Minard's Liniment used by Physicians

DOCTORS FAILED TO HELP

But Lydia E. Pinkham's Vegetable Compound Removed the Cause of this Woman's Illness.

Worcester, Mass.—"I took Lydia E. Pinkham's Vegetable Compound for a weakness and pain which used to keep me in bed for two days each month. I tried many doctors without benefit until I was really discouraged. My mother urged me to take Lydia E. Pinkham's Vegetable Compound as it had helped her so much. I did so and soon saw a change for the better. I kept on taking it and am now so well and strong that I can do all my housework, even my washing and I have a little baby who is as healthy as I could ask—thanks to your Vegetable Compound."—Mrs. F. H. STONE, 24 Bowdoin St., Worcester, Mass.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, headaches and nervousness should lose no time in giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.
