Later she was troubled with an affection of the heart, and notwithstanding the most careful attention of her daughter and every alleviation that careful nursing could provide, she passed away to the great regret of her relatives and friends.

**MORE PILOTS AUTHORIZED.**—It is announced in the Canada Gazette that, owing to the shortage of pilots at the port of Halifax, due partly to the recent disaster and the fact that there are at present no apprentice pilots eligible for appointment, power has been granted to the Halifax Pilotage Commissioners to license as pilot of any person holding a certificate authorizing him to act as master of a ship, or any apprentice who, in the opinion of the Commissioners, is fit and competent. Any licenses issued under the regulation granting this power to the Commissioners shall continue in force until otherwise ordered.

### IN MEMORIAM

MRS. GEORGE DUGGAN.

There passed peacefully away at her home in Kensington on January 25th, 1918, Mrs. George Duggan in her 35th year, after a few days' illness. She was thought to be recovering, but the Angel of Death came very unexpectedly and she passed peacefully away to the reward of those who put their trust in Jesus. The deceased was formerly Miss Alice Duggan, daughter of Mr. and Mrs. Joseph Duggan, of Millview. There are left to mourn besides her parents a sorrowing husband and five sisters namely: Mrs. Walter R. Brown, Mt. Albion; Mrs. Alfred Mitchell, Millview; Mrs. Emma Lancy, Boston; Mrs. Joseph Stapleton of Panama and Bessie who was with her in her illness besides a large circle of relatives and friends. The funeral services were held in the Methodist Church, conducted by Rev. G. A. Sellar, and were very largely attended. The pallbearers were Messrs. Burrows, Moore, Willard Warren, William Bernard, John Cameron, Earl and Alfred Reeves. The remains were laid to rest in the Kensington cemetery. Other papers please copy.

MR. JOHN D. GLOVER.

A wide circle of readers will regret to learn of the untimely death of Mr. John D. Glover, which sad event took place at his home at Norboro, on Jan. 31st. His death was being caused by contact, in some mysterious way, with a horse in the stable. He was 72 years of age, and his is the first death out of a family of eleven. He was one of the oldest residents of the community having been born in Norboro and resided there practically all his life. Being an enthusiastic, prosperous and good farmer strictly honest in all his dealings he held the confidence of all, and his work was his bond. The esteem in which he was held was well expressed by the large attendance at his funeral, which took place on Feb. 2nd to the Presbyterian Cemetery at Summerfield. There are left to mourn a widow, three daughters and three sons, namely, Mrs. J. R. Cook, of Troy, Maine; Mrs. Maggie Doughtart and Mrs. Hanford Reeves, of Kensington; Messrs. Jas. and Oliver, of Montserrat, St. John's on the homestead. The services at the house and grave were conducted by the Rev. Mr. Goodwill, the pall bearers being Messrs. Peter Harrington, James Gillis, Peter Lawless, Robt. Andrews, Robt. Douglass, and Alex. Douglass.

GEORGE WILBERT GILLESPIE

A very sad death occurred in the Edam hospital on December 24th, when George Wilbert Gillespie, the only son of Mr. and Mrs. James Gillespie of Stony Lake, Sask., succumbed to a severe attack of pleurisy after a brief illness. The young man had been quite well right up to within a few days of his death. He was in North Battleford the week previous to his passing away and looked the picture of health and strength. After he returned home pleurisy developed and he was rushed to Edam hospital under the care of Dr. Sparling, where he underwent an operation for the trouble. He was thought to be on the mend and good hopes were held out for his recovery when he suddenly took worse and slept peacefully away on December 24th. The young man was highly thought of and popular in his home locality and in fact wherever he was known. He was born in P.E.I. in 1891. He came west in 1909 and had been farming in the Stony Lake country from that time till his death. His body was taken on the train to Mervin where the funeral service was held, Rev. Graham, the Presbyterian minister officiating. Rev. Mr. Graham preached a splendid sermon. Service was held at the church and grave. He was buried in the new cemetery at Mervin. The funeral was well attended although the weather was bitter cold. A beautiful wreath was given by friends in and around Mervin who knew and loved him whose life had fled. The pall bearers were Cleveland Quint, David Quint, Samuel McCracken, Richard Clark, Cyril Neale and Jacob Ness. The News extends its sincere sympathy to Mr. and Mrs. Gillespie in the great grief they have been called upon to bear in the loss of their only son. (Pat. please copy.)

### HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter of pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, that one week of inside-bathing will have them both look-

### THE RUSSIAN SITUATION

LONDON, Feb. 22.—Rumors are current in Vasa that the Bolshevik government in Petrograd had been overthrown by the Social revolutionists under the leadership of M. Tchernoff, the leader of the correspondent there of the Politiken of Copenhagen, says a despatch to the Exchange Telegraph Company. Nikolai Iopine and Leon Trotzky are said to have escaped to Riga. Vassa, or Nikolaistadt, is in Finland, on the railway only line between Petrograd and Tornes, on the Swedish frontier. M. Tchernoff is the leader of the Social revolutionists, and was chairman of the short-lived constituent assembly. M. Tchernoff admitted recently to the Associated Press that the Russian army probably could not be expected to fight to any great extent, but he declared that Russia could act as a magnet to draw the German forces and prevent their being thrown to the western front, thus helping the Allies.

### Massacre in Kiev

PETROGRAD, Feb. 22. (Delayed.)—"After the fall of Kiev," says an official report, "Ukrainian detachments concealed themselves in different parts of the town. Two days later they assembled under Ukrainian officers and Cossacks and opened fire in all parts of the town. During two days of terror, four hundred of the inhabitants were killed by the senseless fighting. "The massacre reached its climax on Feb. 5th, when Ukrainians, under a Cossack general, bombarded the working class quarters. The energetic action of the revolutionary workmen and soldiers finally crushed the uprising and drove the reactionaries out of town." A man never forgets what to say when a horse steps on his foot. Kisses can never be copyrighted—which is fortunate for those who print them.

### HOW TO GET RELIEF FROM CATARRH

If you have catarrh, catarrhal deafness, or head noises, go to your druggist and get 1 oz. of Parmitin (double strength), take this home add to it hot water and just a little sugar as directed in each package. Take 1 tablespoonful 4 times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to make, tastes pleasant and costs little. Every one who has catarrh should give this treatment a trial. You will probably find it just what you need.
