FORTY CITIZENS SHOT TO DEATH.

SAN FRANCISCO, Cal., Nov 24.—The steamer City of Para, which arrived today from Central American ports, brings a report that forty citizens of Corinto were shot to death recently by order of President Zelaya, for having received with cheers the news of an insurgent victory.

FARMER SENTENCED FOR BEATING SON.

SHERBROOKE, Que., Nov 24.—Judge Mulvena sentenced William Allison, farmer, Lennoxville, to three months' hard labor and to pay a fine of \$25 and costs for beating his eleven-year-old son with a rope. He was also condemned to give his personal bond for \$500, or in default, to spend another three months in jail. On another charge of threatening a party who took in the boy Allison pleaded guilty and was bound over to keep the peace for twelve months in his personal bond of \$200 and another surety of \$200.

U. S. GOVERNMENT SOMEWHAT PERPLEXED

WASHINGTON, D. C., Nov 24.—Delay on the part of the United States in taking action with respect to the killing, by order of President Zelaya, of Nicaragua, of the two American men, Grace and Cannon, it developed yesterday, is occasioned by the inability of the Government, up to the time to fix the exact status in Nicaragua of the slain men. It was explained that every effort was made through the government agencies to determine whether these men in fact were members of the revolutionary army or whether they were acting on their own responsibility.

IMMIGRANTS TO LAND HERE

HALIFAX, Nov 24.—From all sides come predictions that the immigration traffic this winter is going to be much greater than it was last season and all the lines calling at this port are making preparations for the increase. It is not expected that the C. P. R. will land many here, although the line is much more ready to accommodate those desiring to land here than it was when first the steamers called at Halifax.

The Allan line will land all its passengers here. As stated by Andrew A. Allan in an interview with The Herald, it is expected that the number of passengers handled by this line will be much in excess of that handled last year.

The North-West Transport Company will probably handle several times as many passengers as in former years. If the new steamers—the Cairn and the Heliopolis—are put on and this port made the terminus of the line a larger increase than is now looked for may be anticipated. The arrangements of the Dominion line have just been made known. The Laurentic and the Megantic may make a few trips here in the early spring, but the Canada and the Dominion are to perform the service till April, according to schedule. The Laurentic is to run on the New York service from the first of January to some time in March. The Canada and Dominion will call here on the west bound trips.

OLD GLORY SALE

NEW YORK, Nov 24.—Firm Cas-Glory" sale of light harness horses was continued at Madison Square Garden yesterday, with the disposal of James Butler's East View farm trotters and pacers as the feature. Flying Feet, a four-year-old trotter, with a trial time of 2.10, was sold to J. J. Ryan, of Saratoga, for \$1,575, while Axle Oil, said to be a son of Asworthy-Alama, went to J. E. Whitesell, Corsicana, Tex., for only \$775. The high price of the day was \$3,000 paid by James Hazelton, of Indianapolis, Ind., for the 17 year old stallion trotter, Oratorio.

MY MADONNA. I haled me a woman from the street, Shameless, but, ah so fair, I bade her sit on the model's seat, And painted her, sitting there. I hid all trace of the heart unclean, I painted a babe at her breast.

I made her look as she might have been If the worst had been the best. She laughed at the picture and went her way And then came, with a knowing nod, A connoisseur, and I heard him say "Tis Mary, the Mother of God." So I painted a halo about the hair, And sold her, and took my fee, And she stands in the church of St. Hilaire Where all the world may see. Robert W. Service.

WIDE DISCONTENT WITH GOVERNMENT SHOWN

BERLIN, Nov 24.—Every fresh election in Germany emphasizes the wide discontent with the government. In the municipal election at Ellersfeld, Elling and Barmen yesterday the Social Democrats swept the field. In the first named place four Social Democrats were elected. This is the first time such an event has occurred in Ellersfeld. The Social Democrats won despite the united efforts of all the other parties against them. In Elling three Social Democrats were elected by large majorities, while in Barmen, another of the Rheinland's great centres of industry, five were returned where there was only one before. The newly-elected Socialists in the Saxon Diet have given notice of a resolution to solve the non-employment problem in Saxony by advances from the savings bank surpluses, and by taxing public entertainments.
