevil Piers of Halifax, who had little difficulty in beating George Hudson, Moncton and W. McVicar, Saint John, in the finals.

After dropping the first set at 2-6 the Piers' boys swept through the next three in easy fashion winning 6-1, 6-0, 6-2. Previous to this they had beaten the strong Ottawa pair of Stewart Sharpe and Gordon Southam in straight sets in the semi-final round just as easily by scores of 6-0, 6-3, 6-2.

The last championship to be decided saw Bevil Piers, paired with Mrs. F. V. Woodbury take his third championship of the tournament by beating Leroy Rennie, Toronto and Mrs. Harold Jones, Halifax in three sets. After a long duce set which Rennie and Mrs. Jones won 9-7 Piers and Mrs. Woodbury lost only two more games winning the second set at 6-0 and the third at 6-2.

The Keating-Piers singles final was one of the longest and hardest fought finals ever seen in Moncton. Keating had little trouble winning the opening set at 6-3. But Piers turned the tables in the second taking it 6-1. In the third Keating ran away with the first five games without any trouble and apparently was well on his way to his second set when Piers decided it was time to take a hand in the matter, which he did with a vengeance.

Keating was leading 5-0 and forty love and needed just one point for the set but Piers fought off set points three times and then took seven straight games for the set 7-5 and a lead of two sets to one. The fourth set was a ding dong battle with Keating finally getting it after 16 games had been played the score was 9-7. The fifth saw Keating leading until the score reached five-four in his favor when Piers took three games for the set and match.

In the men's doubles Sharpe and Southam, Ottawa, who had eliminated the strong New Brunswick team of Drumme and Keating, on Friday were expected to give John and Bevil Piers a great match but they could not cope with the teamwork of the winners who gave them only five games in the three sets. In the final Hudson and McVicar started off well taking the first set 6-2 but from then on they were never in the picture with the Piers' brothers having the upper hand and dropping only three games in the next three sets.

In the women's doubles, Mrs. Donald Hogan and Miss K. Doyle, Halifax, supplied all the fireworks by beating the last New Brunswick pair and one of the seeded teams in Miss Louise Manny and Miss Jean Jardine, of Newcastle, Mrs. Hogan and Miss Doyle won in

Mr. and Mrs. A. J. Warren, Miss Louise Warren, Miss Ruth Garnham, Miss Natalie Cook, Mr. and Mrs. Jonathan West, Charlottetown; T. T. Blackwell, St. John.

**Eye Comfort**

for eye workers is a matter of vital importance. From early morn to late at night we "crowd" our eyes relentlessly, from one job to another. How long will they stand it? Are you now enjoying that efficiency and comfort which ought to be yours? Consult us if you are not. You have much to gain, and nothing to lose. In any case the knowledge gained from an examination, makes it well worth while.

How it Worked  
Father was giving some parental advice to his grown-up son. "When you're married, my boy," he said, "you should try to make the same arrangement with your wife as your mother and I made." "What was that?" asked the boy, puzzled. "Well, we agreed that she was to ever cropping up."
