Rousing Preliminary Addresses At Forum On Saturday Evening

Queens County Conservative Candidates, Ex-Premier MacMillan And Mayor Kennedy Pay Warm Tribute To Distinguished Guest Speaker.

Trinity United Church
MONDAY, OCT. 8
11.00 a.m., 2.30 p.m.—Meetings of Presbytery of P. E. I. Hearts Hall.
7.30 p.m.—Address by Rev. Dr. Armstrong of Toronto. Hearts Hall.
8.30 p.m.—Dr. Armstrong will speak on Oxford Group Movement. Hearts Hall.
7.30 p.m.—Committee of Stewards, Board Room.
7.00 p.m. Y. P. S. Executive, Social Hall.

Proceeding the Prime Minister in his speech at the Forum Saturday night, rousing addresses, brief but effective, were given by the chairman, Mayor Kennedy, by the Queens County candidates Messrs. J. H. Myers and W. Chester S. McLure, and by Ex-Premier Dr. W. J. P. MacMillan.

On the platform, which was tastefully decorated with flowers and bore the slogan: "Welcome to our Leader," were seated also Dr. A. A. MacDonald, King's County candidate, Senator MacDonald, the party candidates in the recent provincial contest and a number of other leading Conservatives from all parts of the Province.

Scheduled to open at 8.30 p.m. the meeting, owing to the delay in the Prime Minister's arrival, did not open until shortly after nine. The audience waited patiently, however, and the interim was filled acceptably by music furnished by the Legion Band.

The audience, numbering upwards of five thousand, was undoubtedly the largest ever assembled at a political meeting in the Province. In addition, the addresses were broadcast by radio to many thousands who were unable to be present.

MAYOR KENNEDY'S ADDRESS

"It is a great pleasure and privilege for me, in my dual capacity of Mayor of the City of Charlottetown, and President of the Liberal-Conservative Association, to welcome to our City and Province the Right Honourable R. B. Bennett, the distinguished Prime Minister of our Dominion," said His Worship Mayor Kennedy in opening the meeting.

"In extending our most cordial welcome I am sure that I voice the sentiment of all our people, regardless of political affiliation or party creed.

"As Premier he has won for himself not only the regard and admiration of an appreciative Canadian people, but also the commendation of our leaders of Empire who have honored him as one of the ablest economists and foremost of constructive statesmen of our day.

"Guiding our ship of state through a period of the greatest depression in the history of the world, his devotion to duty, and the keen judgment in discharging the obligations of administration has crowned his record as that of a safe and successful pilot of whom Canada is justly proud, and upon whom our people can confidently depend.

"Our own Province, in common with all parts of Canada, has reason for gratitude that, despite an impoverished treasury and reduced revenues, he has not failed to remember us in our need, and by methods of relief, public works and administrative assistance he has made the heavy weight of depression a lesser burden for us to bear.

"The achievement of his government, in maintaining our trade to the first status amongst nations, excelled in volume only by Japan, and converting an unfavorable to a favorable trade balance of over \$100,000,000 is testimony to his great ability and foresight and the splendid judgment and foresight of his associates in the government.

"Again we extend our hearty welcome to our honored leader whose victories over depression are the forerunners of his coming victory on the fourteenth at the polls.

"I will now call upon Mr. J. H. Myers for a two and a half minute address of welcome."

MR. JOHN H. MYERS

"It is not my intention tonight," said Mr. Myers, "to make a speech. You are here to listen to Canada's Prime Minister, and right here let me thank the citizens of Queens County, and other parts of the Province for coming here in such large numbers tonight to do honor to our distinguished guest.

"Conducting the public affairs of Canada at no time an easy task. During the past five years that task has been most difficult indeed.

"Our extensive territory, the diversity of interest between the different sections of our far flung Dominion, the fine cut distinction between Federal and Provincial Jurisdiction—all add to the difficulty of that task.

"That great wave of economic nationalism which swept over foreign countries during the post war period, resulting in almost unsurmountable tariff barriers, the action on the part of the United States in restricting immigration to that country, have not lessened our difficulties.

Card of Thanks

Mr. and Mrs. Angus Mathieson, Glen William, wish to convey their thanks to their many friends for their kindness during their recent bereavement in the death of their daughter, Anna, also those who sent floral tributes and letters of sympathy and the nurses and doctors of the Montague Hospital.

