QUEEN'S CANADIAN FUND DONATIONS FOR AIR RAID VICTIMS

Repeated bombing raids on British port areas and the industrial Midlands has attracted fresh attention to the frightful suffering of the many thousands of civilians in Great Britain who are harried from shelter to shelter and finally driven into the open country by successive raids. Eventually places are found for them all, places of relative security, but their belongings of all kinds are destroyed. The task of emergency feeding alone is difficult. The task of setting them up once more with some quantity of clothing and bedding is much more difficult. To meet these enormous needs, funds have been started in various parts of the world. Her Majesty Queen Elizabeth has permitted the use of her name in connection with the Dominion campaign, which is officially known as The Queen's Canadian Fund for Air Raid Victims. Every dollar contributed to the Queen's Canadian Fund goes without deduction to the Lord Mayor of London for distribution to the homeless and needy. Contributions from this Province should be forwarded to the Royal Trust Company, Charlottetown, which reports the following receipts to date: Received yesterday: Seaview Women's Institute, Seaview \$2.00. Previously acknowledged—\$1,330.88. TOTAL—\$1,332.88.

On Sunday evening, May 25th at 7.15, Radio Station CFCY—630 on your dial, will co-operate with these sponsoring the Queen's Canadian Fund for Air-Raid victims by broadcasting the story of "TUG" WILSON.

In his own words (by means of electrical transcription) "Tug" relates his experiences from the time his ship sank until he was landed safely at a Canadian Port, after being adrift in an open boat for several days.

This story is brought to you on behalf of the Queen's Canadian Fund for Air-Raid victims, the time being gladly donated by Radio Station CFCY. Remember the time—7.15 on Sunday evening, May 25th—THE STORY OF "TUG" WILSON.

In Memoriam MR. JOHN C. MACNEVIN. I

When the late John C. MacNevin of DeSable passed away at his home there on the morning of May 11th, the community lost one who had stood for the best things in the district for more than ninety years. With him went the last of a generation that had done much to win for our province the distinction of being known as a garden. And among the people of that day he was by no means the least for he was well known for his industry and strength of character. Any cause that was worthy had his support, while anything that was questionable might expect no sympathy from him. There was never any doubt as to where he stood on any question for he fearlessly spoke his mind. We will be much the poorer because of his passing.

The funeral was held from his late residence on the thirteenth and was one of the few delightful afternoons of the week, so many came to pay their last tribute of respect and follow the remains to Argyle Shore cemetery where they were laid away beside those of his wife who had gone on five years before. Services at the house and grave were conducted by his Pastor, Rev. Mr. Bishop, of the Church of Scotland which he had most faithfully attended since the days of Rev. Donald MacDonald.

Mr. MacNevin was the oldest of a large family of whom only one brother now remains. He is also survived by five children: Barry at New Argyle; Colin, minister at Chalmers United Church in Dominion, C.B.; Mary (Mrs. Dan MacNevin) Canoe Cove; Wesley

The winning Six consisted of Scouts Macleize Robinson, Ruth Duffy, George Gallant, Stan McInnis and Harry Pineau.
