Falcons Nose Out Stars In Final Innings Of Game

Blanchard's Timely Hitting Turns Back Stars By 6 To 4 Score—Double Plays Feature Tilt.

Going into the last of the seventh with the score deadlocked at a four all count the Falcons had the necessary punch, or hitting power to take a heart breaking game from a desperate Star nine when they drove two men across the plate to take the tilt 6-4.

Blanchard paved the way for the Falcons' victory when he singled over second and took said sack on a wild pitch after MacGlashen had poled a high one to Duffy. MacQuaid took first on catcher's error and Blanchard advanced to third coming home on Doyle's hit to short. MacQuaid clinched the tilt by crossing the plate on a wild pitch.

Both teams displayed exceptionally fine field work, the players covering their territory like a proverbial scoop net, no fewer than four double plays featuring the tilt, three of which went to the fast travelling Falcons. The double play by "Pomp" Bolger when he grabbed Squarebriggs' hard drive, which was slated for a hit, and caught Duffy off the initial bag was a fitting climax to the "double" events.

Big George Ayres who held the mound for the Stars pitched a steady game while Phil MacQuaid led his forces out of seemingly impossible situations.

Sluggers Take Opening Game Third Section

The first game of the third section of the Summerside Baseball League was played on Monday evening between the Sluggers and Pioneers. The Sluggers, after seven innings came off the victors with the long score of 9-1.

The feature of the game was the circuit clout made by Davis Lidstone for the Sluggers. There were seven innings, the pioneers having one bad innings. Their only run was made in the first innings. The Sluggers got most of their runs in the fourth inning. Wilson and Dodds on the mound for the Sluggers, pitched perfect ball, while Pony Daley and Fred Daley did well for the Pioneers, but received poor support from their team mates.

The next game of this section will be played on Thursday between the C. Y. M. L. and Sluggers.

BISLEY CLEARS DECK FOR KING'S SHOOT

(Canadian Press Cable)
BISLEY CAMP, England, July 18—Nearly one thousand marksmen, including the best in the Empire, start firing tomorrow in the service rifle classic of the year, His Majesty the King's Prize. The programme for the day in the National Rifle Association's great Empire meeting has been swept clear of all other events to permit 950 men and five women to get into the first stage of the big shoot.

100 Vic For Honors
Scores at three ranges—200, 500 and 600 yards—will determine the 300 entrants qualifying for Friday's second stage. From the Friday competition the "King's Hundred" go into Saturday's final, the 70th annual in the match, which has an aggregate value of nearly \$7,000. Tomorrow's scores are merely qualifying, but the aggregate of the second and third stages are added to determine the winner.

Canadians Lose
Only one major competition was decided today and, as usual since they got into the fray last Friday, the Canadians lost out.

It was the Alexandra Service Rifle Match at 200 and 600 yards and three British Isles marksmen finished in a tie for first. Flying Officer C. Bunch of the Royal Air Force, Gunner W. Barber of H. M. S. Iron Duke and Capt. D. Bisset of Gunmerry. Each scored 68 out of a possible 70.

Three Canadians were only a point further back with 67 and after shooting off among themselves, Pte. G. A. Thomson of Sherbrooke, Que., emerged leader, getting sixth place to win \$20.

The Old Man's Match for riflemen over seventy was fired in conjunction with the Ladies Challenge Match and was won by S. G. McLennan with 46 points, E. G. Love second with 45 points. In this connection it is interesting to note that there were present on the range yesterday the following old riflemen who have been great bulwarks to the Association. In order of seniority they are E. G. Love, answering to eighty-six summers, J. S. Berrigan, eighty-two, Otto Baird, seventy-eight, Alexander Kennedy, seventy-eight, Peter Brodie, seventy-six, Sgt. Joe Berrigan has been shooting for sixty years.

"Sandy" Kennedy started shooting at the P. R. A. sixty-two years ago and was one of the Island's greatest shots when in his prime, winning the Moore Challenge Cup. Otto Baird twice won the Governor-General's medals, while Peter Brodie fifty-four years ago won the medal for the best shot in the 82nd Battalion.

SOFTBALL
Uigg vs. Flat River
Two interesting games of softball were played recently between Uigg and Flat River. Uigg, playing on their home diamond, won the first by a score of 28-14. The second played at Flat River resulted in a tie 11-11. Darkness prevented the playing of an extra inning to break the tie. Another game is expected in the near future. Uigg is also open for games with other teams from surrounding districts. M. MacPhee and C. Mosher handled the umpiring in a very impartial manner.

The lineup is as follows:
Uigg—Catcher, D. MacPherson; Pitcher, C. MacPherson; 1st base, W. MacLeod; 2nd base, W. MacPherson; 3rd base, A. Reynolds; short stop, A. MacLeod; right field, R. Musick; centre field, J. MacPherson; left field, C. MacLeod.

Flat River—Catcher, M. Gilmore; pitcher, A. Gilmore; 1st base, L. Stuart; 2nd base, A. Compton; 3rd base, N. MacKinnon; short stop, D. MacKenzie; right field, C. Beaton; centre field, M. Ross; left field, L. Stuart.