Knights Of Pythias Launch Autumn Program

The fall activities of Empire Lodge No. 19, Knights of Pythias, were successfully launched Thursday night when Chancellor Commander H. E. McLean called the Lodge to order and announced the programme for the coming months.

The 3rd of October being the birthday of Supreme Chancellor Reno S. Harp, Lodges throughout the Supreme Domain are uniting in a vast drive with the idea of extending the membership in his honor by forming Supreme Chancellor's birthday classes.

A corn boll was enjoyed by the members. Past Grand Chancellor C. L. McKay presided and extended a cordial welcome to P. C. T. J. Coleman, of St. Stephen, who was present and expressed his pleasure in recalling the friendship made years ago during his residence here when he occupied the chair of Empire Lodge.

A plan was proposed for a membership campaign and enthusiastically adopted, being entirely different from that followed last year, it presents many unusual features and should be interesting as well as instructive to all.

A vote of thanks was tendered to Mr. Smallwood for corn, to Mr. While for his efficient handling of the repast, to Mr. Coleman for cigars donated and to Mr. Williams for a commemorative scroll unveiled, in which the Silver Jubilee of the King celebrated last May was fittingly marked by the Lodge. One application for membership was accepted, as a beginning for the campaign, and with others already waiting will provide initiations for every meeting for weeks to come.

No one was hurt but both cars were considerably damaged.

RELIGIOUS SERVICES

ST. PETER'S CATHEDRAL

Services were held yesterday in St. Peter's Cathedral at 8 and 11 a.m. and 7 p.m.

At 11 o'clock the Rev. Canon Malone preached from the text "Lord teach me to pray," and at 7 o'clock from the text "Some said he was a good man and others said nay."

Prayers were said asking that the people may choose wisely those who are to be elected on the 14th instant to govern Canada.

ST. JAMES CHURCH

There was a large attendance at the morning service in St. James yesterday when the minister, Rev. Dr. Moorhead Legate preached on the "The Final Judgment." Taking as his text, St. Luke 16, 2nd verse "Give an account of thy stewardship," he said that though the subject was not popular nowadays, nevertheless there was a judgment on our life, and everyone of us must give an account of our stewardship.

The solo in the anthem was taken by Mrs. J. A. Lawson.

In the evening Dr. Legate gave an inspiring address on "The Story of the Westminster Confession of Faith," the Creed of the Presbyterian church.

THE BAPTIST CHURCH

The Rev. A. C. Vincent in his morning sermon, making special reference to the fact that this was "Rally Day" in Church and Sunday School spoke from the victorious song of Deborah, as found in Judges 5, 25. "Curse ye Meroz, said the angel of the Lord, curse ye bitterly the inhabitants thereof; because they came not to the help of the Lord against the mighty." Reviewing the dramatic story of the campaign under Deborah and Barak, reference was made to the fact that the leaders of Israel had a right to expect loyal support and assistance which was not forthcoming. Even so the ministers of the Church of God have a right to expect that their people shall stand by, support by sympathy and effort all efforts made for the advancement of the Kingdom of God. The people who were so condemned in the text of the day had not shown themselves to be hostile, they had done no act of enmity or treachery, they just had not done anything. The dangerous foes of the Kingdom are not those who oppose from without, but those who are indifferent within. Only by sustained, active sacrificing loyalty and effort with the blessing of God, can success be achieved.

Mrs. Alice Coffin sang very tunefully and effectively "One sweetly solemn thought."

"Rally Day" in the Sunday School was again marked by advance in attendance over the same day last year, and once more emphasized the need of larger accommodation.

Dr. Vincent at the evening service spoke with point and power on "Fruitful vs Fruitless Living."

The Communion of the Lord's Supper was observed at the evening service.

Steele-McKinnon Nuptials

In the presence of a large number of friends in St. Dunstan's Basilica at 8.15 Saturday morning, Helen Marie Skerry Steele, daughter of Mr. and the late Daniel Steele, was united in the holy bonds of matrimony to Alphonse St. Clair MacKinnon, son of Mr. and the late Alexander MacKinnon, of Alexandria, the ceremony being performed and Nuptial Mass celebrated by Rev. Louis Dougan.

The bride, who was given in marriage by her brother Frederick, was becomingly attired in brown velvet, wearing a picture hat to match with a beautiful corsage bouquet of Talsman roses.

