

NERVOUS and WEAK
COULD NOT SLEEP AT NIGHT

To the thousands of people all over this land who are tossing on sleepless pillows night after night, or who pace the bedroom floor with nerves unninged, and to whose eyes sleep will not come,
MILBURN'S HEART AND NERVE PILLS
offer the blessing of sound, refreshing slumber.
They restore the equilibrium of the deranged nerve centres, and bring back the shattered nervous system to perfect condition.
Mrs. Wm. Richardson, Pontypool, Ont., writes: "I take great pleasure in recommending Milburn's Heart and Nerve Pills. I was troubled at times with my heart, felt weak and nervous and could not sleep at night. I have taken several boxes of the pills and am wonderfully improved.
I have recommended them to others and they have found them just what they needed."
The price of Milburn's Heart and Nerve Pills is 50 cents per box or 3 boxes for \$1.25 at all dealers or will be mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.
With a daily circulation of 12,000 and growing from day to day, it has broken all records for a daily publication in a small community.
Charlottetown has a population of 12,000 and Prince Edward Island has 108,000. The Guardian's daily circulation is therefore as 1 to 13 of population in the city in which it is published, or 1 to 13 of the population of the Province. This is the management believes, unequalled by any daily newspaper published in Canada.
Take one or two comparisons with other selling newspapers in other cities and Provinces.
St. John has a population of 40,000 and the Province of New Brunswick 380,000. St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.
Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 30,000. That is