Yarmouth Golfer Leads Field For Nova Scotia Tilt

DIGBY, N. S., July 18.—(CP)—G. D. Raymond, shotmaker of the Yarmouth Golf Club, set the pace for a field of 38 contenders today in the first 36 holes of play for the Nova Scotia Amateur Golf Championship. Raymond carded 166 for the two rounds, finishing on the first day's play three strokes up on J. M. Matthews, of Chester.

In the opening 18 holes played over the Pines course this morning, Matthews turned in an 82 to secure an edge of three over Raymond but the Yarmouth golfer came back in the afternoon with a brilliant 81 while Matthews went around in 87.

He then called on Capt. A. W. Allan to come forward and receive the President's Cup, a beautiful trophy presented by Colonel Davidson to the winner of the Grand Aggregate. He also presented Capt. Allan with the Governor-General's Silver Medal, the D. C. R. A. Silver Medal and the J. W. Johnston cup, all of which go to the riflemen having the greatest number of points in the two days shoot. The Governor-General's Bronze Medal and the D. C. R. A. Bronze Medal was presented to Sgt. A. Gormley, who was next in the Aggregate.

Sgt. A. McCabe, representing Mrs. W. B. Prowse, was presented with the Silver Candelabra for Mrs. Prowse. The Colonel then called on Miss Muriel Archibald and warmly congratulated her on her fine shooting and presented her with a special prize, a sterling silver spoon, which will be suitably engraved and serve as a useful memento of her marksmanship.

It is only fitting that the due credit be given Colonel G. Leigh, V. D., Secretary of the Association, for his excellent arrangements and to Captain W. H. Worth, M. S. M., who conducted the shoot as Range Officer, to Sgt. William Smith, Caretaker of the Range, Sgt. A. G. King, who assisted with the targets, markers and register keepers who made the conduct of the meeting so pleasurable and to the statistical office presided over by Sgt. J. S. Moore, for their data so quickly compiled. It is safe to say that the 68th Annual Prize Meeting now concluded, was one of the most successful of the many that have been held.

Rifle Association Brings Meet To Successful Close

Capt. A. W. Allan Makes Remarkable Score Of 290 Out Of A Possible 295 To Be Grand Aggregate Winner

The second and final day's shooting on the range over seventy were S. C. Moore, who won the Old Men's Aggregate with 272, and J. H. Judson, who was second with 266. Mr. Judson had as interesting grand-daughter, Miss Helen Judson, recently returned from Virginia, who brought back with her, his great-grandson, Douglas Pierce. Special mention must be made of the good shooting of L. Duffy, who won the Nicholson Tyro Aggregate, an aggregate for new-comers. This is a valuable prize given by old friends of the Association, Hickey and Nicholson. Second in the match was R. E. Jenkins of Charlottetown.

The Judson Tyro Match, sponsored by J. H. Judson of Alexandria in conjunction with the Prowse Match was won by R. E. Jenkins, Charlottetown, with 94 points, with W. E. Hardy of the York Rifle Club second with 92.

Addresses Riflemen
Immediately after the matches had concluded the riflemen were called to the bungalow and addressed by Col. H. M. Davidson, V. D., President of the Provincial Rifle Association, who warmly complimented them on the wonderful showing, the best ever in the history of the Association and congratulated the winners of the various matches. He was also pleased to see such a good representation from Summerside and hoped that next year even more will be present. He was particularly pleased with the marksmanship of Miss Muriel Archibald, the first woman to compete in our matches. Although she had had very little experience in rifle shooting she made an excellent showing and he hoped her example would be contagious and during the winter, ladies would practice indoor rifle shooting, and next summer ten to twenty take part in the shoot.

He then called on Capt. A. W. Allan to come forward and receive the President's Cup, a beautiful trophy presented by Colonel Davidson to the winner of the Grand Aggregate. He also presented Capt. Allan with the Governor-General's Silver Medal, the D. C. R. A. Silver Medal and the J. W. Johnston cup, all of which go to the riflemen having the greatest number of points in the two days shoot. PURCHASES FAST RACER

FREDERICTON, N. B., July 17.—Harry C. Jewett of this city who has been on Prince Edward Island for some time, returned home last night without the mare Addie McGraw, 2.10 1-2, which he sold to Wellington McNeill of Charlottetown, P. E. I., during the Island campaign. The buyer is well known in racing circles in the Maritimes.

The biggest price paid for a horse in the Maritime Provinces in the past three years, was the comment of Mr. Jewett when asked concerning the transfer price. "Beyond that I don't care to go." The fast Fredericton-bred mare will start at Northam, P. E. I., on Wednesday in the 215 trot against a fast field, entered for the first time by her new owner.

Mr. Jewett brought back from the Island a colt, Mr. Squires. This horse was second in the recent meet at St. Peter's racing in the 225 event. He is a half-brother of Heatherbell which was imported into Prince Edward Island last season and has shown well since.
