**Can Christmas be really "Merrie" if MOTHER faces this?**

Why let her Christmas be marred with the dread of another year of cleaning? Why let her give so heavy a toll of her strength and rest?

A New Hoover will brighten her Christmas as no other gift you could name.

And why The Hoover, instead of an ordinary "vacuum cleaner?" Simply because *Positive Agitation* makes The New Hoover more than twice as efficient! Because of it, The New Hoover gets more than twice as much dirt from a rug, in the ordinary cleaning time, as even former Hoovers!

May we prove it to you? A few moments at our Demonstration Booth will show you why rug experts the world over unite in calling The New Hoover the greatest advance ever made in rug cleaning.

**8 doctors out of every 10 advised the Nujol type of treatment**

DOCTORS from coast to coast were recently asked whether they advised the Nujol type of constipation treatment to their patients. 80.7% answered "Yes".

64% condemned the continued use of laxatives and cathartics. One doctor said, "An almost incalculable amount of injury is done by these intestinal irritants, most of which provide temporary relief only at the cost of permanent injury. Laxatives bring on the laxative habit."

**Doctors Advise Nujol**  
Nine doctors out of every ten told us they were advising the Nujol type of treatment for their patients in place of laxatives—and for these reasons:  
1. Nujol is not habit-forming;  
2. A more natural method;  
3. A lubricant is better than a laxative;  
4. Does not grip;  
5. Is not irritating; and  
6. Nujol gives lasting relief.

**Unlike Laxatives**  
Laxatives and cathartics act by irritating the intestinal tract. They cause the bowels to frantically expel the contents of the intestines and thus rid the system of the drugs that pills and potions contain.

Nujol acts entirely differently. It contains no drugs, no medicine action is mechanical. It softens the dried waste matter in the intestines and lubricates the passage so that the muscles of the bowels can expel the waste matter regularly, naturally and thoroughly.

**Nature-given Remedy**  
Nujol appeals to the medical druggist today. Doctors advise a safe remedy for constipation, a matter how severe the case may be. It is gentle in its action and does not take. Children love it.

Get a bottle of Nujol from your druggist today. Doctors advise for constipation, whether chronic or temporary. Avoid substitutes.
