LIFE WAS A MISERY FOR FOUR OR FIVE YEARS.

The Doan Kidney Pill Co., Toronto, Ont. Montreal, Oct. 17th, 1900

Dear Sirs,—For the last four or five years life was a misery to me.

The pains in my back have been terrible. For some time I could not stoop over to tie my shoes. At last I got so bad that I could not go up stairs and had to sleep on a lounge in the dining room. I had to raise myself by a cord attached to the end of the lounge.

I used to swell up terribly, my urine was scanty and highly colored and had a very offensive odor.

If I eat a hearty meal I would suffer agony for hours after. The several physicians whom I consulted advised me to go to the hospital and have an operation performed, as they said I was suffering from womb trouble.

I was told about Doan's Pills, so procured a box, and I thank God every day for the good they have done me.

After the third dose I began to feel the benefit of them, and eight days after starting I could urinate freely and without the scalding sensation, the swelling has all disappeared, and I do not know what a backache is since I took the first box of Doan's Pills.

I can now attend to my household duties without any trouble, and can enjoy a good night's sleep, things I have not been able to do for five years.

I am now 57 years old, but feel like 30, and never felt better in my life, thanks to Doan's Pills. I cannot praise them too highly and trust this will meet the eyes of some poor suffering woman.

Yours gratefully,
MRS. J. WILSON.

Imitations

of Dodd's Kidney Pills are legion. The box is imitated, the outside coating and shape of the pills are imitated and the name—Dodd's Kidney Pills is imitated. Imitations are dangerous. The original is safe. Dodd's Kidney Pills have a reputation. Imitators have none or they wouldn't imitate. So they trade on the reputation of Dodd's Kidney Pills. Do not be deceived. There is only one DODD'S. Dodd's is the original. Dodd's is the name to be careful about—