She was assisted by Miss Louise McDougall, who wore green velvet, with colored hat and accessories and wearing a corsage bouquet of pink roses.

The groom was supported by Mr. Frederick Reddin.

Mrs. Joseph Dougan presided at the organ and during the Mass appropriate solos were rendered by Mr. Clarence Howatt.

After the ceremony Mr. and Mrs. MacKinnon left amid a shower of confetti and good wishes by motor to Sorden en route to the mainland, where they will spend a short honeymoon trip throughout the Maritimes.

TRINITY UNITED CHURCH

The Presbytery of Prince Edward Island will meet today in Hearts Hall and will be addressed by Rev. A. E. Armstrong, D.D., of Toronto at 7.30 p.m., who is here in the interest of the Missionary and Maintenance Fund. Dr. Armstrong will give an address at 8.30 p.m. for all interested in the Oxford Group movement.

At the morning worship yesterday Rev. J. W. Barbour conducted the opening ceremonies and then took charge of the junior congregation. Rev. Mr. Miller delivered the sermon from the text Genesis 8-2, "He sent forth a dove from him to see if the waters were abated from off the face of the ground." After making some reference to Noah and the flood Mr. Miller said "I wish to regard the dove as a symbol of the longings of our soul, our aspirations and hopes." He then discussed reality, the longing for reality, the longing for God. Another longing of our souls is for righteousness. "Will right win out?" "Shall righteousness prevail?" Another longing of the soul is for immortality. What of the future? Have we an answer? The faith of Christ is our answer. "I am the way, the truth and the life. Because I live ye shall live also."

The choir is resuming its usual attendance records and it is a pleasure to see our old friend Mr. Elmer Ritchie as leader of the tenor of being service, that in the morning sang "Light of the Lonely Pilgrim's Heart," and in the evening "I Will Lay Me Down in Peace." Mr. Percy Williams sang most effectively the solo "Remember Now Thy Creator," by Topliff.

Rev. Mr. Miller in his evening sermon spoke from the text in Matt. 6-6, "But thou, when thou prayest, enter into thy closet and when thou hast shut thy door pray," a most helpful address on prayer.

HOLY REDEEMER CHURCH

Powerful sermons dealing with "Catholic Action" were preached at Holy Redeemer Church yesterday morning by the Rector, Rev. H. I. Fleming, C.S.S.R. Rev. Paul G. Fisher, C.S.S.R., was the celebrant at High Mass at 10.30.

The evening service was in honor of Our Lady of Perpetual Help. The members of the Archconfraternity recited the Act of Consecration together in common. The customary prayers were recited and appropriate hymns in honor of Our Lady of Perpetual Help sung. An eloquent and inspiring sermon, appropriate to the occasion, was preached by Rev. Father Fisher, who took as his subject "The Rosary." Benediction of the Most Blessed Sacrament concluded the service.

Remembered By Club Previous To Departure

Rev. Paul G. Fisher, C.S.S.R., of the Holy Redeemer staff left this morning for Saskatoon, Saskatchewan, to which city he has been transferred. Rev. Father Fisher has been attached to the Redemptorist staff in this city since last April, in Saskatoon, he will be attached to St. Mary's Church, a new Redemptorist foundation.

As a friendly gesture, indicative of the esteem and popularity with which Fr. Fisher was held by the Tennis and Volleyball Club of Holy Redeemer Parish, of which he is the Honorary President, he was presented with a handsome pen and pencil set at a gathering of Club members in the parish hall on Saturday evening. The presentation was made by Mr. Pius Callaghan, President of the Club. Mr. Callaghan made brief and appropriate remarks, voicing the regrets of the Club members at Father's departure from their midst. Father Fisher made a fitting reply, thanking the members for their kind and thoughtful gift. He urged the younger members of the Club to follow the example set by the older members, and hoped that the juniors would make their associations with the Club permanent. Father Fisher also expressed his regrets at having to sever his connections with such an energetic and efficient organization.

Delightful features adding variety to the gathering were a vocal solo pleasingly rendered by Miss Mary Moran, and a piano solo by Mr. Alfred Doucette.

A sing-song, partaken in by all present, brought the occasion to a close.

Division grand champions in six divisions. J. Walter Jones of Charlottetown was awarded first prize for the best entry in Holstein class.
